ATTN: BROWNFIELD AND HIRAM RESIDENTS

The people of Maine have spoken!

The decision to remove the rails and ties on the Mountain Division Line and build a recreational trail was debated publicly for many years and decided by passage of **LD 404** in July 2023 using a very public, democratic process. Public hearings were held, testimony given, and letters of support submitted – overwhelmingly in support of the trail.

What lies between us today and the construction of the Trail is the finalizing of the **Maintenance Agreement** between each town and the Maine Department of Transportation in which the **roles and responsibilities of each maintenance partner are spelled out.**

Don't be misled by scare tactics and misinformation.

Find out the facts at an informational session on:

**Wednesday, July 22nd at 6:00 pm at the
Brownfield Community Center**

Then, come out and vote on
**Thursday, August 6th
at 6:00 pm at the
Brownfield Community Center.**

**Date for Hiram
has not been
set yet.**

The Mountain Division Trail will bring recreation, economic opportunity, and a healthier future for our communities and generations to come.

BROWNFIELD VOTERS

SAVE OUR SELECTMEN

Some members of our community have gathered signatures on a petition to have Selectboard Members Rick Emery and Brian Fortier removed from office. The reasons provided to unseat these elected officials are "Failure to uphold fiduciary spending" and "No confidence in their leadership".

We disagree.

The following is a partial list of accomplishments initiated and/or supported by both men, as well as the third Select Board member, Frank Day, during their tenure:

1. Brought town up to A.D.A. standards, avoiding a costly lawsuit.

2. Replaced unsafe playground using surplus funds as approved by voters at 2025 Annual Meeting.

3. Formed Community Resilience Committee who obtained \$74k grant to install mini-splits in Town Office & Rec Building.

4. Worked with Comprehensive Plan Committee to address Plan goals & obtain a \$100k Enterprise Grant for improvements at Community Center.

5. Completed overdue interior renovation of Town Office including ADA compliance requirements.

6. Improved taxpayer and visitor communication through new town website, Facebook page and electronic sign.

7. Ensured that town audits were brought up to date - which had not been done for years.

The members of the Save our Selectmen Committee urge you to

OBITUARIES

OBITUARY
Gayle Elizabeth Brown

LIMERICK - Gayle Elizabeth Brown, 67, of Limerick, Maine, passed away unexpectedly at her home on July 13, 2026, due to health complications.

Born on April 1, 1959, in Dublin, California, Gayle was the daughter of George Glavor and Sylvia Jordan. She was preceded in death by her parents and her beloved brothers, George Glavor and Keith Glavor. From an early age, Gayle embraced life with a fearless spirit. She loved horses and spent much of her youth riding and competing in horse shows. Those who knew her back then remember her as adventurous, always smiling, laughing, and bringing fun wherever she went.

In the late 1980s, early 1990s, Gayle built a successful career in the mortgage industry in the San Francisco Bay Area. Love took her from California to Michigan before eventually leading her on a cross country road trip to Maine, where she spent the rest of her years. Along the way, she experienced love, loss, and new beginnings, raising her three daughters.

Gayle faced many challenges throughout her life, including struggles with both her mental and physical health. While those challenges shaped much of her journey, they never diminished the love she carried for her daughters or the immense pride she felt in the women they became. She was also incredibly proud of her grandchildren.

Even as her health declined, nothing could brighten Gayle's day quite like hearing a favorite country song. Her daughters will always remember her swaying beside her old-school boombox, stacks of CDs close by, singing along to Trisha Yearwood, Dixie Chicks, and so many other country artists. Those simple moments are now among their most treasured memories.

As her daughters sorted through hundreds of photographs after her passing, they discovered pieces of a life they had never fully known—a young woman who lived boldly, laughed often, and embraced adventure. Those photographs revealed chapters of her story they had never seen, making them appreciate even more the full life she lived beyond the role of "Mom."

Gayle will be remembered for her resilience, adventurous spirit, infectious smile, and the love she held for her family. Though her journey was not always easy, she faced it with determination and left behind memories that will forever live in the hearts of those who knew and loved her. She is survived by her daughters, Shannon Jacobson, Megan Brown, and Lindsey Brown; her cherished grandchildren, Mia, Everett, Tyson, Owen, Elias, and Aleah; and extended family members and friends.

She will be forever loved, forever missed, and forever remembered.

With all our love,
Shanna Pooh, Megga Boo & Lindsey Lou

- You're an abutter and don't want strangers walking through your back yard.
- You love Pequawket Pond and don't want it to become a crowded public swimming hole.
- Spending 12 million taxpayer dollars for a 10 mile asphalt road through the woods is not a good idea when so many are struggling to pay bills.
- Your property taxes will increase with the trail expenses added to town budgets.
- You don't like the idea that the town has 100% trail maintenance responsibility for the next 10-20 years.
- The maintenance cost to the town with labor, equipment rental and materials will add at least \$10,000 per year to town expenses.
- The town holds the liability - a trail will open the town up to lawsuits.
- You want to keep the railroad tracks to allow freight & passenger rail opportunities to develop.
- Rail adjacent business would bring in good-paying year-round jobs to our communities and allow our children & grandchildren to stay here and raise families.
- ATVs are prohibited! This should have been an ATV trail instead, bringing millions of off-road dollars to the area. ATVs weren't even given a seat at the table.
- You fear a "Hobo Highway" will bring more crime and drugs to our town.
- Your personal safety will be at risk - who will provide law enforcement on these remote trails?
- If you want a trail beside the tracks - this proposal does NOT allow that option This proposal must be voted down to allow new negotiations for Rail WITH Trail to become a reality.

A NO vote on the maintenance agreement will pause this trail proposal...

You DO have a say in this decision!

Vote NO in the August 6th & August 20th Special Town Elections!
