**Mary L. Stacey**

PARSONSFIELD - Mary L. Stacey, 94, of Parsonsfield, ME passed away on April 12, 2024, after a brief period of declining health. She was born on October 20, 1929 in Sanford, ME to the late Helen (Lander) and William Lewis. She was the youngest of three girls.

Mary grew up in Alfred, ME where she graduated from high school at the age of 16. She attended Gorham State College, and it was then that she met her future husband, L. Arnold Stacey. They were married on July 20, 1948 and made their home in Parsonsfield. She raised four children, Gary, Jimmy, Cindy, and Julie. She taught them charity, empathy, service to others, and to live a simple life not only in words but by deed.

Mary loved education. After raising her children, she returned to college and obtained her bachelor's in Special Education. She taught in the MSAD #55 school district for over 25 years.

After retirement, Mary pursued many loves. She joined a singing troupe and sang to nursing home residents songs of the war era. She loved water aerobics, knitting (making an afghan for each of her grandchildren), traveling, word puzzles, wall papering, gardening, and after her eyesight failed, she loved her books on tape. She enjoyed her Thursday outings with the ladies lunch group. But of all of her loves, she loved her family the best. You could always see her on the sidelines cheering on her grandchildren and great grandchildren at their sporting events. She was our biggest fan.

Mary was predeceased by her mother and father; two sisters, Shirley Allen and Roberta Goodwin; her husband, L. Arnold Stacey; and numerous relatives and friends.

She is survived by her children, Gary Stacey, Cynthia Stacey of Parsonsfield; James and wife, Kathy of West Baldwin; Julie Hall and husband, Dana of Center Ossipee, NH.

Mary will be sorely missed by her grandchildren, Jamie Stacey and his wife, Amanda, Ryan Stacey, Lauren Martin and her husband, Ryan, Jesse Hall and his wife, Michelle, Nathan Stacey and his wife, Amanda, Kati Glidden and her husband, Andrew, and Zachary Hall and his fiancé, Bridget. She was blessed with fourteen great grandchildren. She also leaves behind many beloved nieces and nephews.

Mary passes the torch to her sister-in-law, Joan Wansor as the last of this Stacey generation.

We will celebrate her life at the Riverside Methodist Church, 5 School Street, Porter, ME on May 1, 2024 at 11:00AM. Burial will be at the Kezar Falls Burial Ground. Online condolence messages can be submitted at the Poitras, Neal & York Funeral Home website, [www.maineFuneral.com](http://www.maineFuneral.com)

In lieu of flowers, please consider making a donation in her memory to the:

**Judith Allen Shivik**

FALMOUTH, ME - Judith "Judy" Allen Shivik (née Lord) passed away on April 17, 2024, in Falmouth, Maine, at the age of 79. The daughter of Harry and Margaret Lord, she was born on July 2, 1944, in Portland, Maine.

She was a graduate of the University of New Hampshire and continued her studies there obtaining a Masters in Education. While studying abroad in Germany, she developed a passion for language and travel, leading to a life-long career as a foreign language teacher and Foreign Language Department Head for the Newburyport, Massachusetts public school system.

Judy was devoted to her family and found joy in spending time with them at their property in Porter, Maine. She was actively involved in the Unitarian church community at the First Religious Society of Newburyport. A dedicated public servant, she spent many years on the school board in South Hampton, New Hampshire, where she had settled with her husband, Walter Shivik, after their marriage in 1969.

Her hobbies included gardening, reading, and cooking, especially making blueberry pies. She loved being in the company of other independent women and was a long term member of multiple book groups and a study class. Later in life, she became part of a new caring community in Bridgton, Maine and pursued a passion and talent for writing.

She is survived by her daughters, Jessica Shivik and Maida Shivik; sons-in-law, Brooke Hidell and Caelim Parkes; sister, Deborah McCleery; grandsons, Roan Parkes and Wyeth Parkes and partner, Peter Davis.

Judy was preceded in death by her husband, Walter F. Shivik; and her brother, John Lord.

The family would like to thank Legacy Memory Care of Falmouth, Maine and Compassus Hospice of Scarborough, Maine for their exceptional devotion to and care of Judy.

A celebration of life service will be held over the summer, with details to be announced. In lieu of flowers, donations can be made to:

*Hearts will break, we cry, we grieve  
 We die, we go but never leave  
 We linger in the lives of those we love  
 We're flesh and bone and beams of light  
 A body breaks, a soul takes flight  
 And faith is left to heal what tears can't touch  
 You're not gone, just out of sight  
 You're here with me, wherever you are tonight*

**Kenny,**

Another year has passed without you-12 years. Some days it feels like yesterday and other days it feels like forever without you. Our hearts will always be broken that you are not here living the life you so deserved. I know you are not alone whenever you are and that brings comfort to know you are smiling, telling jokes, and laughing once again. As time passes we miss you more instead of less. We love you with every minute that passes.

The Baldwin Select Board will hold a Special Town Meeting at the Community Center to vote on the following article:

**To see if the town will vote to approve the amendment to the Town of Baldwin Municipal Employees Personnel Ordinance.**

*The Select Board recommends approval of this article.*

The current ordinance was adopted 31 August 2017. There have been several deficiencies identified in the current ordinance and new State laws governing municipal employees have become effective in the last couple years. Together these issues dictate a need for an update to the Ordinance.

The draft update was presented at a public hearing on 26 March 2024.

The comments received at the hearing have been incorporated into the new ordinance to be voted 7 May 2024.

The Budget Committee recommends a YES vote.**

**Financial Statement:** The following financial statement applies to Questions 1, 2, 3, and 4 above. The issuing of bonds by the Town of Standish is one of the ways in which the Town borrows money for certain purposes. The following is a summary of the bonded indebtedness of the Town of Standish as of the date of this referendum:

Bonds now Outstanding and Unpaid:	\$ 9,312,785
Estimated Interest to be paid on Outstanding Bonds:	\$ 1,087,246
Total Principal and Interest to be repaid on Bonds Outstanding:	<u>\$ 10,400,031</u>
 Additional Principal Amount of Bonds Authorized but not yet issued:	 \$ 0
 Total additional Bonds to be issued if approved by the voters:	
Question 1: Public Safety Capital Expenditures	\$ 975,000.00
Question 2: General Administration Capital Expenditures	\$ 150,000.00
Question 3: Public Works Capital Expenditures	\$ 595,000.00
Question 4: Highway and Road Capital Expenditures	\$ 1,280,599.00
 Total Principal Amount of New Bonds to be Issued if approved:	 \$ 3,000,599.00
Estimate of potential new interest on such additional principal of bonds:	\$ 456,845.84
Total additional principal and estimated interest to be repaid if approved by the voters:	<u>\$ 3,457,444.84</u>

When money is borrowed by issuing bonds, the Town must repay not only the principal amount of the bonds but also interest on the bonds. The amount of interest to be paid will vary depending upon the rate of interest and the years to maturity at the time of issue. The validity of the bonds and of the voters' ratification of the bonds may not be affected by any errors on the estimates made of the costs involved, including varying interest rates, the estimated cost of interest on the bond amount to be issued and the total cost of principal and interest to be paid at maturity. If the actual amount of the total debt service for the bond issues varies from the estimate, the ratification by the electors is nevertheless conclusive and the validity of the bond issue is not affected by reason of the variance.

## GET YOUR SMILE BACK!

*"After having the same denture for 50 years, the transition was amazing! The staff at Denture Solutions are Rock Stars! I am deeply, deeply grateful."*

~ DJB, Buxton, Me

BEFORE
AFTER

**ARE YOU WEARING A TRUE PROSTHETIC OR ARE YOU WEARING A TRADITIONAL DENTURE?**

- As a denture wearer have you developed deep puppet lines/jowls that make you look older than your years?
- Have you found that you are sometimes hesitating before you smile because there is something about your teeth that just doesn't look right?
- Are you choosing foods to eat based on the lack of stability of your current dentures?
- Do restrictions of the fit of your denture cause you to think twice before engaging in kissing or laughing?
- Is the fact that you have experienced breakage of teeth or of the base of your denture increasing your anxiety level?
- Are you absolutely dependent on the use of denture adhesive? If you answered YES to any of these questions you are probably wearing a traditional denture not a true prosthetic....WE CAN HELP!
