OBITUARIES

OBITUARY

Gail S. (McAloney) Clarke

WESTBROOK - Gail S. (McAloney) Clarke of Westbrook, ME passed away on February 5, 2026 in Portland. She was born at home in Westbrook on April 20, 1933, the seventh child of Cecil G. and Antoinette M. (LeConte) McAloney. She grew up in Westbrook, attending Rocky Hill Grammar School and later Westbrook High School. In a fitting turn of life, Gail would later reside in an apartment in the former Westbrook High School after it was converted into residences.

On June 7, 1952, Gail married the love of her life, Donald P. Clarke Sr. Together they raised five children and built a life centered on family and care for others. In 1972, the family moved from South Portland to Sebago, where they made their home on Peabody Pond. The home where countless family memories were made. Life on the pond was deeply enjoyed by everyone, filled with togetherness, laughter, and moments that will be treasured forever. Gail loved spending time outdoors. She enjoyed traveling, camping, and wintering in Homosassa, Florida for many years. She also loved the New England Patriots.

Gail loved her family deeply and spent many years as a caretaker, always devoted to the well-being of others. Caring for those she loved was not just something she did; it was who she was. Family was always at the center of Gail's world. She cherished time spent together and especially loved attending her grandchildren's events. Whether it was a school program, a game, or a special milestone, Gail was happiest simply being there, watching, supporting, and celebrating those she loved. She never missed a family party and was often found drinking wine out of a coffee mug.

Gail's gentle spirit, steady presence, and generous heart touched everyone who knew her. She showed her love through her actions by listening, showing up, and always being there when she was needed.

She was predeceased by her parents; her husband, Don; her siblings, Lorraine, Margaret, Tess, Madeline, June, and Gilbert; and her grandson, Anthony (Tony) Clarke. She is survived by her children, Karen Austin and her husband Terry, Cynthia Martel, Donald P. Clarke Jr, Kimberly Giles, Stephen Clarke and his wife Terry. Her grandchildren, Alyson and her husband Kendall, Stephen and his wife Natasha, Jeffery and his wife Carissa, Douglas and his wife Jessie, and Timothy and his wife Nicole, along with eleven great-grandchildren, with one additional due in April.

Gail's legacy lives on through the family she loved so dearly and the many lives she touched through her kindness, dedication, and quiet strength.

Visiting hours will be held 3 to 5 p.m. followed by a memorial service on Friday, February 20, 2026 at Dolby Blais & Segee Funeral Home, 434 River Rd, Windham, ME 04062.

In lieu of flowers, the family kindly requests that donations be made to the Alzheimer's Foundation.

Messages of condolence can be sent to the family on the website: [www.dolbyblaissegee.com](http://www.dolbyblaissegee.com).

OBITUARY

Margaret Cadwallader Barnes Heath

PORTER - Margaret Louise Freese Cadwallader Barnes Heath, 93, of Porter, Maine went home to be with the Lord on February 7, 2026. She was blessed to have passed peacefully at home surrounded by family. Margaret was born on March 25, 1932, in Lafayette, Ohio the first daughter of Orlin F. and Edna Mabry Freese.

Margaret was a woman who wore many hats. For many years she worked as Doctor Barnes' assistant. She helped many patients solve problems and provided guidance in seeking the additional support they needed. Although she never pursued a degree in education, she was a lifelong learner and teacher. She volunteered in the local elementary school classrooms and taught a variety of adult education classes. She strived to help teach many children; her siblings, her own and the community children. Her role as a mother went far beyond raising her own children. Many folks respected her words of wisdom and encouragement. Besides raising 6 children she was a doctor, nurse, accountant, farmer and hunter. She was a hard worker and often said she would rather wear out than rust out. In her "free" time she enjoyed sewing, knitting and crocheting, baking and working tirelessly on the genealogy of family and friends. Upon retirement, she painted over 200 pictures along with writing and publishing 5 books.

She is predeceased by her parents, her son John Ellis Barnes, her husbands Richard M. Cadwallader, Lowell E. Barnes, and Charles Heath, her brothers James E. Freese and Richard L. Freese, her sisters Evelyn Gregory and Jeannette Barkalow, her sister-in-law Shirley Freese, her brother-in-law Harry Stuplinski and her son-in-law Lucien Gosselin.

Left to cherish Margaret's memory are her sons William T. (Kris) Barnes and Lowell E. (Tiffiney) Barnes Jr, her 3 daughters Scotte E. (Rick) Barnes, Diane Barnes-Gosselin and Teresa (Robert) Barnes Sanborn, 13 grandchildren, 13 great-grandchildren, a brother John O. Freese, sisters Ethel L. Stuplinski and Donna (Jerry) Snyder and sister-in-law Sue Ellen Freese.

A Celebration of Life will be held in the spring, date to be determined.

Arrangements are entrusted to Poitras, Neal & York Funeral Home, Cornish. [www.mainefuneral.com](http://www.mainefuneral.com)

OBITUARY

William L. 'Bill' Johnson

HIRAM - William L. "Bill" Johnson, 93, of Hiram, passed away peacefully on February 11, 2026.

Born in Portland on August 24, 1932, to Leighton and Mildred (Blake) Johnson, Bill was very proud of his roots in Stroudwater and South Portland.

In 1949, his family bought Apple Acres Farm in South Hiram, and Bill attended Fryeburg Academy, graduating in 1950. He then went on to the University of Maine in Orono where he met the love of his life, Marilyn Pennell of Westbrook. He was a member of Sigma Chi Fraternity and the Ski Team at the University of Maine.

After college, Bill was drafted into the Navy where he travelled the world on the USS Samuel B. Roberts. When he returned from his service, he began his career in the pulp and paper industry at SD Warren Paper Company in Westbrook. In 1968, he and his family moved to Groveton, NH, where he worked at Groveton Paper Company and later as the UNH School of Continuing Studies Coordinator.

In 1979, Bill and his family moved to Apple Acres Farm where he began his life as a farmer, taking over from his father Leighton. Bill rarely missed a chance to go skiing, fishing, or golfing with his many friends. He was very proud of the fact that he skied until he was 89.

A highlight of his year was the annual fishing trip with friends and family to Lake Parmachenee, which he enjoyed for over 50 years. He was an avid sports fan and followed all of the New England teams, college and professional.

Above all, Bill was a family man who cherished every minute spent with his family. There was nothing he liked better than a rousing game of Fantan during holiday get-togethers.

Bill was a trustee of the Hiram Historical Society where he and Marilyn were recently awarded the Hubert Clemons Award for their service to the town of Hiram. He had been a selectman for the Town of Hiram and was an active member of Riverside Methodist Church. He loved music and to sing and was a member of the Sacopee Singers.

He is predeceased by his parents and his siblings Chandler Johnson and Beverly Nason.

He is survived by his wife of 70 years, Marilyn; his children Lucinda Nugent and husband John, William Jr. and wife Molly, Johanna Corman and partner Greg Miller, Thomas Johnson and wife Rhonda; and beloved family members Carol Johnson and Steven Corman. ## Limerick Taxpayers on the Hook

Two selectmen who quit and a sitting selectmen told the Limerick Taxpayers on TV that they were "**CITIZENS FIRST**" when they all got a citizen's petition for a recall of the Treasurer. Yet the taxpayers have been, and still are, paying the attorney fees.

**Why are the taxpayers paying for the their private vendetta?!**

**OVER TEN THOUSAND DOLLARS to find out the treasurer was off by ONLY \$9.00!!!** That's right, NINE DOLLARS out of a gross 15 million dollar revenue stream. *Evidently, slow & steady won the race!*

THE CORNISH  
UNITED CHURCH OF CHRIST

37 MAIN STREET

The church has been a  
tourist attraction since 1843  
because of its beautiful steeple.

There have been many repairs  
made over the years.

In 2019 we had a  
complete evaluation  
done by an engineer  
and received a 7-page  
report explaining what  
needed to be done, a complete restoration.

As you may have noticed, the steeple was brought  
down into our parking lot a few months ago, re-  
paired and put back up. Now we need to finish  
paying for it!

It was suggested that maybe if we could get just  
\$1.00 from each person willing to help, that figure  
would be amazing by itself. We will keep the Faith  
and see what the Good Lord allows us to receive.

If you wish to donate or would like  
more information, our address is:

Cornish United Church of Christ  
P.O. Box 235,  
Cornish, ME 04020

Please mark donation for Church Steeple Fund.

**What people are saying about Solsource's i3**

"We were looking to take our very cumbersome paper system for collecting data and streamline it into an electronic database. Our goal was a system that would do away with the need for manual calculations and provide us with real time information regarding the children's progress. What we got far exceeded our expectations and meeting goals we hadn't yet considered.

**Solsource listened!** They made suggestions, took our feedback, & provided training. Solsource meets all our technology needs. The database continues to evolve it's been six years, and we have never looked back."

**Randi's search for a living kidney donor...**  
**Please consider a Gift of Life.**

Dear Friends & Family,

Some of you may know that I have kidney disease. I am a 76 year old from Parsonsfield, and over time, my kidney disease has gotten worse, causing my kidneys not to work well enough to keep me alive. My treatment options at this time are limited to dialysis or a kidney transplant. I have been on dialysis for some time now, 3 days a week for 4 hours each day, which is helping my kidneys do their job of removing wastes, toxins, and extra fluids. But the longer you are on dialysis the more your health deteriorates.

However, a living donor kidney transplant would offer me much more freedom and the ability to live a longer, healthier, and more meaningful life. A transplant would also give me more time to do the things I love most, such as spending time with my family and friends, my partner Nick, my pets, helping others, and being outdoors.

Finding a kidney is not easy. People who are on a wait list for a kidney from a deceased donor often have to wait 5-10 years and the kidney lasts on average 10-20 years. But the wait list for a living kidney donor is much shorter, sometimes even months, and the kidney typically lasts 20-30 years. It also has much better function.

In order to donate, living kidney donors get a careful and thorough evaluation with your own team of health professionals to see if you could be a match for me and to ensure that living donation is as safe as possible for you.

I want to share with you some basic information about kidney donation.

- 1) You only need one kidney to live a long, healthy life.
- 2) The surgery for a donor is done laparoscopically, meaning through tiny incisions, and the recuperation period is fairly quick, generally only a few of weeks.
- 3) The cost of an evaluation and surgery would be covered by my insurance, and there are programs like Donor Shield that can help with other charges.
- 4) Although my blood type is O\*, you do not necessarily have to have the same blood or tissue type to be a match.
- 5) There is no age limit to be a donor. You just have to have a healthy kidney.

In order to express your interest in becoming my kidney donor, you can fill out the form at this link: [www.mghlivingdonors.org](http://www.mghlivingdonors.org). Upon submission, the Mass General Kidney Transplant Team (617/530/4156) will be in touch with you.

To learn more about kidney donation, you can call Julie Hogan, my Transplant Navigator at: 702/530/4156, or go to the National Kidney Foundation's website: [www.kidney.org/livingdonation](http://www.kidney.org/livingdonation). There are also other websites that can help you learn about kidney disease & donation.

*Thank you for taking the time to read my story. A major way you can help me is to share it with your friends and family, and on social media.*

With much appreciation,  
**Randi Gelfman**
