Hi neighbors,

If we haven't met yet, my name is Nathan
Burnett, and I'm running for our local
state senate seat. I'm a teacher. I taught
math and computer science at Sacopee
Valley High School from 2012 until 2025.

FOCUS: AFFORDABILITY

I've visited over 6,000 homes and this is
what voters are worried about: property
taxes, cost of healthcare, heating costs, and
how does the next generation get started
and stay here in Maine.

MY MARCHING ORDERS:

Voters told what to work on, and now it's
your turn to make a choice.

On November 3rd,
I'd be honored to have your vote.

Listen to what your
neighbors have to say
on Youtube: [@NateBurnettforME](https://www.youtube.com/@NateBurnettforME)

THE SVRC RINK REPORT

WE NEED HELP! For the past couple of years Travis Trueworthy has led a small, but committed band of volunteers in maintaining the ice skating rink at Sacopee Valley Elementary School. Now Travis needs to step back to a lesser role and we need others to step up to create a new team.

The asphalt surface awaits cleaning, cracks await filling and boards await replacing - and that is all before winter! Then the fun begins: making ice, removing snow... and SKATING!

If you've got what it takes to help keep this community treasure going, please contact SVRC board member JOE WILSON @ 651-4036.

OBITUARY

Marjorie Ellen Carter

TUFTONBORO, NH - Marjorie Ellen (Martell, formerly Gammon) Carter, known to all who loved her as *Margie*, passed away on October 8, 2026.

Born on July 16, 1946, in Limerick, Maine, Margie was a daughter of Lewis and Florence (Lane) Martell.

She grew up surrounded by family and carried those early memories with her always, often reminiscing with her siblings about their younger days. A lifelong learner, Margie earned her accounting degree from Franklin Pierce College, and she never stopped feeding her curiosity. She loved to read, to explore new ideas, and to discover new places, often behind the wheel of her beloved red Mustang.

Those who knew Margie will remember her kindness, her patience, and her quiet perseverance. She found joy in the simple things: working through a good puzzle, baking for the weekly gathering at church, and settling in to watch a western on television. She treasured time spent at the family camp in Stewartstown, and she stayed active in her community in every way she could.

For many years she served as a member and treasurer of the Wolfeboro Lions Club, and she was a devoted member of the Water Village Community Church in Ossipee. She also delighted in her mahjong group and in playing cribbage with the Tuftonboro Cribbage Club.

Margie leaves behind her husband, Ernest Carter; her daughters, Jean Simpson, Patty Nolette, and Tammy Sinapius; her son, Terry Gammon; her sons-in-law, Mark Simpson, David Nolette, and Craig Howard; her daughter-in-law, Robin Gammon; her grandchildren, Benjamin Gammon, Stephen Sinapius, Eva Simpson, Brittany Sinapius and Maisie Pitts; her sisters, Leona Cavaliere and Linda Fenderson; her sister-in-law Dorothy Martell; her brother-in-law, Jason Fenderson; many nieces and nephews and her longtime friend, Sandra Ellsmore.

She was predeceased by her son, Scott Gammon; her parents, Lewis and Florence Martell; her brothers, Raymond, David, Leo, and Frances Martell; her grandson, DJ Sinapius; and her granddaughter, Brandy Gammon. A service celebrating Margie's life will be held on November 7, 2026, at 1:00 p.m. at the Water Village Community Church at 370 Water Village Road in Ossipee NH. A gathering will follow the service in the lower level of the church. The burial will follow at Townhouse Cemetery on Middle Road (RT 109A) in Tuftonboro, NH.

As Helen Keller wrote, "*Deeply loved becomes part of us.*" Margie will remain a part of all who were blessed to know her.

OBITUARY

Randall (Randy) Bruce LaGasse

LIMINGTON - Randall (Randy) Bruce LaGasse, age 68, gave up his perishable body for a glorified body when he entered into the loving arms of his Savior on October 11, 2026, after a courageous battle with dementia.

He was born in Boston, Massachusetts on January 18, 1958, the oldest son of the late Joseph and Lillian (Hill) LaGasse.

After finishing school in the Lawrence, MA school system, Randy joined the Marine Corps and after his stint in the Marines, he came home to Lawrence and had several different jobs including leather cutter in the shoe factories, but he chose the trade of painting and wallpapering.

In 1979 Randy met and married the woman who would be his lifelong partner of 46 1/2 years, his wife Cindy and together they welcomed two of the most amazing children into this world, a son, Randall Jr. and a daughter Renee.

Randy and Cindy joined another partnership in 1994 and together established LaGasse Painting & Wallcovering. He retired from painting in 2023.

They packed up and left Massachusetts in 2001 and settled in Limington, ME. and after being in Limington for several years, Randy felt compelled to join Limington Fire and EMS. He quickly rose to rank of Captain, became their first and only Chaplain and an EMT-Basic. He was so proud to serve not only the community but his brothers and sisters on the department who affectionately gave him the nickname Padre'. He served from 2007-2015.

Randy was called and ordained to be the pastor at Steep Falls Country Church in 2013 where he faithfully served until 2023 when progressing dementia forced him to retire. While there, he founded Five Loaves Community Kitchen, a meal based community outreach and food pantry which Cindy carries on in his name for him.

Aside from Jesus and his wife Cindy, the greatest loves of his life, the apples of his eye, are his cherished grandchildren, Melody (Pumpkin Pie) White, Frances (Sweetie Pie) LaGasse and Weston (Number 1 grandson) LaGasse.

Randy is survived by his beloved wife Cindy (Waters) LaGasse; his children - Randall LaGasse, Jr. and his wife Megan of Porter, ME, his daughter - Renee LaGasse of Haverhill, MA; three grandchildren - Melody of Haverhill, MA, Frances and Weston of Porter, ME; three brothers - Joseph LaGasse of Lawrence, MA, Gary LaGasse of Old Orchard Beach, ME, Kenneth LaGasse of Manchester, NH and one sister, Kendra LaGasse of Haverhill, MA; as well as many nieces, nephews and cousins.

He is predeceased by a brother - Robert LaGasse of Lawrence, MA. and also his five loyal companions, German Shepherds, Anja, Jetta and Luna and Boxers, Bruno and Riddick.

A celebration of life will be held at Steep Falls Country Church, 35 Main St. Steep Falls on November 7, 2026 at 12:30 pm.

In lieu of flowers, memorial donations can be made to Five Loaves Community Kitchen, c/o Steep Falls Country Church, PO Box 26, Steep Falls, ME 04085 or Limington Fire & EMS, 425 Sokokis Ave. Limington, ME 04049.

OBITUARY

Patricia Anne (Lyons) Sanborn

WEST BALDWIN- Patricia Anne (Lyons) Sanborn entered the Kingdom of Heaven on October 15, 2026. Patty was the heart of her family's life, and she died peacefully after a short illness surrounded by people who loved her.

Patty was born in Portland on March 10, 1948, to Mary and Francis "Ben" Lyons, the second of their ten children. Her own love of family was deeply rooted in her childhood home. She loved to be surrounded by her siblings, children, grandchildren and great-grandchildren, and delighted in choosing Christmas presents every year for her nieces and nephews.

Patty was a member of the class of 1966 at Potter Academy in Sebago, which is where she met lifelong friends Hilda, Esther and Jean. After graduating, she worked as a nursing assistant at Portland City Hospital, and later as a CNA and unit secretary at Bridgton Hospital. She was actively involved in the West Baldwin United Methodist Church for most of her adult life. She taught Sunday school there for 39 years and for many of those also served as the director of Christian education. She directed the youth choir, created a story hour at the church for children in the community, and founded their Vacation Bible School.

At age 16, Patty met Earl Sanborn, the love of her life, while sledding with friends on the property that would one day be where the two built a family home together. The two were married in 1967 and together raised five sons. Years later, Patty would build and run an antiques shop nearby on the same property, with the shop eventually appearing on the antiques map of Cornish.

As their children grew and had families of their own, it brought Patty great joy to host bustling parties, including birthdays, anniversaries, family weddings and, of course, Thanksgiving and Christmas celebrations in her home. She loved tradition, and filling spaces with festive decorations. Her family will remember her needhams, pies, cakes and cookies very fondly. Her grandchildren will remember helping her decorate gingerbread boys by the dozens each Christmas, which she would distribute to family, friends, neighbors, teachers, medical providers and her children's co-workers.

Patty was predeceased by her parents, Mary and Francis Lyons. She is survived by Earl Sanborn, her loving husband of 59 years, and by all of her siblings: Marjorie, Francis, David, John, Paul, Mary, Stephen, Matthew and Peter. She is also survived by her children, grandchildren, and great-grandchildren: Christopher Sanborn and his wife Beth, with daughters Madeline (husband Alex and daughter Amelia), Grace (husband Ryan and daughter Renee), and Abigail; Timothy Sanborn and his husband Joaquim; Calvin Sanborn and his husband Daniel, with children Owen, Eliana, Benjamin and Simon; Mark Sanborn and Sarah, with their children Aaron, Liam, Mason and Landon; and Patrick Sanborn and his wife Ericka, with daughter Margaret. In addition, Patty was aunt to 28 nieces and nephews on the Lyons side, and nine on her husband's, all of whom she loved dearly.

Visitation services will be held on October 23 from 5 - 7 PM at Poitras, Neal & York Funeral Home at 71 Maple Street, in Cornish, Maine. Funeral services will be held on October 24 at 11:30 at West Baldwin United Methodist Church, 1006 Pequawket Trail, West Baldwin, Maine. Patty's family is deeply grateful for the excellent care she received at Maine Medical Center (Portland and Biddeford) and Summer Commons (Sanford) over the last month. They are especially grateful for the compassion and care that she received in her final days at Gosnell Memorial Hospice House in Scarborough, Maine, and ask that memorial donations be made there in lieu of flowers. May Patty's memory be a blessing.

who passed away October 23, 2013

I read a book yesterday you bought at the Paperback Exchange many years ago. Those books you bought were how I was introduced to the novels of Grace Livingston Hall. They're still favorites today, though some are in sad shape, having been taped up several times! I'm still holding on to them, a lesson learned from you.

Miss you, Eva

DIRFY GENERATORS & HEAT PUMPS
"Doing It Right For You!"

WHY DIRFY GENERATORS AND HEAT PUMPS?

We do not have to say we are #1, others say it for us

We have **7 years** of plaques voted #1 in public voting

We have **13 yrs** of certificates showing we are the #1 dealer in Maine

We received a certificate showing we are the **#1 dealer in New England**, even with our sales being in Maine

We have been recognized in a national magazine as the **top dealer** in the Northeast

We have our award-winning **Reward** program where customers get back rewards, upwards of tens of thousands of dollars every year.

WHAT ELSE MAKES US #1?

We have generators that come with **10 yr** parts, labor, and travel warranty

All our heat pumps come with **12 yr** parts, labor, and travel warranty, *not like other dealers who have 12yrs warranty just on parts.*

We give back to our customers, such as a current give back. We are currently sending **\$25.00** to each customer that have a sign displayed at their home because sales have exceeded projections (about **\$7,000.00** this time around). **Yes, giving back is our goal.**

Due to our volume, our pricing is lower than anyone else.

Offering an alternative back up system for folks with portable generators.

Where our motto is
"Customer Satisfaction Doesn't Happen By Accident"

GENERATORS
10 YEAR
PARTS, LABOR & TRAVEL WARRANTY

HEAT PUMPS
12 YEAR
PARTS, LABOR & TRAVEL WARRANTY

WE HAVE GENERATORS STARTING AT LESS THAN \$100/MO. OAC

DUE TO OUR VOLUME, WE CAN INSTALL MOST GENERATORS FOR LESS, INCLUDING BRIGGS, GENERAC, KOHLER, AND CHAMPION.

Proudly Serving Maine and New England

When you say Maine needs to keep its Democratic majority in Augusta in order to serve as a defense against an out-of-control federal government that is demanding Maine’s voter rolls and is threatening states’ rights,

I HEAR YOU
and that’s why
I need your vote.

**Susan Collins was OK when it was OK to be just OK.
Now that's not OK.**

Vote for Troy Jackson

**Maine Needs a US Senator who will stand up to Trump
and Help Extinguish Our National 5-Alarm Fire.**

WE DO NOT NEED A SENATOR WHO ENABLES TRUMP.

**We need a Senator to put a foot down and cast votes to
stop Trump's hot mess.**

That's not Susan, that's Troy Jackson.

Let's look at Trump's residue:

Prices everywhere are high:

- Trump-initiated Iran forever war yields higher fuel oil and gas prices. Home heating oil is up by 70%!
- Trump-initiated tariff clashes yield higher costs to consumers for food and products, as well as unnecessary trade conflicts with Canada
- Trump-initiated health policies yield Medicaid cuts, Affordable Care Act erosion, Medicare Advantage disappearance and overall higher costs for your medical peace-of-mind.
- Trump-initiated policies are exploding the national debt, resulting in home mortgage interest rates of over 7% and higher borrowing costs throughout the economy

The Rule of Law is Eroding:

- MAGA's Republican Congress has surrendered legislative initiative and power of the purse
- Trump's Supreme Court is now an enabler of Presidential Order through continuous use of under-explained, secret emergency rulings
- The Department of Justice is now a partisan, incompetent organ of White House vindictiveness
- ICE - a quasi-military force, has license to roam the streets, ruin lives, intimidate and murder innocents without any accountability
- Women's reproductive rights and decision-making, including the Roe v Wade right to abortion, are being erased by Collins-approved Supreme Court Justices Kavanaugh and Gorsuch.

National Security is Degrading:

- The Iran War has resulted in the exposure of weaknesses in forward bases abroad, wasteful expenditure of weapons stockpiles, death and injury to military personnel (21 dead, 800 wounded), and unspecified costs of non-budgeted operations in the billions of dollars
- Trump policies have destroyed traditional alliances and chiseled away the trust of allies
- Pentagon policies have sidelined experienced leaders, shuttered decision-making from open inquiry, and kow-towed to political whim

Washington DC Corruption is at a Level Never Before Seen:

- The Trump family has accumulated over \$3 Billion since 2024
- The wealthiest Americans have enjoyed significant tax relief due to Trump legislation
- American billionaires are controlling policies that put your family in danger from AI, environmental protection rollbacks, and mass layoffs.

Troy Jackson will reliably vote and act to end this national debacle.

Susan Collins will tiptoe and let it go on, as she has done repeatedly for the last two years.

**Call a firm halt to the destructive and harmful policies Trump has set in motion.
Vote for Troy Jackson and he will vote for what's vital for us and Maine.**

Hello Lake Region and Sacopee area Residents!

The colors are SOOO vibrant this year, so much fun to drive and see the different contrasting vivid colors! Sadly, I am not talking about the leaves or the trees, while that is wonderful to see. I am however referring to the "Sign Salads" Definition: A conglomerate of political signs packed into a very small area, often on top of each other, representing many different parties and candidates, all competing for your attention as you drive by.

And yes, a few of those signs are mine. I'm Cassie Dove, running for Maine House District 84, representing Baldwin, Naples, Sebago, and part of Standish. With election season in full swing, I've been out listening to folks and hearing firsthand what's happening in our towns.

But there's something much more important I want to talk about: **OUR WATER.**

Last Tuesday, I attended a packed meeting in Denmark concerning Poland Spring's water extraction from the Cold Spring aquifer. Unlike the previous three meetings, where townspeople could ask questions and voice concerns directly to Poland Spring representatives and town selectpersons, NO public comments were allowed during either presentation.

The Chair of Denmark, who in my opinion really does care about the town, did stop the commentary from Poland Spring representative Mark Dubois. Throughout his presentation, Dubois made several claims I strongly questioned, including presenting results from a spring in another town rather than Denmark's Cold Spring aquifer. The message seemed to be that Poland Spring's extraction is in NO way impacting surrounding ponds, aquifers, lakes, streams, or wells, especially those around Long Pond. But does information from another spring really tell us what's happening here in Denmark?

Poland Spring is seeking to renew its extraction permits for another five years without changing its current withdrawal levels.

Next, Denmark's geologist (whose salary is paid by Poland Spring) was finally allowed to speak, 2.5 hours later. He stated that he was NOT convinced by Poland Spring's report and wanted additional time to review the findings before addressing the five-year renewal of water extraction permits. I could not stay the entire evening, but understood his position remained unchanged.

So, reportedly, Denmark will continue investigating, request additional information from Poland Spring, examine the impacts of drought in Southern Maine, and reopen conversations with townspeople before deciding on the next contract. This is GOOD news! The power of the people in Denmark, Maine.

I'm concerned about how water extraction could impact surrounding communities, including Brownfield and Hiram, especially during a drought. My wish is that Poland Spring stops pumping water from Denmark until we are out of drought. Then, Denmark can revisit the contract. Until then, please just stop!

So my message is simple... We MUST pay attention to where our House and Senate candidates stand on protecting Maine's environment, where their donations come from, and whether they will stand up to large corporations.

As an educator, researcher, veteran, and mom, I care about our environment and my home. I do my research, stand up for the little guy, and have a BIG voice! These are the values I bring to my campaign and I will deliver in Augusta for ALL of Maine.

**Please vote on November 3rd or before! Questions?
I'd love to hear from you!**

Jonathan KINNEY
for
State Representative

MAKING MAINE MORE AFFORDABLE

STARTS WITH PROVEN LEADERSHIP.

Leadership isn't measured by promises—
it's measured by results.

During his time in the Legislature, Jon fought for hardworking Mainers and delivered real solutions for veterans, taxpayers, and our communities. He's ready to build on that record and make Maine affordable again.

Through His Previously Introduced Legislation:

- ☆ Our National Guard members can attend state universities tuition-free
- ☆ Our state increased the number of accredited officers available to help veterans file claims and secure earned benefits
- ☆ Our veterans have public transportation to and from local Veterans Affairs clinics
- ☆ Military fraternal organizations are now state tax exempt

Jon Kinney Supports:

- ☆ Returning our state to economic growth
- ☆ Reducing energy costs including electricity and home heating
- ☆ Rethinking the way public education is funded
- ☆ Eliminating all the tax increases of the past 8 years
- ☆ Lowering our state income tax back down to 5%

Paid for and authorized Jonathan Kinney for House.

Affordable
the Way Maine Should Be.

“I've spent my life serving Maine—as a U.S. Coast Guard veteran, a small business owner, and a public servant on the Limington Selectboard, Planning Board, and in the Maine Legislature. I've seen firsthand what happens when government spends too much, taxes too much, and makes it harder for families and businesses to succeed. I know Maine can do better. By growing our economy, lowering taxes, rethinking how we fund education, and putting taxpayers first again, we can make Maine affordable—the way it should be.”
