PINE ROOT FARM & MARKET

ROUTE 113, STEEP FALLS, ME • 207-272-2257

It's time to sign up for this year's

Farm Share Program!

It's very similar to the CSA concept,
 but is designed to be simpler and more convenient...

Here's how it works:

By purchasing a Farm Share you are giving the farm much needed start-up funds in the lean months of spring, and in return your family enjoys a **10% discount on local, fresh produce and products from a trusted source.**

FOR EXAMPLE:
 Mrs. Peppers buys a \$90 farm share in the Spring, and the farmer credits her account \$100. Mrs. Peppers can then shop at the farm stand all season long, any day of the week, for whatever she wants and the farmer records it on her account.

She can recharge her account at any time, and at the end of the season any unused value will be put towards our Prescriptions for Produce Program to help feed Mr. Sweet Pea and his family next door.

FOR MORE INFORMATION:

No Senior Shares are available at Pine Root this season
We are so sorry!

Randi's search for a living kidney donor...

Please consider a Gift of Life.

Dear Friends & Family,

Some of you may know that I have kidney disease. I am a 76 year old from Parsonsfield, and over time, my kidney disease has gotten worse, causing my kidneys not to work well enough to keep me alive. My treatment options at this time are limited to dialysis or a kidney transplant. I have been on dialysis for some time now, 3 days a week for 4 hours each day, which is helping my kidneys do their job of removing wastes, toxins, and extra fluids. But the longer you are on dialysis the more your health deteriorates.

However, a living donor kidney transplant would offer me much more freedom and the ability to live a longer, healthier, and more meaningful life. A transplant would also give me more time to do the things I love most, such as spending time with my family and friends, my partner Nick, my pets, helping others, and being outdoors.

Finding a kidney is not easy. People who are on a wait list for a kidney from a deceased donor often have to wait 5-10 years and the kidney lasts on average 10-20 years. But the wait list for a living kidney donor is much shorter, sometimes even months, and the kidney typically lasts 20-30 years. It also has much better function.

In order to donate, living kidney donors get a careful and thorough evaluation with your own team of health professionals to see if you could be a match for me and to ensure that living donation is as safe as possible for you.

I want to share with you some basic information about kidney donation.

- 1) You only need one kidney to live a long, healthy life.
- 2) The surgery for a donor is done laparoscopically, meaning through tiny incisions, and the recuperation period is fairly quick, generally only a few weeks.
- 3) The cost of an evaluation and surgery would be covered by my insurance, and there are programs like Donor Shield that can help with other charges.
- 4) Although my blood type is O+, you do not necessarily have to have the same blood or tissue type to be a match.
- 5) There is no age limit to be a donor. You just have to have a healthy kidney.

In order to express your interest in becoming my kidney donor, you can fill out the form at this link: www.mghlivingdonors.org. Upon submission, the Mass General Kidney Transplant Team (617/530/4156) will be in touch with you.

To learn more about kidney donation, you can call Julie Hogan, my Transplant Navigator at: 702/530/4156, or go to the National Kidney Foundation's website: www.kidney.org/livingdonation. There are also other websites that can help you learn about kidney disease & donation.

Thank you for taking the time to read my story. A major way you can help me is to share it with your friends and family, and on social media.

With much appreciation,
Randi Gelfman

for MSAD 6 SCHOOL BOARD

(At Large Candidate – Limington Resident for 35+ years)

Vote Tuesday, June 9th

Independent – Accountable – Proven

As a 35-year Limington resident and former 10-year Chair of the Moy-Mo-Da-Yo Recreation Area Committee, I care deeply about our community's future. I am running as a political independent to bring new voices and balanced perspective to our school board.

My Core Commitments to You:

- **Educational Quality:** *Focusing entirely on academic excellence.*
- **No Political Ideology:** *Keeping classrooms focused on learning.*
- **Taxpayer Accountability:** *Ensuring total fiscal transparency.*

Let's bring the focus back to quality education.

Together, we can do better.

Town of Standish

★ ★ ★ ELECTION DAY IS ON

Question 1. To see if the Town will vote to authorize the issuance of general obligation bonds and/or bond anticipation notes in the aggregate principal amount of up to \$378,000 for the purpose of financing the following capital expenditures for the Town's Public Safety Department: 1.) Unit 2 chief vehicle replacement, 2.) a traffic control vehicle, 3.) cardiac monitors, 4.) dry hydrant replacement, 5.) boat launch upgrades, 6.) ten (10) AED devices, and 7.) a ¾ ton vehicle with plow, all as set forth in the Council's proposed capital projects budget for the 2026-2027 Fiscal Year, with the dates, maturities, denominations, interest rate(s) and other details of such borrowing to be determined by the Municipal Officers, and to see if the Town will vote to appropriate the proceeds of said bonds or bond anticipation notes for the foregoing projects, plus an amount necessary to refund the interest payments on any bond anticipation notes issued for said purpose and any costs of issuance of the bonds and/or bond anticipation notes.

(Note: These capital expenditures will be financed from a portion of the proceeds of general obligation bonds to be issued in a total principal amount of up to \$3,455,909. Total estimated debt service is \$3,802,555.71, of which principal is \$3,455,909 and estimated interest at variable interest rates between 2.89% to 3.45% over 10 years is \$346,646.71)

The Public Safety Department is seeking approval for capital expenditures.

1. We are looking to replace Unit 2 – (Fire Chief's Command Vehicle) with a pick-up truck. This will allow the chief to carry our command and other response equipment safely as well as giving us the ability to have another vehicle to tow some of our trailered equipment (Boat, ATV, Light Tower) as needed. The chief's current vehicle will be repurposed to the code enforcement department for their needs.
2. Traffic 8 control vehicle replacement - Currently we are using 2010 repurposed 2-wheel drive cargo van. This vehicle is used to carry traffic control equipment that needs to be quickly deployed to set up detours and lane closures to create safe work zones at emergency scenes. We are looking to replace this vehicle with a used 4-wheel drive van with a work body style to allow for the safe transport and deployment of our traffic control devices.
3. Cardiac Monitors – We are working on getting onto a 3-year cycle with our cardiac monitors. The plan is to purchase 1 monitor every 3 years. We currently have 3 monitors so with this plan, they will be updated accordingly.
4. Dry Hydrants – This is for the installation of dry hydrants in areas of the town that do not have pressurized hydrants. They are typically installed near large brooks, lakes and ponds, that give us a water source in those areas to draft water for fires.
5. Boat Launch Upgrades – This is to make the boat launch ADA compliant by making a safe travel area for pedestrians and wheelchairs from the upper parking area to the lower launch area. It is suggested to do this as it will give the town the ability to qualify for more grant funding.
6. Automatic External Defibrillators (AEDs) This is to replace the 10 AEDs that are on the apparatus and support vehicles. These units are currently 12 years old and are due for replacement.
7. ¾ Ton Pick-Up with a plow package- This vehicle will be replacing the current pick-up truck at Central Station. This vehicle is to assist during snowstorms with timely patient access during a medical emergency, scene access during fires and storms, and assist the crews after storms to clear out the nearly 200 fire hydrants that need to be shoveled out. It is also used to tow our trailered equipment, emergency scene clean-up (ie. hose, tools, haz-mat equipment, etc.), and other items that are needed for the department.

Question 2. To see if the Town will vote to authorize the issuance of general obligation bonds and/or bond anticipation notes in the aggregate principal amount of up to \$105,000 for the purpose of financing the following capital expenditures for Town General Administration: 1.) technology server replacement and 2.) exterior maintenance at the Town Hall, as set forth in the Council's proposed capital projects budget for the 2026-2027 Fiscal Year, with the dates, maturities, denominations, interest rate(s) and other details of such borrowing to be determined by the Municipal Officers, and to see if the Town will vote to appropriate the proceeds of said bonds or bond anticipation notes for the foregoing projects, plus an amount necessary to refund the interest payments on any bond anticipation notes issued for said purpose and any costs of issuance of the bonds and/or bond anticipation notes.

(Note: These capital expenditures will be financed from a portion of the proceeds of general obligation bonds to be issued in a total principal amount of up to \$3,455,909. Total estimated debt service is \$3,802,555.71, of which principal is \$3,455,909 and estimated interest at variable interest rates between 2.89% to 3.45% over 10 years is \$346,646.71)

- 1.) The town currently has a piece of equipment called a DATTO server. The DATTO is our main backup. It backs up the files on the file server offsite every 1 hour and can act as the main file server in case of an emergency to keep the town's files accessible. It has come to the end of its useful life. It is imperative that it be replaced to ensure all the town's files are securely backed up in case of a catastrophic event.
- 2.) The Town Hall requires attention to exterior maintenance needs. Areas of the exterior paint are chipping and deteriorating, leaving surfaces exposed to weather-related damage and accelerating structural wear. Additionally, the gutter system is failing in multiple sections, resulting in improper drainage that may lead to water intrusion, foundation issues, and long-term damage if not addressed. Exterior doors have also shown signs of degradation, including compromised sealing and functionality, which impacts both security and energy efficiency. These issues, while manageable if not addressed promptly, will continue to worsen over time maintaining and increase repair costs if delayed.

As Town Hall is a key public facility, its exterior integrity is essential to ensure continued operational effectiveness and to uphold a positive public image.

Question 3. To see if the Town will vote to authorize the issuance of general obligation bonds and/or bond anticipation notes in the aggregate principal amount of up to \$38,000 for the purpose of financing a capital expenditure for the Town's Parks and Recreation Department: 1.) Mill Street parking and bus parking, as set forth in the Council's proposed capital projects budget for the 2026-2027 Fiscal Year, with the dates, maturities, denominations, interest rate(s) and other details of such borrowing to be determined by the Municipal Officers, and to see if the Town will vote to appropriate the proceeds of said bonds or bond anticipation notes for the foregoing projects, plus an amount necessary to refund the interest payments on any bond anticipation notes issued for said purpose and any costs of issuance of the bonds and/or bond anticipation notes.

(Note: These capital expenditures will be financed from a portion of the proceeds of general obligation bonds to be issued in a total principal amount of up to \$3,455,909. Total estimated debt service is \$3,802,555.71, of which principal is \$3,455,909 and estimated interest at variable interest rates between 2.89% to 3.45% over 10 years is \$346,646.71)

- 1.) The Parks & Recreation Department is requesting funds for the paving of Mill Street Park parking lot and the Parks & Recreation storage building located at town hall. Paving Mill Street parking lot will help reduce tripping hazards caused by potholes, ruts, mud, uneven gravel and provide safer walking surfaces for children, seniors, and improve ADA accessibility. The Parks & Recreation storage building paving would help with employee safety eliminating uneven gravel, mud, and potholes that will reduce the risk of slips, trips, and falls. The recreation buses and equipment also are currently parked in dirt adjacent to the parks building - increasing the risk of moisture, resulting in rust and corrosion on the undercarriage of the vehicle. This would help extend the lifespan of town vehicles and assist in reducing repair costs.

POLLS OPEN FROM 6:00 AM TO 8:00 PM

Voting will be held in the Fire Department Bays: 175 Northeast Road, Standish, Maine

REFERENDUM VOTE

TUESDAY, JUNE 9, 2026 ★ ★ ★

Question 4. To see if the Town will vote to authorize the issuance of general obligation bonds and/or bond anticipation notes in the aggregate principal amount of up to \$315,000 for the purpose of financing a capital expenditure for the Town's Public Works Department:

1.) Truck 3 with plow gear, all as set forth in the Council's proposed capital projects budget for the 2026-2027 Fiscal Year, with the dates, maturities, denominations, interest rate(s) and other details of such borrowing to be determined by the Municipal Officers, and to see if the Town will vote to appropriate the proceeds of said bonds or bond anticipation notes for the foregoing projects, plus an amount necessary to refund the interest payments on any bond anticipation notes issued for said purpose and any costs of issuance of the bonds and/or bond anticipation notes.

(Note: These capital expenditures will be financed from a portion of the proceeds of general obligation bonds to be issued in a total principal amount of up to \$3,455,909. Total estimated debt service is \$3,802,555.71, of which principal is \$3,455,909 and estimated interest at variable interest rates between 2.89% to 3.45% over 10 years is \$346,646.71)

1.) The Public Works Department is asking to acquire a new single axle Plow/Sand Truck to replace a 2011 International Single Axle Plow/Sander Truck that covers the Northeast Road area plow route. The current truck has reached its life cycle end (15 years projected) for the town showing significant rust and having mechanical issues. The truck had many breakdowns during this plow season requiring time consuming repairs. The Town's Capital Plan calls for its replacement.

Question 5. To see if the Town will vote to authorize the issuance of general obligation bonds and/or bond anticipation notes in the aggregate principal amount of up to \$1,142,293 for the purpose of financing capital expenditures for pavement maintenance to the following Town roads: Bonny Eagle Road, Corey Lane, Liza Lane, Spear Road, Sunrise Street, Sunrise Street-I, and Whites Bridge Road, all as set forth in the Council's proposed capital projects budget for the 2026-2027 Fiscal Year, with the dates, maturities, denominations, interest rate(s) and other details of such borrowing to be determined by the Municipal Officers, and to see if the Town will vote to appropriate the proceeds of said bonds or bond anticipation notes for the foregoing projects, plus an amount necessary to refund the interest payments on any bond anticipation notes issued for said purpose and any costs of issuance of the bonds and/or bond anticipation notes.

(Note: These capital expenditures will be financed from a portion of the proceeds of general obligation bonds to be issued in a total principal amount of up to \$3,455,909. Total estimated debt service is \$3,802,555.71, of which principal is \$3,455,909 and estimated interest at variable interest rates between 2.89% to 3.45% over 10 years is \$346,646.71)

1. The Town's Capital Plan for paving maintenance calls for these roads to be repaved. A shim layer and an overlay of pavement will be done to repave these roads. There will be grinding and milling on limited sections of Whites Bridge Road and Bonny Eagle Road to help with road cross slopes and delamination of pavement. Most of these roads have not been paved in over 20 years.

Question 6. To see if the Town will vote to authorize the Town Council, to (i) enter into a Waste Handling and Recycling Agreement with EcoMaine to handle and process the Town's solid waste and recycling; (ii) enter into an Interlocal Solid Waste Agreement with other municipalities and other related agreements for the purpose of owning and operating EcoMaine, a nonprofit corporation that handles and processes municipal solid waste and recyclable materials, and (iii) issue a \$1,477,616 general obligation promissory note in the name of the Town for a term of up to 30 years at 0% interest (the "Note"), which Note may be made callable, to finance the buy-in amount for the Town to join the Interlocal Solid Waste Agreement.

Copies of the Waste Handling and Recycling Agreement, Interlocal Solid Waste Agreement, and related agreements are available for review at the Town Clerk's office at Town Hall at 175 Northeast Rd, Standish, ME and on the Town's website

1. EcoMaine disposes of all of the Town of Standish's Household Waste and Bulky Waste at their facility in Portland. The Town of Standish has been in a contract agreement with EcoMaine for the past 20 years. Our contract is due to expire in June of 2027. The most cost-effective way is continuing with EcoMaine as an Owner Town and not under contract. This is estimated to save the taxpayers over 1 million dollars in a 30-year period by becoming an Owner Town. Over 30 years it is estimated the Town will pay as an Owner Town \$20,827,194 with tipping fees and buy in payment but under Contract only the Town would pay \$21,827,404 for the same amount of waste. This is over 1 million in savings by becoming an Owner Town. The Owner Towns pay much less in tipping fees vs being under contract, for example; Owner Towns would pay \$136 per ton in FY35, and Contract Towns would pay \$156 per ton for household waste. Being an Owner Town allows the town to have a board member to help set the tipping rates for disposal. Most all surrounding towns to include Windham, Gorham, Buxton and Limington are Owner Towns in Ecomaine and not under contract.

Financial Statement: The following financial statement applies to Questions 1, 2, 3, 4, 5 and 6 above. The issuing of bonds by the Town of Standish is one of the ways in which the Town borrows money for certain purposes. The following is a summary of the bonded indebtedness of the Town of Standish as of the date of this referendum:

Bonds now Outstanding and Unpaid:	\$ 15,649,567
Estimated Interest to be paid on Outstanding Bonds:	\$ 2,672,003
Total Principal and Interest to be repaid on Bonds Outstanding:	\$ 18,321,570
Additional Principal Amount of Bonds Authorized but not yet issued:	\$ 0
Total additional Bonds to be issued if approved by the voters:	
Question 1: Public Safety Capital Expenditures	\$ 378,000
Question 2: General Administration Capital Expenditures	\$ 105,000
Question 3: Parks and Recreation	\$ 38,000
Question 4: Public Works Capital Expenditures	\$ 315,000
Question 5: Highway and Road Capital Expenditures	\$ 1,142,293
Question 6: EcoMaine Interlocal Solid Waste Agreement	\$ 1,477,616
Total Principal Amount of New Bonds to be Issued if approved:	\$ 3,455,909
Estimate of potential new interest on such additional principal of bonds:	\$ 346,647
Total additional principal and estimated interest to be repaid if approved by the voters:	\$ 3,802,556

When money is borrowed by issuing bonds, the Town must repay not only the principal amount of the bonds but also interest on the bonds. The amount of interest to be paid will vary depending upon the rate of interest and the years to maturity at the time of issue. The validity of the bonds and of the voters' ratification of the bonds may not be affected by any errors on the estimates made of the costs involved, including varying interest rates, the estimated cost of interest on the bond amount to be issued and the total cost of principal and interest to be paid at maturity. If the actual amount of the total debt service for the bond issues varies from the estimate, the ratification by the electors is nevertheless conclusive and the validity of the bond issue is not affected by reason of the variance.

DARA CRAWFORD

for MSAD 6 SCHOOL BOARD

*Hello neighbors!
My name is Dara Crawford
I live in Limington and I am running for
School Board for MSAD 6.*

My husband Mike and I have two children who attend Harold B. Emery, Jr. elementary school in Limington. I’ve been very fortunate to be an active volunteer at HBE for the last few years.

Spending time at the school has been incredibly fun and inspirational, and has motivated me to step up to serve the students, staff, parents/caretakers and all stakeholders of our schools on the MSAD 6 board.

I believe all kids should have the opportunity to thrive, and with my fresh eyes and fresh energy, I’ll help our school board’s vision and policies meet that same goal. I believe in the value of a strong foundation in academics, and I hope that my own love of reading and writing will contribute to the board’s leadership in educating children to be critical thinkers and to love to learn, also.

At the same time, I will bring my love of the outdoors, agriculture and interest in nature-based learning to inspire students to step away from screens in their spare time.

All students deserve an excellent academic education, but not all will go into academic pursuits after graduation. I support equal opportunities for students to participate in activities that interest them while in school—sports, music, drama, ROTC, clubs like gardening, the outing club, the art club, etc.

My family and I run a small, certified organic farm, and being active in that venture informs me every day of the value of experiential learning and outdoor education for our children. I want to support our schools’ teachers and staff in continuing to develop opportunities for students to learn about the world around them, also.

There is much to improve in MSAD 6, and there is also much to be proud of, as well. We must never fail to roll up our sleeves to find ways to move our school district forward more effectively and more efficiently. Please know that I will work to protect your tax dollars as I also work to help make the education of our children be the best it can be.

If you are a voter in one of the five towns in MSAD 6 (Buxton, Frye Island, Hollis, Limington and Standish), I hope you will vote for me, and trust that I will work hard for all of us, and most especially, for our kids. Thank you.

- Parent of Limington students
- Active member of the PTO
- Background as a farm school educator
- Owner local certified organic farm

- Advocate for students and staff
- Will listen to all voices
- Will promote transparency
- Will protect your tax dollars

BROWNFIELD SELECTMAN

The upcoming election for Selectman is a very important one for our town. We need a balanced board, with differing ideas and opinions. The current board is very complacent in allowing only one of their members to be heard. I would like to change that by being a strong, vocal advocate for our residents. Currently, too much time is spent making decisions in haste, then having to backtrack the decision because they didn't include taxpayers' input, such as the warming center and some of the rec events offered over the winter.

I'm running to resolve two very important issues that should be top priority in Brownfield. Halt All non-essential spending. Taxes have gone up significantly in the last two years. People are struggling and having to make hard choices. No more \$32,000 signs, \$20,000 carpeting, or \$170,000 playgrounds until some relief can be given back to taxpayers.

My second goal is to bring as much information as I can to voters regarding our town government. People have many questions about our upcoming town meeting. I asked if there could be an informational meeting beforehand and was told No, it was not required. Whether its required or not is irrelevant. If its in the best interest of taxpayer and would make the town meeting run more efficiently then Lets Do It!

Whether I am elected into the position of Selectman or not, I will continue to help right what many feel is a sinking ship.

I am asking voters to put their trust in me. I don't have all the answers, I won't pretend to know all the answers, but I will get them for ALL of us!

With Gratitude,
Tracie Peek-Antolin

RE-ELECTION CAMPAIGN ·
STANDISH PLANNING BOARD

Frank Nappi

CANDIDATE FOR A 3-YEAR TERM

PROUDLY SERVING
5½ Years
on the Board

WHY I'M RUNNING

I am seeking re-election because I believe in **giving back to this community** my family and I are proud to call home. My motivation is simple: add real value to Standish — nothing more, nothing less.

If re-elected, I will put **the Town's needs first, with no pre-disposed agenda**. I would appreciate your vote.

PROFESSIONAL BACKGROUND

- Retired **Equipment Engineering Manager**, Texas Instruments — 38 years
- **BSEE & MSEE**, University of Houston | SMCC Electrical/Electronics
- Former **Master Electrician** — deep hands-on technical expertise
- Decades of leadership in engineering analysis & project evaluation

MY COMMITMENT TO YOU

I will listen carefully to public comments and apply my engineering and management skills to ensure every project is thoroughly and fairly evaluated — always per the Town's Standards and Ordinances.

ROOTED IN STANDISH

My wife **Janice** and I have proudly called Standish home for seven years, after 33 wonderful years in Gorham. We have five grown children, each with families of their own. This town is our home, and that personal investment drives everything I do in service to this community.

Please Vote for Frank Nappi

OBITUARIES

OBITUARY

Norine Bucknell

HIRAM- Norine Bucknell, age 92, passed away on May 22, 2026, at the Gorham House.

She was born in Sumner, Maine, to Clarence and Della (Bryant) Ring. She proudly graduated from Farmington Teachers College (UMF) in 1956. She moved to Cornish after graduation and taught Home Economics at Cornish High School.

In 1957, Norine married a local, Harold Bucknell. Norine raised their four children and worked the farm, but she never stopped teaching. All of her kids learned how to sew, cook, can or freeze, grow things and so much more. She gladly made food for Grange suppers, made snacks for her children's classrooms, or any gathering Harold was attending!

She was a dispatcher for the Sacopee Rescue and Cornish Fire Department. Norine's homemade donuts and muffins were always a hit—after a late-night fire call or before heading out to plow snow. She served on the School Board after her kids graduated, served her town during elections, and was a lifetime member of the Eastern Star.

She wrote two strawberry cookbooks from the fields of the family-run Ossipee River Farm. While Norine sewed, quilted, knit, and did other hand-crafts, in the late 1970s she tried rug hooking. She became very accomplished at it, creating well over 100 pieces for herself, her kids, her grandkids and her husband. She shared her talent by teaching adult ed classes, showing her work at area fairs, being a member of the Tin Pedlars of Maine group, helping create a local social hooking group, Mainely Woods, and helping so many learn this fiber art. She always said that rug hookers are some of the nicest people around.

Norine is survived by her children: son Ray Bucknell and his wife Ellen of Gorham, daughter Marcia Gilpatrick and her husband Sam of Hiram, daughter Rachel Johns of Wolfeboro NH; six grandchildren—Nathan (Victoria), Adam, Travis (Meghan), Sabrina (Justin), Sebastian (Ally), Angelica; she was predeceased by her husband of 69 years, Harold, a son, Warren Bucknell, a son-in-law, Steven Johns, and her six siblings.

Visiting hours will be held on Thursday, June 11, from 2 - 4 PM at the Poitras, Neal & York Funeral Home, 71 Maple St., Cornish. Burial will be at Riverside Cemetery in Cornish with her husband Fred.

In lieu of flowers, donations can be made to either the Cornish Fire Department (PO Box 631, Cornish ME 04020) or the SAD#55 Warren H. Bucknell Scholarship, Superintendent's Office, 137 South Hiram Rd, Hiram ME 04041.

Why Advertising in **'The Guide'** works!

12,000 Shopping Guides are mailed directly into homes and a combined 1,500 are left in stores in the towns we serve...

Mailing guarantees that all homes in your target area will see your ad, not just those that happen to look up your information. Know how your advertising dollar is working for you. Not all papers mail. You could be paying the same or more for an ad that is only reaching the people who happen to pick a paper up at the store.

KAREN WILES
FOR SEBAGO

SELECT PERSON, ASSESSOR & OVERSEER OF THE POOR

Local Involvement: I have lived in Sebago for 25 years and both of my children attended SES, where I coached softball, soccer and T-ball. I helped start the Sebago Kids Growing Gardens at SES. As well as running the Box Tops for Education & Campbell's Labels programs for almost 20 years, expanding it to include ALL of the elementary schools in the district. I was the Fund-raising Chair for the PTO, Lake Region Band and helped collect prizes for Sebago Days.

Personal Life: I am a mother of two and live quietly with my son. I cared for my mother in my home in her final years. I enjoy gardening, crocheting and learning new things.

Understanding financial concerns: I live on a fixed income ... like a lot of you. I have had to apply for GA. I have had to collect bottles and cans from the side of the road to pay my electric bill. I understand that rising costs, taxes, and the challenges of managing household finances are top concerns for many families.

Sincerity: I am running for this position because I believe every resident deserves to be heard, respected, and represented. I will approach every decision with transparency, integrity and a willingness to listen.

Political Involvement: I got involved again after my taxes went up 24.8% in one year. I ran for and was elected to the Budget Committee 2 years ago. I have attended more Select Board meetings than some of the current members. I am also on the Beach Committee and the Comprehensive Plan Committee.

Goals:

- 1: Tightening the belt. Is it a WANT or a NEED?
- 2: Let's get out of court! And reduce lawyer fees.
- 3: Most importantly...Can the Town and taxpayers survive our decisions?

I WOULD APPRECIATE YOUR SUPPORT
JUNE 9TH AT SEBAGO TOWN HALL!

SEBAGO SELECTBOARD

PAID FOR BY THE CANDIDATE

Chad Pine for **Brownfield Selectman**

Why I am asking for your vote:

I'm proud to have called Brownfield my home for the past ten years. I believe in hard work, honesty, integrity, and giving back to our community. I believe people should be genuine in both their goals and actions, and I've tried to live by those values every day.

Community Service & Qualifications:

- Volunteered with Friends of Rec, a non-profit organization here in town to help raise money for the Brownfield Rec. Department.
- Proudly played Santa for the children and residents of Brownfield for the last 10 years.
- Assisted with local craft shows and community events.
- Serving on the Town Budget Committee
- Serving as an alternate on the School Budget Committee
- Served on the Truck Committee
- Proudly served on the Playground Committee, helping to bring a beautiful new playground to our town for local children and families to enjoy.
- Dedicated to supporting local families, veterans and community organizations.

Vote Chad Pine for Selectman
Our Town. Our Future.

JULY 25TH: Co-hosting **1ST Annual CORNHOLE TOURNAMENT & BBQ FOR VETERANS & their families**, at Brownfield Community Center alongside another local resident, with some proceeds to benefit the **DISABLED AMERICAN VETERANS Chapter** in Windham.

AUGUST 8TH: Hosting a Craft Fair in Fryeburg
benefitting **Brownfield Food Pantry**, helping support local families and neighbors in need.

My Commitment to Brownfield:

I care deeply about this town and the people who make it so special. I'm ready to continue serving this community with common sense, dedication, and respect. My goal is to make sure people are correctly informed with the right information to help Brownfield continue to move forward while preserving the values and character that make our town such a special place to live.

THE CORNISH UNITED CHURCH OF CHRIST
 37 MAIN STREET

The church has been a
 tourist attraction since 1843
 because of its beautiful steeple.

There have been many repairs
 made over the years.
 In 2019 we had a
 complete evaluation
 done by an engineer
 and received a 7-page
 report explaining what
 needed to be done, a complete restoration.

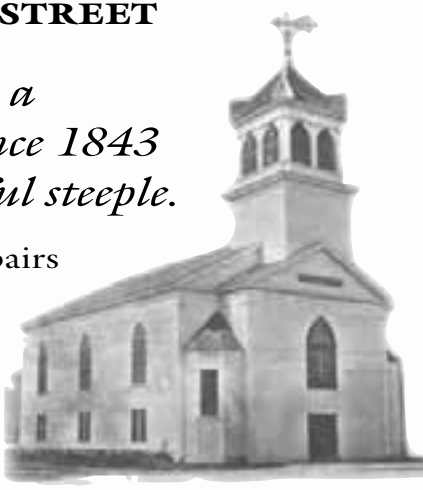

As you may have noticed, the steeple was brought
 down into our parking lot a few months ago, re-
 paired and put back up. Now we need to finish
 paying for it!

It was suggested that maybe if we could get just
 \$1.00 from each person willing to help, that figure
 would be amazing by itself. We will keep the Faith
 and see what the Good Lord allows us to receive.

If you wish to donate or would like
 more information, our address is:
Cornish United Church of Christ
 P.O. Box 235,
 Cornish, ME 04020

Please mark donation for *Church Steeple Fund*.

Dramatic tax increases pose a hardship. I endorse responsible spending through thoughtful budgeting, with tax increases equal to or less than cost of living increases. I am looking to serve this town, not earn a paycheck. I am about community, not politics.

YOUR VOTE MATTERS!!!

I would be honored to earn yours on Tuesday, June 9 • Polls open 8am-8pm.

STANDISH VOTERS

Elect **Robert McFerren** **STANDISH TOWN COUNCIL**

Standish Citizens:

My name is Robert McFerren and I am a candidate for Standish Town Council. I am a strong advocate for the future of Standish. I believe in using common sense and careful planning to determine how my decisions will impact the citizens now and in the future. I want you to keep more of your hard-earned money. We need to rein in town waste to keep your property taxes down.

Standish needs to protect our senior citizens and veterans ensuring they always have a safe, affordable home.

I bring a strong background in financial management, small business ownership, and local civic involvement. In my professional career I oversee a \$207 million dollar budget, demonstrating a high level of responsibility, accountability and strategic planning. As the owner and operator of a family run small business, I understand firsthand the challenges and opportunities facing local entrepreneurs. My commitment to the Standish community is further reflected in my recent service on the Standish Comprehensive Plan Committee

and Standish Budget Committee, where I contributed to shaping the towns long term vision and fiscal priorities. I also manage a local Facebook page dedicated to promoting small businesses and sharing community information that keeps residents informed and connected. I will always be a strong advocate for the future of Standish.

Thanks, Robert

It's Time for Standish to Rise and Shine!

Elect Brian Libby

STANDISH TOWN COUNCIL

I believe we need to make Standish a better place for the next generations. I want you to be able to keep more of your hard-earned money. I have always been hard working, just like you. As your next Standish Town Councilor, I will work hard to control and rein in unnecessary town spending to keep your property taxes stable, I will advocate and support all new and current Standish business. I have always supported our Fire, EMS, Town Staff and their employees, Standish needs to ensure safe and affordable housing for our aging Standish population and veterans. I am deeply committed to the well-being and prosperity of Standish and that's why I ask for your vote.

Brian

- ★ **Married with 1 daughter & 3 grandchildren**
- ★ **Long Term Community Volunteer**

Vote June 9th - Make Your Voice Heard!

PAID FOR BY THE STANDISH REPUBLICAN PARTY

✓ **VOTE PHIL POMERLEAU**

STANDISH PLANNING BOARD

- ✓ **SMALL BUSINESS OWNER IN STANDISH FOR OVER 40 YEARS**
- ✓ **CURRENTLY SERVING ON THE STANDISH TOWN COUNCIL**
- ✓ **COUNCIL CHAIR, STANDISH CAPITAL IMPROVEMENTS**
- ✓ **COUNCIL REP. FOR APPOINTMENTS COMMITTEE, ORDINANCE COMMITTEE AND ECONOMIC DEVELOPMENT COMMITTEE**
- ✓ **ADVOCATE FOR ALL SMALL BUSINESS OWNERS**

The Reason I am running for Standish Planning Board:

Currently, the town has too many ordinances and restrictions on your property. You pay the mortgage, the upkeep and property taxes. It's time that Standish homeowners have more control over what they can and can't do with their own property. Homeowners

should not have to jump through all the town restrictions and ordinances to add a shed or garage or start a small business. You can trust me to put Standish first by standing up for working families.

I WOULD APPRECIATE YOUR VOTE ON JUNE 9TH! *Phil*

Employment Opportunity

THE TOWN OF BROWNFIELD IS SEEKING A CERTIFIED CODE ENFORCEMENT OFFICER.

Certification must meet the requirements of 30-A M.R.S. §4451; however, the Town is willing to fund the required training for a qualified candidate. Responsibilities include ordinance enforcement, inspections, and supporting safe, compliant development under 30-A M.R.S. §4452, which governs local enforcement authority. Strong communication skills and attention to detail are essential. Pay will depend on experience.

Applicants must possess a valid driver's license. The Town of Brownfield conducts comprehensive background checks as part of the hiring process.

Part-Time Position: 12 hours, weekly
Applications must be submitted by June 5, 2026.
Interviews will be held on June 11, 2026, between 5:00 and 7:00 PM.

Applications are available at the Town Office (M-W 7:00 AM-4:30 PM, Thurs. 9:00 AM-7:00 PM) at 82 Main Street, or by emailing adminassistant@brownfieldmaine.gov.
