OBITUARY

George V. Cravero, Jr.

PORTER - George V. Cravero Jr., 68, passed away on October 25, 2026. Born on January 10, 1958, George lived a life rooted in hard work, a love for building things with his hands, and deep bonds with his family and friends.

A 1976 graduate of Apponequet Regional High School in Lakeville Massachusetts, George eventually moved to Maine, where he built a long and steady career as a professional driver. He worked locally for Jordan's Trucking and later for Mellen & Son, where he was a dedicated worker until his retirement at age 63.

While trucking was his profession, George was also a talented carpenter in his spare time, taking great pride in working with his hands. Away from work, he cherished the time spent with his longtime friends, the Sterlings, whom he considered true family.

George was preceded in death by his parents, Harriet A. Cravero of Lakeville, who passed in November 2017, and George V. Cravero Sr. of Michigan, who passed in July 2000.

He is survived by his family, including his children: Dalton, Darren and Deus. He also leaves behind his brothers, Joseph and his wife Pamela of Georgia, and Gary of Maine; as well as his sister, Cheryl of Massachusetts; along with many extended family members and friends who will miss him dearly.

Online condolence messages can be submitted at the Poitras, Neal & York Funeral Home website, www.mainefuneral.com.

Thank You

The family of **Jennifer Leigh Gerrish** *would like to extend our heartfelt gratitude to our friends, neighbors, and the entire community for the overwhelming love and support shown to us during our recent loss.*

To everyone who sent flowers, prepared meals, made donations, offered kind words, or simply kept our family in your thoughts and prayers, please know how much it has meant to us. Your generosity and compassion have brought us comfort during an incredibly difficult time

We are truly blessed to be part of a community that comes together, lifts one another up, and reminds us that we are never alone in times of sorrow.

From the bottom of our hearts, thank you.

With gratitude,

WE NEED HELP! I am 80 years old, poor health, bad heart. In August 2025 we lost our 16 year old dog. My wife and I need another friend (more so for my wife because of my health). We found one in Sept. 2025, 5 years old, Lapso-Apso/Maltese mix. In the Spring of this year, we took him to our vet for a check-up, found out he had a slight case Lyme disease and put him on antibiotics. After 14 days on meds, he got sick. Went back to the vet, they x-rayed his belly, came back in and told me his belly is full of cancer. We took him home and he died 5 days later. Our Spirits are broken. We need a SMALL breed adult dog, male or female, something we can handle. If you can help, please call Charles or Nancy @ 207-210-7506.

WHY DIRFY GENERATORS AND HEAT PUMPS?

We do not have to say we are #1, *others say it for us*

We have 7 years of plaques voted #1 in public voting

We have 13 yrs of certificates showing we are the #1 dealer in Maine

We received a certificate showing we are the #1 dealer in New England, even with our sales being in Maine

We have been recognized in a national magazine as the top dealer in the Northeast

We have our award-winning Reward program where customers get back rewards, upwards of tens of thousands of dollars every year.

Where our motto is
"Customer Satisfaction Doesn't Happen By Accident"

WHAT ELSE MAKES US #1?

- We have generators that come with 10 yr parts, labor, and travel warranty
- All our heat pumps come with 12 yr parts, labor, and travel warranty, *not like other dealers who have 12yrs warranty just on parts.*
- We give back to our customers, such as a current give back. We are currently sending $25.00 to each customer that have a sign displayed at their home because sales have exceeded projections (about $7,000.00 this time around). *Yes, giving back is our goal.*
- Due to our volume, our pricing is lower than anyone else.
- Offering an alternative back up system for folks with portable generators.

GENERATORS 10 YEAR PARTS, LABOR & TRAVEL WARRANTY

HEAT PUMPS 12 YEAR PARTS, LABOR & TRAVEL WARRANTY

WE HAVE GENERATORS STARTING AT LESS THAN $100/MO. OAC

DUE TO OUR VOLUME, WE CAN INSTALL MOST GENERATORS FOR LESS, INCLUDING BRIGGS, GENERAC, KOHLER, AND CHAMPION.

CHECK OUT OUR WEBSITE @ DIRFYGENERATORS.COM

Randi's search for a living kidney donor...
Please consider a Gift of Life.

Dear Friends & Family,

Some of you may know that I have kidney disease. I am a 76 year old from Parsonsfield, and over time, my kidney disease has gotten worse, causing my kidneys not to work well enough to keep me alive. My treatment options at this time are limited to dialysis or a kidney transplant. I have been on dialysis for some time now, 3 days a week for 4 hours each day, which is helping my kidneys do their job of removing wastes, toxins, and extra fluids. But the longer you are on dialysis the more your health deteriorates.

However, a living donor kidney transplant would offer me much more freedom and the ability to live a longer, healthier, and more meaningful life. A transplant would also give me more time to do the things I love most, such as spending time with my family and friends, my partner Nick, my pets, helping others, and being outdoors.

Finding a kidney is not easy. People who are on a wait list for a kidney from a deceased donor often have to wait 5-10 years and the kidney lasts on average 10-20 years. But the wait list for a living kidney donor is much shorter, sometimes even months, and the kidney typically lasts 20-30 years. It also has much better function.

In order to donate, living kidney donors get a careful and thorough evaluation with your own team of health professionals to see if you could be a match for me and to ensure that living donation is as safe as possible for you.

I want to share with you some basic information about kidney donation.

1) You only need one kidney to live a long, healthy life.

2) Surgery for a donor is done laparoscopically, meaning through tiny incisions, and the recuperation period is fairly quick, generally only a few of weeks.

3) The cost of an evaluation and surgery would be covered by my insurance, and there are programs like Donor Shield that can help with other charges.

4) Although my blood type is O+, you do not necessarily have to have the same blood or tissue type to be a match.

5) There is no age limit to be a donor. You just have to have a healthy kidney.

In order to express your interest in becoming my kidney donor. you can contact either the Mass General Kidney Transplant Team in Boston (617-643-7193) or the Maine Health Kidney Transplant Program in Portland (207-662-7180). Just fill out the registration forms at these links: www.mghlivingdonors.org (Mass General), or mmcdonorscreen.org (Portland). Upon submission these programs will be in touch with you if they think you could be a match for me.

To learn more about kidney donation, you can call Jullie Hogan, my Transplant Navigator at: **702/530/4156**, or go to the National Kidney Foundation's website: **www.kidney.org/livingdonation**.

There are also other websites that can help you learn about kidney disease & donation.

Thank you for taking the time to read my story. A major way you can help me is to share it with your friends and family and on social media.

With much appreciation,

Another newbie! This 500 acre preserve is owned by the Tin Mountain Conservation Center with an easement held by the Upper Saco Valley Land Trust.
