## OBITUARIES

### OBITUARY

## Michael Joseph LaPanne

PARSONSFIELD - Michael "Lips" Joseph LaPanne, age 69, of Parsonsfield passed away unexpectedly on Tuesday, March 26, 2024. The cause of death is still to be determined.

Mike was born June 28, 1954 at the Wentworth Douglas Hospital in Dover, New Hampshire. He was very proud to be from New Hampshire and expressed that often.

He went on to marry his beautiful wife, Lorraine LaPanne, on April 10th, 1974. This year they'll be spending their 50th Anniversary together, in Heaven.

Most of his young adulthood Mike worked climbing water tanks and church steeples hundreds of feet in the air with Limerick Steeple Jacks. Since, he has worked at Lepage Auto as a mechanic and automotive painter. He enjoyed working in his garage on various vehicles, out landscaping his yard, and spending time with his children, grandchildren, and great granddaughter. "Lips" will be remembered by his assortment of tattoos from head-to-toe, his durag on his head, and a big SMILE on his face. Most of his friends know him as "Lips" because he liked to talk ... a lot.

Mike is predeceased by his parents, Henry and Lorraine LaPanne; wife, Lorraine LaPanne of Parsonsfield; siblings, Tommy LaPanne, Bruce LaPanne, Joey LaPanne, and Paul LaPanne; grandchild, Joseph Zahn; nephews, John "BRAT" Bubar and Paul LaPanne Jr.; and great nephew, Shohn Bubar.

He is survived by his children, Bambi LaPanne-Lane and husband, Aengus Lane of Parsonsfield, Anne Zahn and husband, Mike Zahn of Parsonsfield; grandchildren, Dyllan Thompson and significant other, Annie Lajoie of Cornish, Brandon Thompson and fiancée, Autumn Carr of Limington, Brittani Thompson and significant other, Thomas Spinney of Cornish, Selena Zahn of Parsonsfield; great granddaughter, Genasis Spinney of Cornish; siblings, Nelson LaPanne of Farmington, NH, Julie Plourde and husband, Michael Plourde of Wilmington, NC, Peggy Laurent of Rochester, NH, Wayne LaPanne of Farmington, NH, Kathy LaPanne-Bubar and husband, John Bubar of Parsonsfield, and Nicholas LaPanne of Farmington, NH; plus many nieces, nephews, cousins and extended family not listed above.

The Celebration of Life will be held on a later date in the warmer weather - the date to be determined and announced. The family would like to thank the Neal & York Funeral Home for all their kindness and compassion during this time; and Sonny Lepage of Lepage Auto for the constant love and support throughout Mike's life, especially the last 20+ years.

In lieu of flowers, memorial contributions can be made to the: *Pope Memorial Humane Society* County Farm Rd. Dover, New Hampshire 03820 in Mike's honor.

"Life should NOT be a journey to the grave with the intention of arriving safely in an attractive and well-preserved body, but rather to skid in sideways, body thoroughly used up, totally worn out and screaming "WOOHOO, what a ride!". This isn't life in the fast lane, it's life in the oncoming traffic."

We love you Dad/Bamp!

HIKE**

**WHEN: Saturday, April 13, 8:30AM** (SVHC parking lot)  
 (RESCHEDULED FROM LAST WEEK)

**WHERE: Chamberlain Ledge** (Madison, NH)

The trail to the Ledge, just over a mile in length (2.3 miles out and back) follows a north/south ridge through a cut-over forest, a comparatively easy, if undistinguished passage. But wait! The view to the west, where the White Mountains also run north/south, is altogether eye-catching and, on a clear day, will make our first adventure here memorable.

We'll meet at the Sacopee Valley Health Center at 8:30am to carpool! Bring water, snack & appropriate footwear.

Notice of Informational Meeting  
April 20 & 27, 2024 at 10AM-12PM  
at Pike Memorial Hall**

.....

**The Planning Board will hold two informational meetings related to a new FEMA Floodplain Ordinance and Affordable Housing Compliance (LD2003).**

The floodplain ordinance is required by FEMA in order to maintain the town's and the town's residents' eligibility for federal flood insurance. The new ordinance and maps will go into effect on July 17, 2024 and can be viewed as "preliminary maps" on the FEMA website or viewed in hardcopy at town hall. This will require a repeal of the existing floodplain ordinance.

A copy of the new FEMA ordinance is available at: **Cornishme.com/government/landuseinformation/ revisedcornish2024floodplainordinance**

The affordable housing required changes (LD2003) will bring our current Land Use Ordinance into compliance set forth by the State of Maine in 30-A M.R.S. §4364, 4364-A and 4364-B effective July 1, 2024.

A copy of the proposed land use ordinance is available at: **Cornishme.com/government/landuseinformation/ proposedlanduseanddevelopmentordinance**

These items will be voted on at a **Special Town Meeting on May 1, 2024.**

## Town Of Limerick Gross Neglect of Taxpayer Money

*De ja vue all over again...*

We spent about double on the fire chief's car than we paid for it despite being told all we had to do was change the name, so many thousands of dollars later major rust repairs were done with no bids. Fast forward, this same person raved about a used truck that was found. Live on tv taxpayers were told how nice this truck was with a beautiful utility body that could be used year around.

It was purchased in December and now we are in April the truck has still not moved. We were told that if the department were to purchase a used truck, we would go south of the Mason Dixon line because those trucks would be rust free. So, with global warming the government has moved that line to Portsmouth NH. So, he went south to the Boston area where there is no rust or rot on anything and bought an eleven-year-old snowplow truck with 80k miles that was only used on Sundays to go to church. This truck was totaled in 2014 and has a REBUILT TITLE (no dealer would even want this, it is basically worth salvage value). Now we are the fourth owner of this rust bucket with 80k miles that only needs 2 fenders, 2 doors, 2 rockers, and a cab corner along with a new body and complete paint job and I'm sure a lot more surprises! There is a Logging Truck in our area that has a sign on it that says ("YOU CAN'T FIX STUPID") - we can buy that sign too! All we need now is 2 Bourbon, 2 Scotch and 2 Beers! \$81,393.50 is the total us Taxpayers have paid for this truck so far, only to be used 300 miles per year. The Select Board said that we did not get Fleeced. Shockingly, I must agree with them because we got SCREWED!

OH DEAR HEAVEN,  
**VIOLET'S SEVEN!**

*How God Made Little Girls..*  
A speck of frills with a pinch of pink  
A touch of lace and a dainty wink.  
He mixed these in with a love for dance,  
And heaps of laughter, some beauty perchance.  
He added oodles more of joy and grace,  
Then He put some dimples in just the right place.  
As a final touch, He included a curl,  
And with that He smiled, for He'd created a Girl.

AFTER

#### ARE YOU WEARING A TRUE PROSTHETIC OR ARE YOU WEARING A TRADITIONAL DENTURE?

- As a denture wearer have you developed deep puppet lines/fowls that make you look older than your years?
- Have you found that you are sometimes hesitating before you smile because there is something about your teeth that just doesn't look right?
- Are you choosing foods to eat based on the lack of stability of your current dentures?
- Do restrictions of the fit of your denture cause you to think twice before engaging in kissing or laughing?
- Is the fact that you have experienced breakage of teeth or of the base of your denture increasing your anxiety level?
- Are you absolutely dependent on the use of denture adhesive? If you answered YES to any of these questions you are probably wearing a traditional denture not a true prosthetic....WE CAN HELP!
