## THE UNITED CHURCH OF CHRIST

37 MAIN STREET, CORNISH, ME

*The church has been a tourist attraction since 1843 because of its beautiful steeple...*

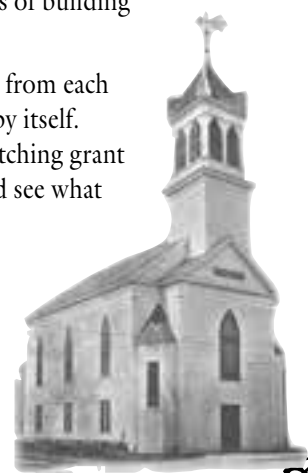

There have been many repairs made over the years. In 2019 we had a complete evaluation done by an engineer and received a 37 page report explaining what needs to be done, a complete restoration.

In November 2020 the estimated figure was \$153,000. We are going to make an effort to raise \$250,000 for our goal by September of 2022. The reason for setting this higher goal is because of the inflated prices of building materials since 2019. We know this will not be easy.

It was suggested that maybe if we could get just \$1.00 from each person willing to help, that figure would be amazing by itself. The first part of the goal is to get to \$60,000 for a matching grant from the State Grant fund. We will keep the Faith and see what the Good Lord allows us to receive.

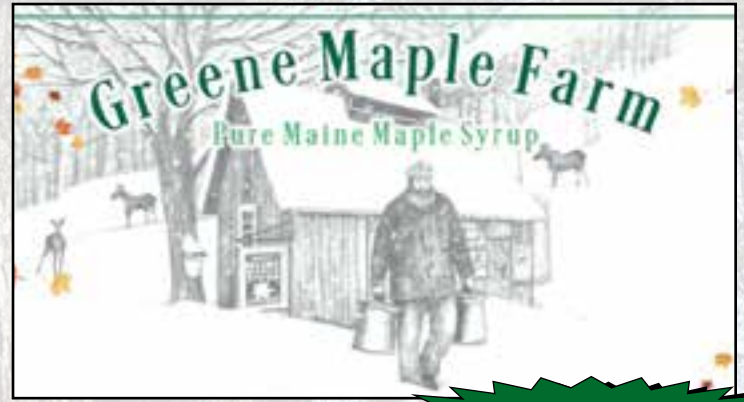

If you wish to donate or would like more information, our address is:  
Cornish United Church of Christ  
P.O. Box 235, Cornish, ME 04020  
Please mark donation for *Church Steeple Fund*.

OBITUARY

Margueritte Bernice  
Illsley Hayes

LIMERICK, MAINE - Margueritte B. Hayes, 94, a longtime resident of Limerick, died peacefully on March 16, 2023 at St. Andre Health Care Facility, Memory Care Unit, in Biddeford, Maine. Margueritte was born on September 9, 1928 in St. George Parish, Back Bay, New Brunswick to Jennie Leavitt Illsley and Carle L. Illsley.

She graduated from Limerick High School in 1947. On March 29, 1948, Margueritte married David I. Hayes and they were married for 71 years.

Margueritte was a dedicated wife, mother, wonderful cook/baker and dairy farmer. She was a hard worker and worked several different part time jobs in addition to taking care of her family and helping on the dairy farm. Her work included school bus driver and private duty CNA.

She was raised in the Limerick Congregational Church and spent most of her adult life participating in the Ladies Circle/Women's Fellowship, singing in the choir, teaching Sunday School and as a member of the Board of Deacons.

Margueritte was fortunate to travel to Puerto Rico for an Extension conference. While a member of the Extension she and Virginia Libby won several ribbons at Acton Fair for the Limerick Extension. She also took many trips with Maine Line Tours. Her favorite destination was Gettysburg.

Margueritte is survived by three daughters, Davelyn Hayes of Limerick, Holly Hayes Wyman and husband, Dean of Limerick, and Laura Hayes Stone and husband, Fred of Arundel. She is also survived by three beloved grandchildren, David Stone of Arundel and Jessica Stone Newton and husband, Adam of Fairfield; and her sister, Madeline Wagner of Auburn also survives her.

She was predeceased by the love of her life, her husband, David; a sister, Avis Spear; and her parents Jennie and Carle Illsley.

Margueritte's family wishes to express their gratitude to her caregivers at St. Andre and her hospice team, especially her case manager, Melissa, who have made her final days easier.

A Celebration Of Margueritte's life will be held on Saturday, April 1, 2023 at 1:00 p.m. at Bibber Memorial at Autumn Green, 47 Oak St., in Alfred, Maine. A private committal service will be held later in the spring.

Memorial donations may be made to the:

Limerick Public Library  
55 Washington Street  
Limerick, Maine 04048

Online condolences and memories may be shared at Margueritte's Book of Memories at [www.bibber-sautumngreen.com](http://www.bibber-sautumngreen.com)

## Pet Needs

**PET TIP!** Spring cleaning is a time-honored tradition in many households, but be sure to keep all cleaners and chemicals out of your pets' way! Almost all cleaning products, even all natural ones, contain chemicals that may be harmful to pets. The key to using them safely is to read and follow label directions for proper use and storage.

GET YOUR SMILE BACK!

 BEFORE

"After having the same denture for 50 years, the transition was amazing! The staff at Denture Solutions are Rock Stars! I am deeply, deeply grateful.

~ DJB, Buxton, Me

 AFTER

ARE YOU WEARING A TRUE PROSTHETIC OR  
ARE YOU WEARING A TRADITIONAL DENTURE?

☐ As a denture wearer have you developed deep puppet lines/jowls that make you look older than your years?

☐ Have you found that you are sometimes hesitating before you smile because there is something about your teeth that just doesn't look right?

☐ Are you choosing foods to eat based on the lack of stability of your current dentures?

☐ Do restrictions of the fit of your denture cause you to think twice before engaging in kissing or laughing?

☐ Is the fact that you have experienced breakage of teeth or of the base of your denture increasing your anxiety level?

☐ Are you absolutely dependent on the use of denture adhesive? If you answered YES to any of these questions you are probably wearing a traditional denture not a true prosthetic....WE CAN HELP!
