Jonathan
KINNEY

for

State Representative

Affordable
the Way Maine Should Be.

“I’ve spent my life serving Maine—as a U.S. Coast Guard veteran, a small business owner, and a public servant on the Limington Selectboard, Planning Board, and in the Maine Legislature. I’ve seen firsthand what happens when government spends too much, taxes too much, and makes it harder for families and businesses to succeed. I know Maine can do better. By growing our economy, lowering taxes, rethinking how we fund education, and putting taxpayers first again, we can make Maine affordable—the way it should be.”

repkinney@gmail.com

**MAKING MAINE
MORE AFFORDABLE**

**STARTS WITH
PROVEN LEADERSHIP.**

Leadership isn’t
measured by promises—
it’s measured by results.

During his time in the Legislature, Jon fought for hardworking Mainers and delivered real solutions for veterans, taxpayers, and our communities. He’s ready to build on that record and make Maine affordable again.

Through His Previously Introduced Legislation:

- ☆ Our National Guard members can attend state universities tuition-free
- ☆ Our state increased the number of accredited officers available to help veterans file claims and secure earned benefits
- ☆ Our veterans have public transportation to and from local Veterans Affairs clinics
- ☆ Military fraternal organizations are now state tax exempt

Jon Kinney Supports:

- ☆ Returning our state to economic growth
- ☆ Reducing energy costs including electricity and home heating
- ☆ Rethinking the way public education is funded
- ☆ Eliminating all the tax increases of the past 8 years
- ☆ Lowering our state income tax back down to 5%

Paid for and authorized Jonathan Kinney for House.

Our Steeple is fully repaired!
Thank You!

- to all our contributors who so generously supported this effort,
- to our trustees for their commitment to seeing the work through to its end,
- to our friend Karen James and Great Falls Construction for their good work on our behalf, and
- especially to Merle Googins for his untiring faith in and work toward this huge project.

ABOUT CHRIS

Raised in a working-class family, Chris understands how hard people work to support their families and build a good life. He is running for the State House to bring people together, listen to the concerns of his neighbors, and make government work for all Mainers.

"When families across Western Maine are struggling with groceries, housing, healthcare, and utility bills, isn't it time we judge every candidate by what they prioritize for ordinary people – rather than by the letter beside their name?"

OBITUARY
 Dawn R. Reinhard

WEST BALDWIN - Dawn R. Reinhard, age 90, of West Baldwin, Maine, passed away peacefully on October 5, 2026, surrounded by family after a brief illness. She was born the only child of Fred and Averill (Harvey) Rankin on September 28, 1936, in East Hiram, Maine. She attended local schools and graduated from Potter Academy, where she met the love of her life, Marvin (Buddy) Reinhard, Sr. They were married on October 20, 1956. When they were first married, they lived in East Hiram, Maine. They moved to Port Chicago, CA in the early sixties and returned to Maine in 1968.

For the first 18 years of her married life, she was a homemaker raising her family. In subsequent years she worked several other jobs including driving bus and serving on the school board for SAD 55 and working at the healthcare clinic in Steep Falls.

Dawn and Marvin lived in the home he built, on Rt 113 in West Baldwin, for 56 years. She was known for her baking, jam, knitting and sewing abilities. Her children often swapped her homemade goodies with friends and teachers. She loved her family and always looked forward to family gatherings. However, it is known family lore that she wasn't skilled with barbequing chicken. Legend has it that there were several times that she got caught up in family fun and forgot the chicken on the grill and once it was checked on, there were just bones left. So, hamburgers and hot dogs to the rescue.

She was a friend to many and even a second mom to some. She has left us with big shoes to fill and will be dearly missed.

She was predeceased by her husband, Marvin Sr, Sisters-in law Sylvia Reinhard, Beverly Cox and her husband Richard and Marilyn Wormwood and her husband Alston.

She is survived by her children, Naomi Reinhard, Marvin Reinhard Jr, Ardis Abbott and her husband Lyndon, Fred (Ricky) Reinhard and his wife Melissa and Adam Reinhard and his wife Maria. Grandchildren, Alisha, Seth, Codi, Morgan, Zachary, Mitchell, Matthew, Mackenzie, Maccoy, Macaleb, Stella and Greta. Great Grandchildren, Myles, Ava, Elijah, Audrey, Seth Jr, Rhys, Ryan, Kian, Adeline and Amelia. Her brothers-in-law Donald Reinhard and his wife Judy and Brian Reinhard and his wife Leanne, many nieces, nephews, and friends.

There will be no visiting hours and a graveside service with family will be at a later date.

Online condolence messages can be submitted at the Poitras, Neal & York Funeral Home website, www.mainefuneral.com

OBITUARY
 Jeffrey Stuart Ray, D.O.

FRYEBURG - Jeffrey Stuart Ray, D.O. left this world on October 6, 2026 after a long battle with colon cancer. He was 74 years old. The son of Donald B. Ray of Portland, Maine and Margaret K. Lewis of Perth-Andover, New Brunswick, Canada.

Jeff was born in Portland, Maine and grew up in the Rosemont neighborhood where his childhood was filled with fishing, skiing, hunting, scouting, and adventures with friends. After attending Deering High School he went on to graduate from the University of Maine at Orono in 1975.

Many of Jeff's lifelong friendships began during those early years, particularly through his college fraternity, Phi Eta Kappa. He was predeceased by his closest fraternity brother, George "Scorpio" Foster, with whom he shared some unforgettable adventures in the 1970s. They travelled cross-country on Harley-Davidsons, camped, hiked, and attended rock concerts. Jeff loved a good adventure, big or small, and that spirit stayed with him throughout his life.

He liked to say that he had "retired" after college, having taken the time to do the things he wanted while he was still young. When he eventually made his way back home, he went to work for the Crosby-Laughlin Company, a marine hardware firm on Fore Street and the Harris Company, a fishing supply business on Commercial Street. There, he began saving money to continue his education.

In 1980, Jeff began his medical journey at the Palmer School of Chiropractic in Davenport, Iowa. The following year, he married Nancy D. Eustis of Portland, Maine. After graduating and welcoming their first child, Jeff and Nancy returned to Maine, where he established his chiropractic practice on Brighton Avenue in Portland. Jeff's heartfelt compassion for his patients was evident from the very beginning. Dedicated to caring for people regardless of their circumstances, he sometimes bartered his services in exchange for goods such as fresh fish, artwork, and jewelry—a reflection of both his generosity and the close connections he formed with those he served.

After ten years, and three additional children, Jeff decided he wanted to do more for his patients. At age 38, he entered medical school, attending the University of New England in Biddeford and earning his Doctorate of Osteopathic Medicine with the assistance of the Federal Rural Health Care Program.

Jeff was fortunate to remain in Maine, practicing at Sacopec Valley Health Care Center in Porter. What began as a four-year assignment became a 20-year career, including many years as Medical Director. His medical knowledge, curiosity and genuine concern for his patients

made him a beloved physician. His friend Mary-Agnes Gilman, Executive Director at SVHC during that time, described him as "a brilliant diagnostician" whose clinical knowledge and background benefited countless patients. Jeff was also known for making house calls when patients could not make it to the Health Center, providing care to people and families in the comfort of their own homes.

The Ray family settled in Fryeburg in 1998, where Jeff has thrived. He thoroughly enjoyed the Mount Washington Valley area and raising a family among its natural beauty and recreational opportunities. He gladly gave back to the community by assisting the Fire Department with annual physicals and serving on the town's Planning Board.

He spent the last five years of his medical career as a primary care physician at the Veterans Administration Clinic in Lewiston. He retired in 2024 and enjoyed having more time for reading, cooking, travelling to Ireland and Florida, gardening, bee keeping, or simply relaxing by the pool with a cigar and looking out at his beautiful view of the mountains and the Saco River. Above all, Jeff treasured time spent with family and friends, often gathering with familiar faces at North Conway's Original Cigar Bar.

Jeff leaves behind his wife of 45 years, Nancy; son, Dawson, and his partner, Jeanine Clark, of Conway, New Hampshire; grandson, Logan, of Rochester, NH; daughter, Justine Bales, her husband Travis, and grandchildren Cora and Max of Crestview, Florida; daughter, Phoebe Martin and her husband, Michael, of Osprey, Florida; and son, Ethan and his partner, Daya Hall-Stratton, of Haymarket, Virginia.

He is predeceased by his parents and older brother, Donald S. Ray of Portland. He is survived by his younger brother, David, and his wife, Linda, of St. Petersburg, Florida, and his sister, Betty Pease, and her husband, Fred, of Andover, Massachusetts.

Visiting hours will take place at Woods' Funeral Home, 9 Warren St., Fryeburg, Maine, on Friday, October 23rd, 3:00 - 5:00pm. A funeral mass will be held at St. Elizabeth Ann Seton Church, 857 Main St., Fryeburg, Maine on Saturday, October 24th, at 9:00 a.m. followed by a celebration of life from 11-2PM at the Fryeburg Fairgrounds Expo Building, 1154 Main St., Fryeburg.

In lieu of flowers, memorial donations may be made in honor of Dr. Jeffrey Ray to Bridgton Hospital. By check:

**Susan Collins was OK when it was OK to be just OK.
Now that's not OK.**

Vote for Troy Jackson

**Maine Needs a US Senator who will stand up to Trump
and Help Extinguish Our National 5-Alarm Fire.**

WE DO NOT NEED A SENATOR WHO ENABLES TRUMP.

**We need a Senator to put a foot down and cast votes to
stop Trump's hot mess.**

That's not Susan, that's Troy Jackson.

Let's look at Trump's residue:

Prices everywhere are high:

- Trump-initiated Iran forever war yields higher fuel oil and gas prices. Home heating oil is up by 70%!
- Trump-initiated tariff clashes yield higher costs to consumers for food and products, as well as unnecessary trade conflicts with Canada
- Trump-initiated health policies yield Medicaid cuts, Affordable Care Act erosion, Medicare Advantage disappearance and overall higher costs for your medical peace-of-mind.
- Trump-initiated policies are exploding the national debt, resulting in home mortgage interest rates of over 7% and higher borrowing costs throughout the economy

The Rule of Law is Eroding:

- MAGA's Republican Congress has surrendered legislative initiative and power of the purse
- Trump's Supreme Court is now an enabler of Presidential Order through continuous use of under-explained, secret emergency rulings
- The Department of Justice is now a partisan, incompetent organ of White House vindictiveness
- ICE - a quasi-military force, has license to roam the streets, ruin lives, intimidate and murder innocents without any accountability
- Women's reproductive rights and decision-making, including the Roe v Wade right to abortion, are being erased by Collins-approved Supreme Court Justices Kavanaugh and Gorsuch.

National Security is Degrading:

- The Iran War has resulted in the exposure of weaknesses in forward bases abroad, wasteful expenditure of weapons stockpiles, death and injury to military personnel (21 dead, 800 wounded), and unspecified costs of non-budgeted operations in the billions of dollars
- Trump policies have destroyed traditional alliances and chiseled away the trust of allies
- Pentagon policies have sidelined experienced leaders, shuttered decision-making from open inquiry, and kow-towed to political whim

Washington DC Corruption is at a Level Never Before Seen:

- The Trump family has accumulated over \$3 Billion since 2024
- The wealthiest Americans have enjoyed significant tax relief due to Trump legislation
- American billionaires are controlling policies that put your family in danger from AI, environmental protection rollbacks, and mass layoffs.

Troy Jackson will reliably vote and act to end this national debacle.

Susan Collins will tiptoe and let it go on, as she has done repeatedly for the last two years.

**Call a firm halt to the destructive and harmful policies Trump has set in motion.
Vote for Troy Jackson and he will vote for what's vital for us and Maine.**

Maine State legislators who are
still working - not retired,

I HEAR YOU.
I am 53 years old. I work in IT

WHY DIRFY GENERATORS AND HEAT PUMPS?

We do not have to say we are #1, others say it for us

We have **7 years** of plaques voted #1 in public voting

We have **13 yrs** of certificates showing we are the #1 dealer in Maine

We received a certificate showing we are the **#1 dealer in New England**, even with our sales being in Maine

We have been recognized in a national magazine as the **top dealer** in the Northeast

We have our award-winning **Reward** program where customers get back rewards, upwards of tens of thousands of dollars every year.

WHAT ELSE MAKES US #1?

- ✓ We have generators that come with **10 yr** parts, labor, and travel warranty
- ✓ All our heat pumps come with **12 yr** parts, labor, and travel warranty, *not like other dealers who have 12yrs warranty just on parts.*
- ✓ We give back to our customers, such as a current give back. We are currently sending **\$25.00** to each customer that have a sign displayed at their home because sales have exceeded projections (about **\$7,000.00** this time around). **Yes, giving back is our goal.**
- ✓ Due to our volume, our pricing is lower than anyone else.
- ✓ Offering an alternative back up system for folks with portable generators.

Where our motto is
"Customer Satisfaction Doesn't Happen By Accident"

10 YEAR
PARTS, LABOR & TRAVEL WARRANTY

HEAT PUMPS
12 YEAR
PARTS, LABOR & TRAVEL WARRANTY

WE HAVE GENERATORS STARTING AT LESS THAN \$100/MO. OAC

DUE TO OUR VOLUME, WE CAN INSTALL MOST GENERATORS FOR LESS, INCLUDING BRIGGS, GENERAC, KOHLER, AND CHAMPION.
