“

After 10 years in business at The Local Gear in Cornish, I can say that a major concern of my customers is where they can ride in safety with their families, where distracted drivers and narrow shoulders aren't the primary concern. A place for users of all stripes, from cyclists to runners and folks with strollers and wheelchairs would be such a huge benefit to the people of the Sacopee valley providing a haven for all to enjoy. There are so many communities across this country who have benefited from the presence of a rail-trail not just from revenue of increased tourism but from the value of a safe place to ride and walk just outside our doorstep.

VOTE NO

ON TRAIL MAINTENANCE AGREEMENT.

Things have been good just as they are.

It hasn't cost us anything and
we have all been able to recreate on it.

This is a state-owned property.
The state should pay to maintain it,

VOTE NO!!

on the "**Rail Trail Maintenance Agreement**"

FACTS: \$12,000+ per year every year expected cost

FACTS: It is an interim agreement that the RR can
claim this 30K-GVW 'paved' trail at any time.

VOTING NO ONLY CANCELS THE TOWNS'
FINANCIAL MAINTENANCE AGREEMENT.

IT DOES NOT CANCEL THE TRAIL
"IT'S THAT SIMPLE!!"

The State of Maine in accepting their agreement is
obligated to the continuance of a finished trail.

Nowhere in the agreement does it compel the
towns to the maintenance.

THAT'S WHY WE'RE VOTING NO.

Towns that agree will have to purchase additional

Towns that Vote NO will be the heros

OBITUARIES

OBITUARY
Charlotte Ellen Dufresne

LIMINGTON - Charlotte Ellen Dufresne, 80, of Limington, passed away at home on July 25, 2026.

Predeceased by her mother Irene Chamberlain, father Marshall Watson, and nephew Marshall Cudebec, Charlotte is survived by her two children Gabrielle Dufresne and Didi Dufresne and partner Jennie Woo, her younger sister and brother-in-law Linda and Sam Caswell, nephew Dewey Rambo and partner Dawn Hensel, older sister and brother-in-law Joyce and Fraser Brimley, nieces Tami Morgan and Joyce Kjos.

Throughout her life Charlotte held various jobs as a bookkeeper, substitute teacher, and insurance adjuster. However, her true calling was to be of service to the community. She volunteered with the town of Limington counting ballots and with the Limington Ladies Auxiliary throughout the 80's and 90's. Later, she served on the SAD#6 school board.

Charlotte will be remembered for her open heart, generous spirit, and fierce pragmatism. During the last years of her life, Charlotte continued to care for others by baking and delivering pies, cookies, and muffins to friends and neighbors. In addition to baking, Charlotte enjoyed gardening, knitting, rug hooking, embroidery, really any fiber arts. She would never let a kindness go unreturned and was effortlessly thoughtful to those around her. She will be dearly missed by family and friends alike.

In lieu of flowers, donations can be made to an educational charity, a pie baked for a neighbor, or an act of goodwill extended to any in need. There will be a celebration of life at a future date.

Online condolence messages can be submitted at the Poitras Funeral Homes, website, www.mainefuneral.com

THE CORNISH UNITED CHURCH OF CHRIST
37 MAIN STREET

The church has been a tourist attraction since 1843 because of its beautiful steeple.

There have been many repairs made over the years. In 2019 we had a complete evaluation done by an engineer and received a 7-page report explaining what needed to be done, a complete restoration.

As you may have noticed, the steeple was brought down into our parking lot a few months ago, repaired and put back up. Now we need to finish paying for it!

It was suggested that maybe if we could get just \$1.00 from each person willing to help, that figure would be amazing by itself. We will keep the Faith and see what the Good Lord allows us to receive.

If you wish to donate or would like more information, our address is:
Cornish United Church of Christ
P.O. Box 235,
Cornish, ME 04020

Please mark donation for *Church Steeple Fund*.

**Brownfield Residents,
Reasons to Recall Our Two Selectmen**

- 14. Taxpayers were not fully informed** regarding the playground project. It was only after residents contacted the state that it was disclosed that thousands of additional dollars would be required for Dunn Memorial.
- 13. Ethics concerns:** A special town meeting was held the night before the election and was used to discredit a candidate. The public was not given an opportunity to speak or ask questions regarding the board's actions.
- 12. Failure to properly manage town employees.** Concerns have been raised that employees have been permitted to harass, intimidate, and defame residents online.
- 11. Allowed an individual with a felony theft conviction** to collect funds on behalf of the town using a personal Venmo account.
- 10. Disenfranchised citizens** by changing Select Board meetings to twice a month, resulting in fewer opportunities for residents to provide public input.

**Stay tuned next week for additional reasons
to support the recall effort.**

Jack Wadsworth narrates his new video
"Walking Along the Wadsworth Grant"
in which he points out modern landmarks as he walks the boundaries of General Peleg Wadsworth's land grant, the largest in Hiram.
It was 7800 acres of land extending from the Saco River to the Ossipee River and north to Clemons Pond that the General purchased in 1790 for 12 ½ cents per acre.

Meet Your New Local Medicare Specialist...

Hello! My name is **Lois Bilodeau**, and I am excited to introduce myself as a **Licensed Insurance Broker and Medicare Specialist** with **Remington Insurance Services**.

I am passionate about helping individuals and families understand Medicare and make confident decisions about their healthcare coverage. Whether you're turning 65, retiring, becoming eligible due to a disability, or already enrolled in Medicare, navigating your options can feel overwhelming. With so many plans, enrollment periods, and changing benefits, it's understandable to have questions.

That's where I can help!

My goal isn't to tell you what plan to choose. My goal is to help you understand your Medicare options so you can make an informed decision with confidence. I believe everyone deserves honest guidance, personalized service, and someone they can trust to explain Medicare in a clear, easy-to-understand way.

As we approach the **Annual Enrollment Period (AEP), October 15** through **December 7**, now is the perfect time to review your Medicare coverage. Many people don't realize that Medicare plans can change from year to year. Premiums, deductibles, provider networks, prescription drug coverage, and additional benefits may all change. Making an annual review the best way to ensure that your plan continues to meet your healthcare needs and budget.

As your local Medicare specialist, I can help you:

- Review your current Medicare coverage
- Compare Medicare Advantage, Medicare Supplement, and Part D prescription drug plans
- Explain enrollment periods and important deadlines
- Determine whether you may qualify for Medicare Savings Programs or Extra Help
- Answer your Medicare questions in clear, straightforward language

There is **never a cost or obligation** for my Medicare guidance. I take pride in building lasting relationships and being a trusted local resource for my clients throughout the year—not just during enrollment season.

If you have questions about Medicare or would like to schedule a complimentary Medicare review, I'd be honored to help.

Proudly serving individuals and families throughout Southern Maine with personalized Medicare guidance and one-on-one local service.

Lois Bilodeau
