BOOK DISCUSSION

Pilgrim at Tinker Creek

Friday, February 27, 6:00 p.m.
RIVERSIDE UM CHURCH
 5 SCHOOL STREET, PORTER

A Pulitzer prize winning classic, exploring nature, spirituality, and our place in the world. Read the book. Join us for a discussion.

"An exhilarating meditation on nature and its seasons - a personal narrative highlighting one year's exploration on foot in the author's own neighborhood"
 Goodreads

"If we were to judge nature by its common sense or likelihood, we wouldn't believe the world existed. In nature, improbabilities are the one stock in trade. The whole creation is one lunatic fringe...No claims of any and all revelations could be so far-fetched as a single giraffe." Dillard, Pilgrim at Tinker Creek

What people are saying about Solsource's i3

"We were looking to take our very cumbersome paper system for collecting data and streamline it into an electronic database. **Our goal was a system that would do away with the need for manual calculations and provide us with real time information regarding the children's progress.** What we got far exceeded our expectations and meeting goals we hadn't yet considered.
Solsource listened! They made suggestions, took our feedback, & provided training. Solsource meets all our technology needs. The database continues to evolve it's been six years, and we have never looked back."
