SACO RIVER CORRIDOR COMMISSION PUBLIC HEARING NOTICE

The Saco River Corridor Commission, under the authority of 38 M.R.S.A. §951 et. seq., will hold a public hearing beginning at 7:00 PM on May 27th, 2026, at the Porter Town Hall, 71 Main Street in Porter, Maine. The subject of the hearing is a Hardship Variance request from **George Stewart** for relief of the following standards on property at 4 Maple St. (Map U08, Lot 21) in Hiram, Maine (summarized): 38 M.R.S.A., §962., regarding setback requirements for buildings from the river and from buildings on adjacent lots, and the placement of structures within the floodplain; 94-412 Chapter 103(2)(H)(1)(b), regarding the amount of non-vegetated cover on a lot; 94-412 Chapter 107(3)(B, F, and G), including that new proposed structures will not increase the nonconformity of standards, that such structures will not cause nonvegetated surfaces to exceed 20% in the shoreland zone, and that building expansions must be made an integral part of the primary residential structure; and 94-412 Chapter 108(2)(C), that parking areas must be 100 feet from the river.

Information regarding this application and the full text of the standards summarized above is available at the Commission Office (207-625-8123 or srcc@srcc-maine.org), located at 81 Maple Street in Cornish, Maine.

To be considered by the Commission, any written comments must be received in the Commission's office no later than 5:00 PM on May 26th, 2026. Oral testimony will be taken at the public hearing.

OBITUARY

Cynthia Elaine Allen

WESTBROOK - Cynthia Elaine (Gounaris) Allen passed away on March 28, 2026. Cynthia was born on July 13, 1946 in Haverhill, Massachusetts to Rose (Capetanelis) Gounaris and George Daniel Gounaris. Cynthia was the oldest of three children. Cynthia and her brothers Daniel George and John Stanley Gounaris grew up in a loving household in Haverhill surrounded by her big Greek family.

Cynthia graduated from the University of Massachusetts Amherst with a degree in education in 1968. She then moved to Boston and worked at State Street Bank. She met Kenneth Charles Allen there. In 1977, Cynthia and Ken were married, and together they made their home in Sebago, Maine.

Cynthia devoted her life to teaching special education, a calling she approached with deep compassion and dedication. She and Ken also opened their hearts and home to Marjorie (Jacobs) Salazar, whom they lovingly fostered.

Cynthia and Ken shared a love of travel and music, and they always had a Siberian Husky as part of their family. Cynthia had a deep appreciation for culture and community—she enjoyed reading, attending Native American events, and leading her students in the Special Olympics.

Cynthia and Ken loved entertaining on Allen Road in Sebago, Maine in the beautiful mountains. They had many wonderful family and friends' gatherings there, including the Capetanelis/Gounaris family cookoffs.

Cynthia was preceded in death by her beloved husband, Ken Allen; Marjorie (Jacobs) Salazar; her granddaughter, Kendra Salazar; her brother, John Gounaris; her goddaughter Demetria Barakitis and her parents, Rose and George Gounaris.

She is survived by her mother's cousin, Theodora (Lola) (Capetanelis) Kalivas; also her brother Daniel Gounaris and his wife Marilyn (Roberts) Gounaris; her sister-in-law Helen "Besty" (Morgan) Gounaris; her nieces Rebecca Gounaris, Nikki Gounaris, Lynn Jordan, Tracy Collins and her nephew George Gounaris; and many cousins and great nieces and nephews. She also leaves behind goddaughters Anastasia and Tracy Collins, and dear friends Ginny Smith of Exeter, NH, Goody MacPherson of Windham, Maine and Paul and Sibylle DeBonis of Sebago, Maine, and a large and loving extended family.

Donations in Cynthia's name can be made to The Opportunity Alliance - East End Center 215 Congress St, Portland, ME 04101 (207)553-5950 or at <https://www.opportunityalliance.org/ways-to-give>

A service to celebrate Cynthia's life will be held on Sunday, July 26, 2026 from 3 PM - 5 PM at Poitras, Neal & York Funeral Home, 71 Maple Street in Cornish Maine. Following the services, interment will be at Allen Road, Sebago, Maine.

OBITUARY

Dorothy 'Dot' McGlincey

HOLLIS - Dorothy "Dot" McGlincey, 94, of Hollis, died peacefully on April 2, 2026, at Mercy Hospital in Portland.

Dorothy was born on September 25, 1931, to Cleveland and Arline (Brown) Parker in Ellsworth, Maine. She grew up in the Ellsworth, Franklin, and Lamoine communities. She graduated from Hudson High School in Hudson, MA. She later moved back to Maine with her first husband, Leroy Seaman, and their three children. Together, they purchased and ran the West Newfield General store, which also housed the local Post Office. It was at this time that her interest in working for the USPS began. Dorothy worked for the United States Postal Service for 19 years and retired as Postmaster in West Newfield in 1996.

She had a passion for creating wood crafts with her jigsaw and bringing them to life with her talented painting skills. Dorothy also enjoyed knitting, crocheting, and solving jigsaw puzzles.

Other sources of joy were yearly vacations with her young family to Emery's Cottages in Bar Harbor and visits to the family camp on Ayers Lake in New Hampshire, every Sunday night at 6:00 pm when she would get a phone call from her daughter, family gatherings with visits from the grandchildren and sitting on her porch on a sunny summer day with her cat, Twinkle Toes.

Dorothy was a member of the Newfield Historical Society as well as a faithful member of the West Newfield Congregational Church and looked forward to getting together with the ladies of the Women's Fellowship.

Dorothy was preceded in death by her first husband, Leroy Seaman, their grandson, Jonathan, her half-brother, Albert O'Leary, and, later, by her second husband, William McGlincey, two stepsons, John and William, and a grandson, William. She is survived by her children, Michael (Susan) Seaman of West Newfield, Linda (James) Parent of LaGrange, and Gerald "Jerry" (Elaine) Seaman of Hollis. Also surviving are her stepchildren, Richard McGlincey of West Newfield, Robert McGlincey of West Newfield, Joanne Bond of West Newfield, and Ann (Greg) Cuffey of Gorham.

Dorothy is also survived by her grandchildren, Michael Seaman, Elizabeth Walbridge, Jason Parent, Justin Parent, Linda Applebee, Toni Parker, Greg Dumont, Jeff Dumont, and her step grandchildren, Catherine Stevens, Christopher McGlincey, Deborah Littlefield, Brian McGlincey, Martin Sanborn, Mark Sanborn, Glenda Tripp, Ashley Cook, Daniel McGlincey, Sherry Goodwin, Robert McGlincey Jr. and Mallory Lemieux; 49 great-grandchildren, 24 great-great-grandchildren, and 4 great-great-great-grandchildren.

Graveside services will be held on Saturday, May 23, 2:00pm at Maplewood Cemetery in Parsonsfield, ME.

To share a memory or leave a message of condolence, please visit Dorothy's Book of Memories Page at www.bibbersautumnngreen.com.

Arrangements are in care of Bibber Memorial at Autumn Green, 47 Oak Street, Alfred, ME 04002.

OBITUARY

Normand "Norm" C. Turgeon, Jr.

LIMINGTON - Normand "NORM" C. Turgeon Jr. passed away on April 11th, 2026, at his home surrounded by his loving family.

He was born in Biddeford, Maine on November 15, 1954, to Normand Charles Turgeon Sr. and Rosalie Elise (Picher) Turgeon.

After graduating from Thornton Academy in 1972, Norm joined the United States Navy from 1972-1978 serving as a Radioman. From 1983 - 1989 he was part of the Seabees; Ready Reserves where he worked with heavy construction equipment in Gitmo, Cuba while closely alongside the Marines.

Norm married his wife of 18 years, Darleen (Servin) Turgeon on August 4th, 2007. They enjoyed most of his hobbies together like fishing, riding his Harley, jam sessions, going to Bluesfest and Louden races.

After his years of service in the military, Norm was employed by AJ Cole as a mechanic working his way up to shop supervisor. Other employment included Atlantic Great Dane, Reynolds Sport center, and American Motorcycle. Norm later worked at Cabala's in the gun department, then transferred to the gun library. After retirement he worked at Steep Falls Building Supply and NAPA in Kezar Falls.

After being in a serious motorcycle accident in the 1990's, Norm's interest changed to computers. He began working at Southern Maine Community College as a Professor of Computer Science. While there he earned a Bachelor of Science in Applied Technical Education from University of Southern Maine in 2006. He was recognized and became a member of the "Golden Key International Honour Society" and was honored during an induction ceremony at the University of Southern Maine in 2006.

He was a certified Hunter Safety Instructor, Range Safety officer, and NRA Certified Instructor for firearm safety. He was a member of the Buxton Hollis Rod and Gun Club where he also served as an instructor.

Norm enjoyed doing research. He was extremely mechanically inclined and wanted to know how everything worked. Norm knew how to fix anything! If he didn't know from past experience, he would find out from research. Throughout his life, he was always seeking to expand his knowledge on past and current events. He enjoyed listening to Glenn Beck and other talk shows that kept him up to date on what's happening around the world. He enjoyed watching religious and historical documentaries, programs and movies. He loved his family, his pets, listening to music (especially the blues) and attended "Bluesfest" every year in Naples, spending time in his garage, fishing, riding his Harley, shooting at the range, playing music with friends having jam sessions, and camping at Louden during September races.

Norm was a true friend you could always depend on and could take him at his word. He was a devout Christian, deacon, played guitar, banjitar and occasionally sang with the worship team at Living Stone Community Church.

He is predeceased by his parents Norm and Rosalie Turgeon, Stepson Peter J. Morey and Grandchildren Dylan and Leah.

Norm is survived by his beloved wife Darleen, his Daughter Larissa Chalou and her husband Troy, and stepson Bill Morey and his wife Kristen. Siblings Charles Turgeon and his wife Diane, Martha Whitmore and her husband Mark, Peter Turgeon and his wife Karen. His nieces and nephews Jennifer, Jeffrey, Mark, Kyle, and Cameron. His Grandchildren Jamie, Brittany and Elise. And his 8 Great Grandchildren MaKayla, Riley, Jaxson, Layla, Willow, Dylan, Tristan and Ava.

The date for Norm's funeral service will be listed in the Shoppers Guide and on Facebook at a later date. In Lieu of flowers, please consider a donation to the Collegiate Ministry, Attn: Marilyn McClendon, 14 Everett Court, Westbrook, ME 04092.

2 Timothy 4:7-8 - *I have fought the good fight, I have finished the race, I have kept the faith. Now there is in store for me the crown of righteousness, which the Lord, the righteous Judge, will award to me on that day—and not only to me, but also to all who have longed for his appearing.*

OBITUARIES

OBITUARY

Philip Merville Burnell

STEEP FALLS - Philip Merville Burnell of Steep Falls, Maine, passed away at his home on May 4, 2026, at 2:05 pm.

Philip was born in Steep Falls, Maine in 1931. He was one of three sons of William and Mary Burnell, also of Steep Falls.

He attended Steep Falls Elementary school and went on to graduate from the Standish High School in 1949. He enlisted in the U.S. Navy and served from 1949 and was honorably discharged in 1953. He was part of the European Occupational Forces and spent 9 months in the Mediterranean Sea area.

On June 2, he married Janet D. Willard of Gorham, Maine. They resided in Newport, Rhode Island until Philip went overseas. After discharge, they lived in Gorham until 1959 when they moved to Steep Falls and settled on a spot fondly referred to as Hardship Acres. They were together for over 75 years.

He was employed by Central Maine Power Company for 37 years, retiring in 1990. He was a member of the Kenison Hooper Post #128, American Legion, Standish Memorial Post #128 American Legion, Master of Standish Masonic Lodge #70 and Master of Presumpscot Masonic Lodge #70, member of Harmony Masonic Lodge #38 of Gorham, Active senior Citizens of Standish, trustee and corporate board member of the E.A. Center Memorial Medical Building in Steep Falls, past President of the Steep Falls Library Association, former member of the Steep Falls Baptist Church and current member of the South Limington Free Baptist Church and life member of Standish Fire Department. He enjoyed hunting and fishing with his dad and brothers.

He is survived by his wife, Janet and three children, Dennis and his wife Lynn and their two sons, Joshua and Daniel; a daughter, Mary Lynn and her husband, James Hulit, and their two daughters, Crystal and Amanda; a daughter, Cynthia and her husband Arthur Conner and their two children, Stephanie and Benjamin. Also, three great grandsons, Max, Conner and Cameron. Phil's family was his pride and joy, and he loved them without condition.

Philip was predeceased by his parents and brothers, Paul and Weston.

Visitation will be held on Saturday May 16th from 3 - 4 PM, followed by a 4 PM service at the Poitras, Neal & York Funeral Home, 71 Maple St., Cornish. Pastor Will Rankin will officiate. Burial will be private for immediate family at Steep Falls Cemetery.

Online condolence messages can be submitted at www.maineFuneral.com

In lieu of flowers, donations can be made in his name to South Limington Free Baptist Church, P.O. Box 128, Limington, ME 04049

OBITUARY

Wayne Russell Shaw

ZEPHYRHILLS, FLORIDA - Wayne Russell Shaw, age 74, passed away in Zephyrhills, Florida, from complications from his 8-year battle with lung cancer on Friday, May 8, 2026, surrounded by his loving family. Wayne was born on July 28, 1951, to Warren Russell Shaw and Evelyn Irene (Harmon) Shaw in Westbrook, Maine.

Wayne met the love of his life in high school, Alana Gail Huff, and they married on October 1, 1971. Throughout their almost 54 years together, they have lived in Standish, Baldwin, and their final retirement home in Zephyrhills, Florida. He and Alana would come home in the summers to live with their daughter and son-in-law in Cornish, Maine. After Alana's passing in September of 2025, he continued to stay in Zephyrhills and was booked to come back to Maine for the summer on the day of his passing.

Wayne joined the Marines out of high school in December of 1968 and was stationed in Camp Lejeune, North Carolina. After the Marines, Wayne entered the workforce at GTE Sylvania, where he met many people and stayed in contact with them. He worked there for 28 years. He decided he needed a change and went to work for H.P. Hood in maintenance. After being at H.P. Hood for a couple of years, Wayne decided he needed one more change and found his favorite job at the Gorham School Department in maintenance. He was able to mow the lawns and take care of outside maintenance, a passion of his. He stayed there for many years and retired at 62 years old.

Wayne was a loving husband, father, grandfather, and great-grandfather. His family meant the world to him. Wayne was an avid outdoorsman. He loved ice fishing the most, but also enjoyed hunting, open water fishing, camping, four-wheeling, and snowmobiling over the years. He always loved making sure his lawn and flowers were taken care of, and continued that at his daughter's house. He enjoyed holidays and spending time with his family, and mostly the good food that comes with each holiday. If you knew him at all, you know he loved all seafood, but most of all lobster. He would also never pass up a good steak or hamburger and was looking forward to getting all of those things when he came back to Maine. He enjoyed spending Memorial Day and Labor Day with his cousin, Denny Jordan and his wife, Gail, over the years.

Nascar was a passion of his, along with short track racing in New England, specifically at Beech Ridge Motor Speedway. He enjoyed watching his granddaughter, Nette, race her car all over New England. Wayne also loved watching his grandchildren play high school sports: soccer, football, basketball, baseball, and softball.

He had many great family members and friends that he kept in contact with over the years, and was so looking forward to seeing them all when he arrived back in Maine. Most of all, he loved spending time with his wife, never leaving each other's side until her passing. Wayne is predeceased by his wife, Alana; his mother, Evelyn; his in-laws, Albert and Daphne Huff; his brothers-in-law, Fred Lambert and Allen Bradeen; his great niece, Nicole Amber Tripp; and his nephew, John Huff.

Wayne is survived by his father, Warren Shaw (102 years old) of Standish, his daughters, Wendy Humphrey and her husband, Richard, of Cornish, Maine, and Julie Reynolds and her husband, Timothy, of Ocala, Florida. He has five grandchildren: Alexa Jordan and her husband, Jake, of Ocala, Florida; Annette "Nette" Milne and her husband, Ian, of Cornish, Maine; Luke Reynolds and his wife, Taina, of Waukegan, Illinois; Mason Humphrey of Cornish, Maine; and Kody Reynolds and his fiancée, Mya Jinorio, of Ocala, Florida. He is survived by four great-granddaughters, Harper, Izabelle, and Adaline Jordan, and Estelle Reynolds. He is survived by his four sisters and one brother: Gloria Jean Bradeen of Gorham; Deborah Lambert and partner, James Adams, of Hebron; Janet Lampron and her husband, Matthew David, of Standish; Warren "Rusty" Shaw Jr. and partner Nichole Monty, of Standish; and Dawn Adams and her husband, Norman, of Standish. His brothers and sisters-in-law are Darlene and Larry Roberge, Richard and Sheri Huff, Albert and Robin Huff Jr., Susan Huff, and Toby and Judith Huff. Wayne has aunts, uncles, cousins, nieces, nephews, long-time friends, and friends from Betmar who will all miss him.

A Celebration of Life for Wayne and Alana will be on Sunday, May 31st, at 12:00-3:00 at 113 Harolds Way, Cornish, Maine. There will be a private burial.

For Fred Morrill:

Goodbye Soldier Boy.

There's a new star shining in the heavens tonight
It's a candle lit by the hand of God
It's a light shining bright
For a soldier boy tonight
Who gave his life for us on foreign soil.

Goodbye dear soldier boy, goodbye
We all try so hard not to cry
But when the other boys return
For you our hearts will yearn
Because today we said our last goodbye.

You were just twenty the day you went away
To do your part to keep our country free.
How you hugged me and cried
When you said Goodbye to me.
How I hated to see you go away

Town of Standish

ELECTION DAY IS ON

Question 1. To see if the Town will vote to authorize the issuance of general obligation bonds and/or bond anticipation notes in the aggregate principal amount of up to \$378,000 for the purpose of financing the following capital expenditures for the Town's Public Safety Department: 1.) Unit 2 chief vehicle replacement, 2.) a traffic control vehicle, 3.) cardiac monitors, 4.) dry hydrant replacement, 5.) boat launch upgrades, 6.) ten (10) AED devices, and 7.) a ¾ ton vehicle with plow, all as set forth in the Council's proposed capital projects budget for the 2026-2027 Fiscal Year, with the dates, maturities, denominations, interest rate(s) and other details of such borrowing to be determined by the Municipal Officers, and to see if the Town will vote to appropriate the proceeds of said bonds or bond anticipation notes for the foregoing projects, plus an amount necessary to refund the interest payments on any bond anticipation notes issued for said purpose and any costs of issuance of the bonds and/or bond anticipation notes.

(Note: These capital expenditures will be financed from a portion of the proceeds of general obligation bonds to be issued in a total principal amount of up to \$3,455,909. Total estimated debt service is \$3,802,555.71, of which principal is \$3,455,909 and estimated interest at variable interest rates between 2.89% to 3.45% over 10 years is \$346,646.71)

The Public Safety Department is seeking approval for capital expenditures.

1. We are looking to replace Unit 2 – (Fire Chief's Command Vehicle) with a pick-up truck. This will allow the chief to carry our command and other response equipment safely as well as giving us the ability to have another vehicle to tow some of our trailered equipment (Boat, ATV, Light Tower) as needed. The chief's current vehicle will be repurposed to the code enforcement department for their needs.
2. Traffic 8 control vehicle replacement - Currently we are using 2010 repurposed 2-wheel drive cargo van. This vehicle is used to carry traffic control equipment that needs to be quickly deployed to set up detours and lane closures to create safe work zones at emergency scenes. We are looking to replace this vehicle with a used 4-wheel drive van with a work body style to allow for the safe transport and deployment of our traffic control devices.
3. Cardiac Monitors – We are working on getting onto a 3-year cycle with our cardiac monitors. The plan is to purchase 1 monitor every 3 years. We currently have 3 monitors so with this plan, they will be updated accordingly.
4. Dry Hydrants – This is for the installation of dry hydrants in areas of the town that do not have pressurized hydrants. They are typically installed near large brooks, lakes and ponds, that give us a water source in those areas to draft water for fires.
5. Boat Launch Upgrades – This is to make the boat launch ADA compliant by making a safe travel area for pedestrians and wheelchairs from the upper parking area to the lower launch area. It is suggested to do this as it will give the town the ability to qualify for more grant funding.
6. Automatic External Defibrillators (AEDs) This is to replace the 10 AEDs that are on the apparatus and support vehicles. These units are currently 12 years old and are due for replacement.
7. ¾ Ton Pick-Up with a plow package- This vehicle will be replacing the current pick-up truck at Central Station. This vehicle is to assist during snowstorms with timely patient access during a medical emergency, scene access during fires and storms, and assist the crews after storms to clear out the nearly 200 fire hydrants that need to be shoveled out. It is also used to tow our trailered equipment, emergency scene clean-up (ie. hose, tools, haz-mat equipment, etc.), and other items that are needed for the department.

Question 2. To see if the Town will vote to authorize the issuance of general obligation bonds and/or bond anticipation notes in the aggregate principal amount of up to \$105,000 for the purpose of financing the following capital expenditures for Town General Administration: 1.) technology server replacement and 2.) exterior maintenance at the Town Hall, as set forth in the Council's proposed capital projects budget for the 2026-2027 Fiscal Year, with the dates, maturities, denominations, interest rate(s) and other details of such borrowing to be determined by the Municipal Officers, and to see if the Town will vote to appropriate the proceeds of said bonds or bond anticipation notes for the foregoing projects, plus an amount necessary to refund the interest payments on any bond anticipation notes issued for said purpose and any costs of issuance of the bonds and/or bond anticipation notes.

(Note: These capital expenditures will be financed from a portion of the proceeds of general obligation bonds to be issued in a total principal amount of up to \$3,455,909. Total estimated debt service is \$3,802,555.71, of which principal is \$3,455,909 and estimated interest at variable interest rates between 2.89% to 3.45% over 10 years is \$346,646.71)

- 1.) The town currently has a piece of equipment called a DATTO server. The DATTO is our main backup. It backs up the files on the file server offsite every 1 hour and can act as the main file server in case of an emergency to keep the town's files accessible. It has come to the end of its useful life. It is imperative that it be replaced to ensure all the town's files are securely backed up in case of a catastrophic event.
- 2.) The Town Hall requires attention to exterior maintenance needs. Areas of the exterior paint are chipping and deteriorating, leaving surfaces exposed to weather-related damage and accelerating structural wear. Additionally, the gutter system is failing in multiple sections, resulting in improper drainage that may lead to water intrusion, foundation issues, and long-term damage if not addressed. Exterior doors have also shown signs of degradation, including compromised sealing and functionality, which impacts both security and energy efficiency. These issues, while manageable if not addressed promptly, will continue to worsen over time maintaining and increase repair costs if delayed.

As Town Hall is a key public facility, its exterior integrity is essential to ensure continued operational effectiveness and to uphold a positive public image.

Question 3. To see if the Town will vote to authorize the issuance of general obligation bonds and/or bond anticipation notes in the aggregate principal amount of up to \$38,000 for the purpose of financing a capital expenditure for the Town's Parks and Recreation Department: 1.) Mill Street parking and bus parking, as set forth in the Council's proposed capital projects budget for the 2026-2027 Fiscal Year, with the dates, maturities, denominations, interest rate(s) and other details of such borrowing to be determined by the Municipal Officers, and to see if the Town will vote to appropriate the proceeds of said bonds or bond anticipation notes for the foregoing projects, plus an amount necessary to refund the interest payments on any bond anticipation notes issued for said purpose and any costs of issuance of the bonds and/or bond anticipation notes.

(Note: These capital expenditures will be financed from a portion of the proceeds of general obligation bonds to be issued in a total principal amount of up to \$3,455,909. Total estimated debt service is \$3,802,555.71, of which principal is \$3,455,909 and estimated interest at variable interest rates between 2.89% to 3.45% over 10 years is \$346,646.71)

- 1.) The Parks & Recreation Department is requesting funds for the paving of Mill Street Park parking lot and the Parks & Recreation storage building located at town hall. Paving Mill Street parking lot will help reduce tripping hazards caused by potholes, ruts, mud, uneven gravel and provide safer walking surfaces for children, seniors, and improve ADA accessibility. The Parks & Recreation storage building paving would help with employee safety eliminating uneven gravel, mud, and potholes that will reduce the risk of slips, trips, and falls. The recreation buses and equipment also are currently parked in dirt adjacent to the parks building - increasing the risk of moisture, resulting in rust and corrosion on the undercarriage of the vehicle. This would help extend the lifespan of town vehicles and assist in reducing repair costs.

POLLS OPEN FROM 6:00 AM TO 8:00 PM

Voting will be held in the Fire Department Bays: 175 Northeast Road, Standish, Maine

REFERENDUM VOTE

TUESDAY, JUNE 9, 2026 ★ ★ ★

Question 4. To see if the Town will vote to authorize the issuance of general obligation bonds and/or bond anticipation notes in the aggregate principal amount of up to \$315,000 for the purpose of financing a capital expenditure for the Town's Public Works Department:
 1.) Truck 3 with plow gear, all as set forth in the Council's proposed capital projects budget for the 2026-2027 Fiscal Year, with the dates, maturities, denominations, interest rate(s) and other details of such borrowing to be determined by the Municipal Officers, and to see if the Town will vote to appropriate the proceeds of said bonds or bond anticipation notes for the foregoing projects, plus an amount necessary to refund the interest payments on any bond anticipation notes issued for said purpose and any costs of issuance of the bonds and/or bond anticipation notes.

(Note: These capital expenditures will be financed from a portion of the proceeds of general obligation bonds to be issued in a total principal amount of up to \$3,455,909. Total estimated debt service is \$3,802,555.71, of which principal is \$3,455,909 and estimated interest at variable interest rates between 2.89% to 3.45% over 10 years is \$346,646.71)

1.) The Public Works Department is asking to acquire a new single axle Plow/Sand Truck to replace a 2011 International Single Axle Plow/Sander Truck that covers the Northeast Road area plow route. The current truck has reached its life cycle end (15 years projected) for the town showing significant rust and having mechanical issues. The truck had many breakdowns during this plow season requiring time consuming repairs. The Town's Capital Plan calls for its replacement.

Question 5. To see if the Town will vote to authorize the issuance of general obligation bonds and/or bond anticipation notes in the aggregate principal amount of up to \$1,142,293 for the purpose of financing capital expenditures for pavement maintenance to the following Town roads: Bonny Eagle Road, Corey Lane, Liza Lane, Spear Road, Sunrise Street, Sunrise Street-I, and Whites Bridge Road, all as set forth in the Council's proposed capital projects budget for the 2026-2027 Fiscal Year, with the dates, maturities, denominations, interest rate(s) and other details of such borrowing to be determined by the Municipal Officers, and to see if the Town will vote to appropriate the proceeds of said bonds or bond anticipation notes for the foregoing projects, plus an amount necessary to refund the interest payments on any bond anticipation notes issued for said purpose and any costs of issuance of the bonds and/or bond anticipation notes.

(Note: These capital expenditures will be financed from a portion of the proceeds of general obligation bonds to be issued in a total principal amount of up to \$3,455,909. Total estimated debt service is \$3,802,555.71, of which principal is \$3,455,909 and estimated interest at variable interest rates between 2.89% to 3.45% over 10 years is \$346,646.71)

1. The Town's Capital Plan for paving maintenance calls for these roads to be repaved. A shim layer and an overlay of pavement will be done to repave these roads. There will be grinding and milling on limited sections of Whites Bridge Road and Bonny Eagle Road to help with road cross slopes and delamination of pavement. Most of these roads have not been paved in over 20 years.

Question 6. To see if the Town will vote to authorize the Town Council, to (i) enter into a Waste Handling and Recycling Agreement with EcoMaine to handle and process the Town's solid waste and recycling; (ii) enter into an Interlocal Solid Waste Agreement with other municipalities and other related agreements for the purpose of owning and operating EcoMaine, a nonprofit corporation that handles and processes municipal solid waste and recyclable materials, and (iii) issue a \$1,477,616 general obligation promissory note in the name of the Town for a term of up to 30 years at 0% interest (the "Note"), which Note may be made callable, to finance the buy-in amount for the Town to join the Interlocal Solid Waste Agreement.

Copies of the Waste Handling and Recycling Agreement, Interlocal Solid Waste Agreement, and related agreements are available for review at the Town Clerk's office at Town Hall at 175 Northeast Rd, Standish, ME and on the Town's website

1. EcoMaine disposes of all of the Town of Standish's Household Waste and Bulky Waste at their facility in Portland. The Town of Standish has been in a contract agreement with EcoMaine for the past 20 years. Our contract is due to expire in June of 2027. The most cost-effective way is continuing with EcoMaine as an Owner Town and not under contract. This is estimated to save the taxpayers over 1 million dollars in a 30-year period by becoming an Owner Town. Over 30 years it is estimated the Town will pay as an Owner Town \$20,827,194 with tipping fees and buy in payment but under Contract only the Town would pay \$21,827,404 for the same amount of waste. This is over 1 million in savings by becoming an Owner Town. The Owner Towns pay much less in tipping fees vs being under contract, for example; Owner Towns would pay \$136 per ton in FY35, and Contract Towns would pay \$156 per ton for household waste. Being an Owner Town allows the town to have a board member to help set the tipping rates for disposal. Most all surrounding towns to include Windham, Gorham, Buxton and Limington are Owner Towns in Ecomaine and not under contract.

Financial Statement: The following financial statement applies to Questions 1, 2, 3, 4, 5 and 6 above. The issuing of bonds by the Town of Standish is one of the ways in which the Town borrows money for certain purposes. The following is a summary of the bonded indebtedness of the Town of Standish as of the date of this referendum:

Bonds now Outstanding and Unpaid:	\$ 15,649,567
Estimated Interest to be paid on Outstanding Bonds:	\$ 2,672,003
Total Principal and Interest to be repaid on Bonds Outstanding:	\$ 18,321,570
Additional Principal Amount of Bonds Authorized but not yet issued:	\$ 0
Total additional Bonds to be issued if approved by the voters:	
Question 1: Public Safety Capital Expenditures	\$ 378,000
Question 2: General Administration Capital Expenditures	\$ 105,000
Question 3: Parks and Recreation	\$ 38,000
Question 4: Public Works Capital Expenditures	\$ 315,000
Question 5: Highway and Road Capital Expenditures	\$ 1,142,293
Question 6: EcoMaine Interlocal Solid Waste Agreement	\$ 1,477,616
Total Principal Amount of New Bonds to be Issued if approved:	\$ 3,455,909
Estimate of potential new interest on such additional principal of bonds:	\$ 346,647
Total additional principal and estimated interest to be repaid if approved by the voters:	\$ 3,802,556

When money is borrowed by issuing bonds, the Town must repay not only the principal amount of the bonds but also interest on the bonds. The amount of interest to be paid will vary depending upon the rate of interest and the years to maturity at the time of issue. The validity of the bonds and of the voters' ratification of the bonds may not be affected by any errors on the estimates made of the costs involved, including varying interest rates, the estimated cost of interest on the bond amount to be issued and the total cost of principal and interest to be paid at maturity. If the actual amount of the total debt service for the bond issues varies from the estimate, the ratification by the electors is nevertheless conclusive and the validity of the bond issue is not affected by reason of the variance.

DINE TO DONATE

A portion of all dining proceeds will be donated to the **Angel "Tony" Torres Scholarship Fund** which supports graduating students at Bonny Eagle H.S. and Fryeburg Academy seeking post-secondary vocational education.

THE FUND IS IN HONOR OF ANGEL "TONY" TORRES.

Angel attended Bonny Eagle High School and graduated from Fryeburg Academy, he then went on to attend Framingham State College. On May 21, 1999, Angel disappeared and still has not been found.

His family continues to seek answers.

MAINE SCHOOL ADMINISTRATIVE DISTRICT #55

DISTRICT REFERENDUM VOTE

TUESDAY, MAY 19, 2026

POLLS OPEN: 3:00-8:00 PM

On Tuesday, May 19th the voters in MSAD #55 will be asked to approve the budget that was adopted on May 4th by voting YES or NO on a referendum question.

BALDWIN – Baldwin Community Center
CORNISH – Pike Memorial Hall
HIRAM – Hiram Town Office
PARSONSFIELD – Parsonsfield Town Office
PORTER – Porter Town Hall

MSAD 55 is extremely appreciative of the support that our schools have received from the community. We encourage all Sacopee Valley residents to vote at the district referendum on May 19, 2026.

*Respectfully,
 Dr. Carl Landry, Superintendent*

ESTIMATED MILL IMPACT 26-27 BASED ON PRELIMINARY FORM 279

■ Total Increase to Local Contribution \$305,228.24 = 3.54%

	% Increase	Mill Impact	Property Value		
			\$100,000	\$150,000	\$200,000
Baldwin	2.38%	\$0.16	\$16.00	\$24.00	\$32.00
Cornish	4.15%	\$0.28	\$28.00	\$42.00	\$56.00
Hiram	6.89%	\$0.45	\$45.00	\$67.50	\$90.00
Parsonsfield	1.82%	\$0.12	\$12.00	\$18.00	\$24.00
Porter	2.89%	\$0.20	\$20.00	\$30.00	\$40.00

This estimated mill impact will vary town by town depending on the town valuation by the State of Maine.

Phil Pomerleau

Standish Planning Board

Difficult times demand that we elect proven leaders to guide us in a positive direction. Leaders who will make decisions with integrity, common-sense, and conservative values. Standish needs leaders that have a vision for the future and will work hard on behalf of ALL the citizens of Standish. We need leaders who will listen and make decisions in the best interest for all. Standish needs candidates that support our veterans, senior citizens, small family businesses, and hard-working people just like you. Standish needs to focus on new, affordable housing and make it a top priority. I support these candidates and I'm asking for your support too.
