Randi's search for a living kidney donor...
Please consider a Gift of Life.

Dear Friends & Family,

Some of you may know that I have kidney disease. I am a 76 year old from Parsonsfield, and over time, my kidney disease has gotten worse, causing my kidneys not to work well enough to keep me alive. My treatment options at this time are limited to dialysis or a kidney transplant. I have been on dialysis for some time now, 3 days a week for 4 hours each day, which is helping my kidneys do their job of removing wastes, toxins, and extra fluids. But the longer you are on dialysis the more your health deteriorates.

However, a living donor kidney transplant would offer me much more freedom and the ability to live a longer, healthier, and more meaningful life. A transplant would also give me more time to do the things I love most, such as spending time with my family and friends, my partner Nick, my pets, helping others, and being outdoors.

Finding a kidney is not easy. People who are on a wait list for a kidney from a deceased donor often have to wait 5-10 years and the kidney lasts on average 10-20 years. But the wait list for a living kidney donor is much shorter, sometimes even months, and the kidney typically lasts 20-30 years. It also has much better function.

In order to donate, living kidney donors get a careful and thorough evaluation with your own team of health professionals to see if you could be a match for me and to ensure that living donation is as safe as possible for you.

I want to share with you some basic information about kidney donation.

- 1) You only need one kidney to live a long, healthy life.
- 2) The surgery for a donor is done laparoscopically, meaning through tiny incisions, and the recuperation period is fairly quick, generally only a few weeks.
- 3) The cost of an evaluation and surgery would be covered by my insurance, and there are programs like Donor Shield that can help with other charges.
- 4) Although my blood type is O+, you do not necessarily have to have the same blood or tissue type to be a match.
- 5) There is no age limit to be a donor. You just have to have a healthy kidney.

In order to express your interest in becoming my kidney donor, you can fill out the form at this link: www.mghlivingdonors.org. Upon submission, the Mass General Kidney Transplant Team (617/530/4156) will be in touch with you. To learn more about kidney donation, you can call Jullie Hogan, my Transplant Navigator at: 702/530/4156, or go to the National Kidney Foundation's website: www.kidney.org/livingdonation. There are also other websites that can help you learn about kidney disease and donation.

Thank you for taking the time to read my story. A major way you can help me is to share it with your friends and family. and on social media.

With much appreciation,
Randi Gelfman

OBITUARY
Peter F. Nielsen

PARSONSFIELD- Peter F. Nielsen, 77, passed away at his beloved home in Parsonsfield on December 19, 2025, surrounded by his loving family. Peter was born in Portland, Maine, son of Christian and Arlene. He graduated from Deering High School in 1967. After graduation, Peter enlisted in the Marine Corps (1968-1972) and bravely served his country in the Vietnam War from 1969-1970 in the 2nd Marine Division 5th Battalion. His service also included a tour in Okinawa, Japan, from 1971-1972. Peter always reflected fondly on his time in Japan. He made friends and even taught the local children how to play baseball. They affectionately called him "Peter San."

After his military service, Peter spent time in Long Island, New York. He moved back to Maine and married the love of his life, Nancy Lankau, on September 7, 1974, at Aimhi Lodge on Little Sebago Lake. In 1975, they settled in Parsonsfield, which became Peter's favorite place on Earth. It was there Peter and Nancy raised their four beautiful children. Peter enjoyed the simple things in life, such as raising cows, pigs, turkeys, and chickens; making homemade maple syrup; tending an apple orchard; making cider with an antique apple cider press; haying local fields; spending time in his barn; deer hunting; making birdhouses; and above all else, spending time with his family and friends.

Peter followed in his father's footsteps and worked on the Railroad. After this, he was a "famous" Zamboni driver and always bragged that he made the best ice around. His last job was the "Boat Captain" on the milfoil boat on Little Sebago Lake, which was a dream come true to get paid to drive a boat on his favorite lake.

Peter was passionate about sports, particularly baseball. He took on the role as baseball coach for the Town of Parsonsfield and coached many successful baseball teams and all-star players. He encouraged his four children to play sports and Peter and Nancy never missed a game, no matter how far they had to travel. Peter's "air horn" at home basketball games will not be soon forgotten at Sacopee Valley High School. Later in life, Peter enjoyed watching his grandchildren play various sports, and he beamed with pride at their various athletic accomplishments.

A true family man, Peter enjoyed time spent with his family more than anything, especially at the family camp on Little Sebago Lake. Boat rides, tubing, swimming, 4th of July parties, fishing/ice fishing, jumping "the rock," and drinks around the fire... He loved nothing more than having all of his kids and grandkids Up Ta Camp. He would often say, "If God made anything better, he kept it for himself."

Peter is survived by his loving wife of 51 years, Nancy; four children Christian, Todd, Erika, and Luke; daughters-in-law Aliiana and Josie; son-in-law Mike; and his seven wonderful grandchildren- Elle, Kali, Colby, Caden, Silas, Isaiah, and Lilah. He loved being "Grampie" with all his heart and cherished the time spent with his grandchildren. Peter will be missed greatly by extended family and friends, especially his sisters-in-law, nieces and nephews, and the "Thursday lunch crew," which included his friend of nearly 75 years, Kevan Welch. The stories they have could fill a book. Lastly, his dog, Duke, will miss their "runs" in the woods and the endless supply of treats.

To know Peter was to love him. He loved to make people laugh. His kindness, humor, generosity, and dedication to his family were inspiring. If there were more Pete Nielsens in the world, it would be a better place. We will all miss his great stories and one-liners. In the words of Pete, "Keep your thumb on it."

In lieu of flowers, donations can be made in Peter's name to the Wounded Warrior Project, Disabled American Veterans, or Lucky Pup Rescue Maine.

Visiting hours will be held on Friday Jan. 16, 2026, from 12 noon - 2 PM, concluding with USMC Honors at 2 PM at the Poitras, Neal & York Funeral Home, 71 Maple St., Cornish. Celebration of life to follow.

THE CORNISH UNITED CHURCH OF CHRIST

37 MAIN STREET

The church has been a tourist attraction since 1843 because of its beautiful steeple.

There have been many repairs made over the years. In 2019 we had a complete evaluation done by an engineer and received a 7-page report explaining what needed to be done, a complete restoration.

As you may have noticed, the steeple was brought down into our parking lot a few months ago, repaired and put back up. Now we need to finish paying for it!

It was suggested that maybe if we could get just \$1.00 from each person willing to help, that figure would be amazing by itself. We will keep the Faith and see what the Good Lord allows us to receive.

If you wish to donate or would like more information, our address is:

Missing You On Your Birthday
Dear Wife

**SANDRA
A. MINER**
1/10/47 - 1/13/23

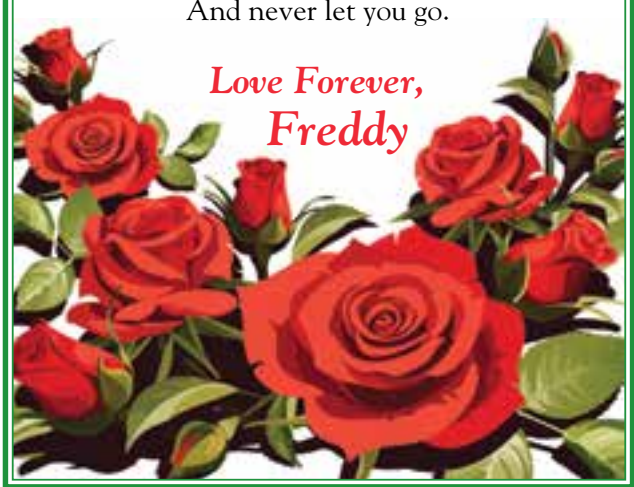

It's hard to be without you
And the lovely life we had,
And though I find the strength somehow
Your birthday's always sad.

Your memory keeps me going
But on special days like this,
I think of all you were to me
And everything I miss.

But I'm forever grateful
To have had you for my Wife,
And one day we will share again
The love that was our life.

If you were here with me today
There's one thing that I know,
I would hold you close to me
And never let you go.
