Daughter of the late Raymond Sr. and Genevieve (Thorne) Murch, Bessie was born on August 7th, 1931, in Baldwin. Growing up, Bessie attended Potter Academy in Sebago and was the oldest of ten siblings.

Bessie had many enjoyments during her life such as traveling on bus trips with her husband William, cooking-especially working as the head baker for Sacopee Valley High School, crocheting, watching the birds, sitting in her swing waving to people as they drove by her home, having birthdays spent with her nieces-Karen, Kathy and Debbie, time she spent with Melvin, and one of her favorite enjoyments was spending time with her family everyday especially during holidays and Sunday meals.

Bessie is predeceased by her husband- William Guptill, her parents - Raymond Sr. and Genevieve (Thorne) Murch, her siblings - Mable Bliss, Raymond Murch, Melvin Murch, Marlo Murch and Shirley Murch.

She is survived by her children - Ronald Guptill (April), Joel Guptill Sr. (Beth) and Steven Guptill, her siblings - Clifford Murch, Eddie Murch, Grace Newton and Frankie Murch, her six grandchildren, eighteen great grandchildren and two great great grandchildren who will miss her dearly.

Arrangements were entrusted to Poitras, Neal & York Funeral Home, Cornish, www.maineFuneral.com.

OBITUARY

Walter Sanford Chapin, Jr.

STEEP FALLS - Walter Sanford Chapin, Jr. (Sandy) died on April 3, 2026. He was born to Pauline Chapin and Walter S. Chapin, Sn. and he and his sister Virginia grew up in Waban, Massachusetts. They summered in Friendship Maine with grandparents, aunts and uncles and cousins.

Sandy and Eleanor Lougee fell in love while attending Nasson College in Springdale, Maine. They were married for sixty-one years and had two wonderful daughters, Kimberly Chapin Butler and Laura Paige Collins. He was tremendously proud of them both.

Sandy received his B.S. degree from Clark University in Worcester Massachusetts. He went on to work in logistics for The Dow Chemical Company. During this time our family had the opportunity to live in multiple locations including Massachusetts, Michigan, Washington, and Indiana. We spent time exploring them all as well as neighboring states. He retired after thirty-two years.

He and Eleanor moved back to Maine to spend their retirement. Once he settled in he became a volunteer firefighter and first responder. He was one of the founders of the VIPS program. He was extremely active and dedicated to both.

Sandy was known for his kindness, thoughtfulness, and generosity. He easily made friends wherever he went. He loved gadgets, technology, tractors, cars and boats. All his boats were named KELP which stood for Kim, Eleanor, Paige. His daughters remember him as the anchor of our family.

Survivors include his wife, Eleanor of Steep Falls, his daughters Kimberly Butler of Sanford, Mi., and L. Paige Collins of Steep Falls. Sandy, otherwise known as Poppy, has three grandchildren Danielle and her husband Mario Ibarra, Taryn and her husband Josh Wentz, and Kyle Collins. He also has 6 great grandchildren. He has one sister Ginny who lives in California but still summers in Friendship.

Online condolence messages can be submitted at the Poitras, Neal & York Funeral Home website, www.maineFuneral.com.

Financial Statement: The following financial statement applies to Questions 1, 2, 3, 4, 5 and 6 above. The issuing of bonds by the Town of Standish is one of the ways in which the Town borrows money for certain purposes. The following is a summary of the bonded indebtedness of the Town of Standish as of the date of this referendum:

Bonds now Outstanding and Unpaid:	\$ 15,649,567
Estimated Interest to be paid on Outstanding Bonds:	<u>\$ 2,672,003</u>
Total Principal and Interest to be repaid on Bonds Outstanding:	\$ 18,321,570
 Additional Principal Amount of Bonds Authorized but not yet issued:	 \$ 0
 Total additional Bonds to be issued if approved by the voters:	
Question 1: Public Safety Capital Expenditures	\$ 378,000
Question 2: General Administration Capital Expenditures	\$ 105,000
Question 3: Parks and Recreation	\$ 38,000
Question 4: Public Works Capital Expenditures	\$ 315,000
Question 5: Highway and Road Capital Expenditures	<u>\$ 1,142,293</u>
 Total Principal Amount of New Bonds to be Issued if approved:	 \$ 3,455,909
Estimate of potential new interest on such additional principal of bonds:	<u>\$ 346,647</u>
Total additional principal and estimated interest to be repaid if approved by the voters:	\$ 3,802,556

When money is borrowed by issuing bonds, the Town must repay not only the principal amount of the bonds but also interest on the bonds. The amount of interest to be paid will vary depending upon the rate of interest and the years to maturity at the time of issue. The validity of the bonds and of the voters' ratification of the bonds may not be affected by any errors on the estimates made of the costs involved, including varying interest rates, the estimated cost of interest on the bond amount to be issued and the total cost of principal and interest to be paid at maturity. If the actual amount of the total debt service for the bond issues varies from the estimate, the ratification by the electors is nevertheless conclusive and the validity of the bond issue is not affected by reason of the variance.

Scott Gesualdi, Town Treasurer

The public hearing will be held at the Standish Municipal Center, Town Council Chambers, 175 Northeast Road, Standish, Maine.

The Polls will be open at 6:00 a.m. and close at 8:00 p.m on June 9, 2026.
