BALDWIN RESIDENTS

A message from Bob Flint

I'm announcing my **WRITE-IN** candidacy for **"Selectman, Assessor, and Overseer of the Poor."** After numerous requests from other town officials and members of the public, I've decided that I will accept a write-in. I had hoped that stepping down would make space for someone younger to step up, giving that person a chance to gain experience and bring new skills and ideas to the town, but it didn't happen. Therefore, I'm convinced that I will be the better candidate for the Town of Baldwin in this election. I have 7 years of experience in the position.

To make it happen, I need all of you who support me to VOTE and ensure that your friends and family members who are eligible VOTE as well, in person or via absentee ballot on or before the 13 September Town Meeting.

If you believe I'm the better candidate, **WRITE-IN "Bob Flint"**

Thank You Sincerely, Bob Flint
(rflint57@gmail.com)

Heat Pumps are very Energy Efficient!

In warm weather, a heat pump can move heat from inside the house to the outside and when it's cold outside a heat pump moves heat from outdoors to the inside of your house... **Financing Available starting at \$69 a month OAC**

What Our Customers Are Saying...

I highly recommend DIRFY Generators and Heat Pumps. If I had to rate them on a scale of 1 to 10, I would rate them a 10 without question. If I had to rate the individual phases (consultation thru installation), each phase would be a 10. The consultation was well explained with different options, which allowed me to easily make my choices. The installation was very organized and professional. The team was very polite, explained things to me, and was very neat. I didn't have to clean anything. And to the office staff, I can't say enough from the first phone call through the whole process.

I have discovered thru the process was the money that I would be adding to my monthly budget. We are retired and on a fixed income. We didn't have the funds available to proceed with this without their help. That helped us to be able install the heat pump system with no upfront money, which was a huge help to us. Not only that, but it also removed the need to pay for our propane to heat for our house. The cost difference was substantial. We actually save so much, that between the monthly finance payment, and the cost of the electric bill, we actually had more money for the month. We will be saving about \$110 a month (Over \$1300/yr). On a fixed income, that is substantial. It was almost like we were being paid \$1300/yr to put in the heat pumps. Again, a lot of money for fixed income.

And the best part, from the time we signed the contract to installation, less than a week. They had a good sized crew here.

We were so impressed, we decided to put in a Heat Pump hot water heater. Again, no money upfront. The savings after the finance payment and the power bill amounted to about \$97/mo (\$1164/yr). That was a total savings of about \$2500 a year for the heat pumps to heat and cool as well as the hot water heater. It was like getting paid \$2500 a year to install these. (p.s., I verified the figures from the Efficiency Maine website)

I am recommending to everyone I know to contact DIRFY Generators and Heat Pumps so that they can increase their spending money.

This company is awesome. No wonder they are number one in New England

To our valued patients,

WE WANT TO SHARE AN IMPORTANT UPDATE ABOUT OUR PRACTICE.
Beginning September 1, 2025, we will be consolidating our Limerick denture office and focusing on all patient care at our main location in Kennebunk.

This decision was not made lightly. Over the past several months, demand for our denture services at the main office has grown significantly. We are seeing more patients than ever, and we want to ensure we continue providing the highest level of care and attention that you've come to expect from us.

We understand that this change may be an adjustment for those who visited our satellite office, and we are here to support you through the transition. Our staff is happy to help with directions, scheduling, or any other concerns you may have.

Thank you for your continued trust.
We look forward to seeing you at our main office in Kennebunk providing you with the same personalized, professional care you deserve.

Please call us at 207.985.0210
