\$600,000 Donation from the Fields' Charitable Trust!

After graduating from SVHS, Isaiah Fields went to college and graduated from Hofstra Law School. He is currently the Chief Legal Officer at Axon Enterprise. Isaiah expressed that MSAD 55 gave him the tools to be successful in life, and that he would like to give back to help the next generation have more opportunities for success. We are extremely proud to announce that the Fields' Charitable Trust has graciously donated \$500,000 for scholarships and \$100,000 to improve our high school fitness facility. Recently, our Sacopec Valley High National Honor Society and Sacopec Valley High Student Council interviewed Mr. Fields.

Lily Kick - Can you describe your experiences after leaving SVHS?

I graduated SVHS in 1995 and went to Hofstra for an undergraduate degree and then straight to Hofstra Law School. My father died my second year of law school, so I took a one year leave of absence and lived in Cornish and worked at a local law firm. I also coached the SVHS Boys Track Team. I decided to finish law school as a visiting student at USM. I still wasn't sure where I wanted to take the bar exam, so I started working as a paralegal. In 2004, my wife and I decided to move to Arizona. We had a pick-up truck, clothing, and \$7,000. We didn't have jobs or a place to stay. She took the nursing boards, and I took the bar exam. She subsequently got her masters degree and is now a nurse practitioner. I did five years at the attorney general's office where I worked as a trial lawyer, and then decided to move to a private company called TASER (later renamed Axon). We went from a small company to the world's leading public safety technology provider. Beyond TASERs, we make body cameras, drones and software.

Emily Marion - What do you think are the most important qualities for achieving success?

Depends on the day you ask, but I think it would be getting comfortable with being uncomfortable. Every great thing that has happened to me, has happened by putting myself out there - feeling like I wanted to turn around and wanting to not do it. I was nervous, intimidated, feeling like I'm not good enough, others are better. I sometimes felt like an imposter. But every time I stuck with it and worked through being uncomfortable, it wasn't as bad as I thought it would be. And whether I was successful or not, I was better because of it. You will really be amazed how much you grow from those opportunities. Second to that, it is really important who you hitch your cart to. Spend time with people who make you better when you are around them. Find people that are equally as motivated as you are and have good character, and they will bring the best out in you.

Sarah Cox - If you could go back in time and do something differently, what would it be?

I think it would be to really enjoy the moment and not hurry to the next thing. I have lots of fond memories of SVHS and childhood, but I was always in a hurry to grow up, to graduate. I did myself a bit of disservice. I wish I had relaxed a little and enjoyed where I was in the moment.

Emily Reynolds - What are your best memories from Sacopec Valley High School?

I have great memories. I was a track athlete, and I have many great memories of afternoon practices in the spring, although maybe not the three mile runs. I enjoyed my teachers. Janet Harriman was one of my favorite teachers. I felt really fortunate about my education at SVHS. Obviously SVHS is out in the boonies a little bit, but the quality of teachers is exceptional and they really care. I have never in my life felt outmatched by anyone else. Being a lawyer is really competitive and I've competed with kids from private high schools and lawyers with Harvard Law degrees and I have always been well-prepared with my education from Sacopec Valley High School.

Dr. Carl Landry, Superintendent of Schools Thank you, Isaiah! You are at the highest level. I agree with you about the education at Sacopec Valley. We can all sometimes feel like we are imposters and we are not good enough, but I hope the students clearly heard that they can be anything they want to be coming from Sacopec Valley. We are so appreciative of you being here and your incredible generosity to MSAD 55.

Channel 8 Visits Sacopec Valley Elementary

On October 22nd, SVES welcomed Ms. Veronica Wisniewski from Channel 8 News. She arrived bright and early to broadcast the weather with our students, which was followed by a presentation for our third graders. Our students enjoyed learning about severe weather, got an inside look at the weather studio, and discovered how Ms. Veronica prepares and delivers her daily newscast. A big thank you goes to our PTC for providing coffee, hot chocolate, and

delicious pastries; our teachers and staff that started their day at 6:00 am or earlier; families and students for their enthusiasm; and special thanks to Kathi Doherty, third grade teacher, for arranging this truly memorable and educational experience!

National Honor Society Induction Ceremony

The National Honor Society Induction Ceremony was held on October 29th and 14 new members were inducted. President Lily Kick was master of ceremonies with help from returning members: Holden Conley, Josephine Connelly, Sarah Irish, Emily Reynolds, and Fifi Siraj. Each executive officer shared their experience with the four pillars of membership. Lily Kick spoke of the importance of leadership and motivating those around her to be their best. Emily Reynolds spoke about character being the foundation of who you are and she encouraged new inductees to stand up for what they believe in. Sarah Irish shared how being involved in community service projects helps grow community awareness and Josephine Connelly spoke about pushing yourself to improve academically even when you don't understand a concept. In addition, former Sacopec graduate and current SVHS English teacher, Ms. Hailey Capano, was the guest speaker. Congratulations to our new inductees Mirielle Bridges, Grayson Brown, Sarah Cox, Colleen Doyle, Ariana Gray, Finley Hendrick, Evelyn Howland, Ophelia Klausmeyer, Emily Marion, Ian McCarty, Alexis Muccio, Jordan Muise, Divinity Smith, and Cody Taylor.

OBITUARIES

OBITUARY

Youbell Youella Court Jackson

PULASKI, VA- Youbell Youella Court Jackson, 94, formerly of Windham, ME was called home to be with the Lord on November 2, 2025. She was born in Dover, NH on February 11, 1931, the daughter of Marie Aurora Lemay and Edward Jerome Court. She was raised by her paternal great grandmother, Mary Amelia Burt Jerome, after losing her mother at the age of 7. She spent a lot of time living on the farm, learning how to sew, make home cooked meals, gardening, preserving, and taking care of the animals. She had fond memories of her time on the farm. She shared many stories and sayings from her time there.

Youbell was very active in her community. She was a member of Standish Baptist Church where she taught Blue Berets and made uniforms for the students with her daughter, Dian. She had previously taught Sunday School at Steep Falls Baptist Church. When her children Bruce and Dian were younger, she was always active in PTA, Band Boosters, Portland Symphony Orchestra Organizer, and was a youth director at Word of Life Camp. She also sold Avon to most of the residents of Steep Falls and neighboring towns, walking the whole town gathering and delivering orders. She helped her first husband, T. Russell Smith at Smith's Texaco Station in Steep Falls, pumping gas and creating things to sell to customers for extra money.

As her children grew, she started working outside the home as a production manager for Hanold's Co. in Standish for over 15 years. When she remarried, she ran Sebago Lake Store & Lunch alongside her husband, John "Jack" Fulton. They had a daughter, Mary, and named Mary Beth Gift Shoppe after her that ran alongside the store. As Mary got older, Youbell then went to work for New Balance in Norridgewock, ME as plant manager in the cut and sew division. Here she met many people, travelled around the U.S., and created a lot of patterns for New Balance. When she decided to move back to Windham, she opened Youbell's Sewing Shoppe along with her daughter, Dian. They sewed, repaired, and manufactured items for individuals, regional police departments, and companies like L.L. Bean and Levinski's.

Youbell loved her family and enjoyed spending time with everyone. She was "Nana" to many people not just family members. She briefly owned a camp in Greenville, ME that she adored and had fond memories of renovating it with her son, Bruce. She wrote two children's books: one about her cat Troubles, and one about her childhood dog, Buddy.

She also loved to travel and over her many years she visited places like Alaska, California, Hawaii, Kentucky, Florida, South Carolina, and her most favorite place in the world, Prince Edward Island. She also loved making hats, mittens, baby items, and blankets and selling them at craft fairs. She was also well known for her wonderful cooking and baking abilities. Christmastime was always her favorite time, decorating, baking, listening to Christmas music, and hosting family and friends. These were the things she loved most.

She is survived by her daughters, Dian Glantz of Windham, ME and Mary Wimmer and her husband Tim, of Dublin, VA, a daughter in law, Sheila Hawkins Smith of Waterboro, two sisters, Paula Andrews and her husband Haven, of Kennebunk, ME and Barbara Hanning, of Limington, ME, 9 grandchildren, 18 great grandchildren, 7 great, great grandchildren, and many special nieces and nephews. She was predeceased by her parents, her sister Katherine Court Guthrie, her husband, Albert Jackson, her brother-in-law Howard C. Hanning, her son Bruce A. Smith, and son-in-law James A. Glantz.

There will be a funeral service in mid-December at Standish Baptist Church. Date to follow on Youbell's Facebook page.

In lieu of flowers, donations in her honor can be made to Standish Baptist Academy, 181 Ossipee Trail W., Standish, ME 04084.

OBITUARY

Karen Elizabeth White Smalley

PORTER - Karen Elizabeth White Smalley, 79, passed away peacefully on November 7, 2025, at Casco Village Assisted Living after a long battle with dementia.

Karen was born on September 16, 1946, in Winchester, Massachusetts, to Donald and Caroline (Atwood) White. She grew up in Reading, Massachusetts, and graduated from Reading High School.

She was married to the late Robert Smalley, Sr. and together they shared many wonderful years. Karen worked for over 30 years at New England Memorial Hospital in Stoneham, Massachusetts. After retiring, she followed her passion for helping others by attending school to become an EMT — a role she loved deeply. She proudly served with Sacopee Valley Rescue for many years.

Karen enjoyed painting, gardening, and spending time with her family, who were the light of her life. She was predeceased by her parents, Donald and Caroline White; her brother, David White; and her daughter, Christy Dow.

She is survived by her brother, Edward White, and his family; her daughter, Amanda Barker and her husband Robert Barker; her daughter, Rebecca Longpre and her husband Ryan Longpre; her son, Andrew Longpre and his significant other Lucia Coppola; and her daughter, Bethany and her husband Logan Nickerson — whom Karen lovingly called "Pickles." She also leaves behind her cherished great-grandchildren: Ryan Mitchell, Ryker Mitchell, Roman Mitchell, and Woodland Longpre.

A funeral service will be held on Monday, November 17, 2025, at 1:00 PM at Poitras, Neal & York Funeral Home, 71 Maple St., Cornish, followed by a graveside service in Porter at the Kezar Falls Burial Ground.

In lieu of flowers, memorial contributions may be made to Sacopee Valley Rescue in Karen's memory.

Dean made concrete work his life's career. He began with JB Concrete and later founded Trafford Concrete, a business his son proudly continues today. Through his craft and strong work ethic, Dean built and helped build many homes for his family. He had a sharp mathematical mind and took great pride in building of all kinds.

SACOPEE VALLEY HIGH SCHOOL PRESENTS

RADIUM GIRLS

D.W. Gregory

A fast moving play inspired by a true story from the 1920's, when radium was hailed as a miracle cure and luminous watch dials were a fashion craze; a dial painter has contracted a mysterious, devastating illness. Between her and justice stand her employer, her family and a willfully unseeing public.

What Our Customers Are Saying...

I highly recommend DIRFY Generators and Heat Pumps. If I had to rate them on a scale of 1 to 10, I would rate them a 10 without question. If I had to rate the individual phases (consultation thru installation), each phase would be a 10. The consultation was well explained with different options, which allowed me to easily make my choices. The installation was very organized and professional. The team was very polite, explained things to me, and was very neat. I didn't have to clean anything. And to the office staff, I can't say enough from the first phone call through the whole process.

I have discovered thru the process was the money that I would be adding to my monthly budget. We are retired and on a fixed income. We didn't have the funds available to proceed with this without their help. That helped us to be able install the heat pump system with no upfront money, which was a huge help to us. Not only that, but it also removed the need to pay for our propane to heat for our house. The cost difference was substantial. We actually save so much, that between the monthly finance payment, and the cost of the electric bill, we actually had more money for the month. We will be saving about \$110 a month (Over \$1300/yr). On a fixed income, that is substantial. It was almost like we were being paid \$1300/yr to put in the heat pumps. Again, a lot of money for fixed income.

And the best part, from the time we signed the contract to installation, less than a week. They had a good sized crew here.

We were so impressed, we decided to put in a Heat Pump hot water heater. Again, no money upfront. The savings after the finance payment and the power bill amounted to about \$97/mo (\$1164/yr). That was a total savings of about \$2500 a year for the heat pumps to heat and cool as well as the hot water heater. It was like getting paid \$2500 a year to install these. (p.s., I verified the figures from the Efficiency Maine website)

I am recommending to everyone I know to contact DIRFY Generators and Heat Pumps so that they can increase their spending money.

This company is awesome. No wonder they are number one in New England
