IS IT TIME FOR CHANGE?

I say – *out with the old and in with the new*. But what do I mean?

Who we have on our Selectboard is critical in how the town is run and for the temperature “in the room”. For years now, our town has fallen further into disrepair, the fighting and angst has become normal behavior between officials, employees, contractors and residents. We have had a Board that not only allows this to happen but has intensified it through accusations, finger pointing and bullying. Our roads need some real work done to fix them, we have emergencies with several dead trees that need to be taken down. The neglect over the years have turned into monetary emergencies that we must spend money on “unexpectedly”. Our municipal building has been deteriorating for years and NOW they realize that they need to prioritize because it is going to cost a lot to fix and maintain. The taxpayers pay the price for last minute – emergency repairs and maintenance. Keep this in mind as you read on.

Did you know..... Limerick got a pickleball court this fall? Did you, a taxpayer, get to have any say in this? The taxpayers paid Walter Ricker, Jr. \$9,872.49 at the Selectboard’s choosing to put up a fence at what used to be the basketball court for the kids so that the residents could play pickleball. The Selectboard asks the town to vote to transfer money for emergency tree removal and other necessary repairs or maintenance BUT..... when it comes to entertainment for a select few, they quietly vote amongst themselves and approve spending almost \$10,000.00 for recreation! They have abused the taxpayers trust, they have shown us they have no accountability for spending our tax dollars.

WE CAN CHANGE THIS! WE DON'T HAVE TO CONTINUE ALLOWING THIS!

It's time WE vote to change this. There are 5 candidates running for 3 Selectboard seats.

Wade Andrews: He used to work as animal control for the town (and continues to help take animals to the shelter), and his mom is a department head. He has been a quiet board member, until recently. Watching the meetings, online or in person, it seems he has an agenda to finger point and accuse to stir up the public to pit them against one another, a resident or an elected official. When you sit passively for almost 3 years and then suddenly over 3 meetings has become outraged just to make a point that he doesn't like someone or certain people, that's not working for the town. That's working to make a few people happy. He voted for the tax payers to pay for the pickleball court without asking the people. Again, not for the town, but for certain people only.

Gerald “Jerry” Gilpatrick: He has never worked for the town, never contracted with the town, never collected pay from the town. He has legislative experience and from talking with him: he cares about the people in this town, the buildings and grounds the town owns, and how to work together as a town to get things done in a positive manner.

Walter Ricker, Jr.: His words – he “has contracts with the town” and has profited from taxpayer money. He has open disdain for certain town officials and has recently said at a meeting that a certain limerick citizen should never be allowed to earn a living by working for any contract involving the town and has directly called this person “the town clown”. How can he say he cares about the people of this town? How can he claim he cares about anything more than lining his own pockets and his willingness to publicly engage in name calling, finger pointing, and disdain for Limerick residents. Today it is a certain person or people. Tomorrow it could be you! He bid on the pickleball court project and he was awarded the “contract” yet our current board did not bother to get a contract for the work signed. Walter did not even have to provide an itemized or general invoice to receive a check from the town of Limerick in the amount of \$9,872.49 for a fence. A Selectboard member told our treasurer to simply pay him using his bid. Where is the accountability on taxpayer money being paid out.

Clifton “Bud” Finch: Bud has worked for the town through the Zoning Board of Appeals with minimal compensation. He has a business background with his own automotive work and works in education. We may not know a lot about him, but from what I have seen and heard from him, he is not happy with how the current board has handled things over the last few years, accountability for money is important and the public should be aware of where all of their tax money is going. He wants to see people interacting with professionalism and common courtesy.

Lori Harmon: She moved to Limerick 6 years ago and has volunteered on the Budget Committee for this town for the past 3 years. She has a 20+ year background in the legal field and isn’t afraid to work hard for our town in our town's best interests. She believes in collaboration to get the job done and in order to do that – she says we need to put personal feelings aside and work together. She also thinks the residents should know where their money is being spent, and it should be spent with care and caution...not recklessly.

Is it time for change? YES!

OBITUARY

Mary Ellen (Curran)**Cousins**

HIRAM- Mary Ellen (Curran) Cousins, 92, of Plains Rd passed away on February 22, 2026, peacefully in her own home due to underlying cancer in combination with other age-related complications, while surrounded by her children. Mary was born in Bath, Maine on December 07, 1933, the daughter of Howard Curran and Evelyn (Pratt) Curran.

Mary is predeceased by her husband (Chief Engineer) Clifton W Cousins, United States Coast Guard (retired) whom she married on May 09, 1953. She is also predeceased by her sister Barbara Alexander and two half-brothers Alfred and Edwin Green, and a granddaughter Bianca Ellen Cousins.

Mary is survived by her two sons Clifton W Cousins Jr. and his partner Tiffany of Brownfield, and Michael H Cousins of Hiram along with his loyal chihuahua dog "Buddy" who was her recliner chair napping partner, daughter Valerie Kollander and her husband Larry of Fryeburg.

She is also survived by 7 grandchildren - Tania, Cory, Tyler, Cliff the third, Michaela, Jesse and Travis. 7 great grandchildren - Brianna, Lennon, Bristol, Bentley, Nolan, Mazie and Elias.

Mary is also survived by her sister Priscilla Durrell of Brunswick, and many nieces and nephews.

Mary was a very kind and forgiving soul, she had no favorites nor held any grudges. She viewed everybody that came in contact with her life as equals.

She was a very hard worker with good ethics. In her younger years she worked at the Bath laundry and Bath Stinson Seafood canning sardines. After marrying and having children she became a homemaker and stay at home mom, changing diapers in one hand and doing dishes with the other while her husband served mostly on ships in the United States Navy and the United States Coast Guard. After her husband's retirement in 1972, she joined the public work force again to supplement income working for Fairchild Semiconductor in South Portland, and later after moving from South Portland to Hiram to get her children away from city life and experience a little country life. She started working at the Cornish Dress Factory for a brief period, SAD 55 Lunch program and assisted with the Town of Hiram elections. She then worked at GTE Sylvania in Parsonsfield (Kezar Falls), and then again later working for GTE Sylvania in Standish after the Kezar Falls GTE shut down until her retirement. During her retirement she was caretaker for Ralph Bedell until his death.

Mary loved to knit and crochet, read the newspaper and local Shopping Guide, along with crossword puzzles, watching game shows and Judge Judy until she started a battle with Macular Degeneration. Although it deprived her of her driving abilities, she was determined to be independent and walked up town to get her mail and a few groceries numerous times without asking for assistance. Mary always enjoyed a lobster dinner every now and again, never leaving one morsel of meat to waste.

Overall, Mary was a very soft-spoken woman but was also a very large example of what a human being should be, that will be sadly missed.

There will be no service or visiting hours. A spring burial next to her husband will be conducted on Thursday, May 21st at 1 PM at the Maine Veterans Memorial Cemetery, Blue Star Ave. in Augusta.

Online condolence messages can be submitted at the Poitras, Neal & York Funeral Home website, www.maine-funeral.com.

In lieu of flowers, please consider making donations and or contributions to Home Hospice Andwell Health Partners. Denise, Ann Marie, Amanda and Tina from Home Hospice were so compassionate, helpful and supportive.

OBITUARY

Wayne Raymor Gillette

CORNISH- Wayne Raymor Gillette drifted into his next adventure peacefully at home on February 24, 2026. He lived a long, vibrant, nuanced life and left this earth still filled with curiosity and child-like positivity. He touched the lives of many and will be remembered and missed by everyone who knew him.

Wayne was born on November 19, 1939 in New London, NH to two teachers, Willard and Kelsea Griffin Gillette and moved to Buxton, ME at just 10 months old where he grew up and worked on his family's apple orchard. The house of his youth, on Gillette Road, did not have electricity or running water, and Wayne liked to joke that one of his arms was longer than the other because of all the buckets of water he carried to the house over the years. He attended Bog Mills School from 1st to 8th grade, which also did not have electricity and was a one room schoolhouse. Wayne was quite the storyteller and often reminisced about his time at Bog Mills School. He once got in big trouble for using his best crayon to draw a very even line around the entire outside of the schoolhouse after the kids had been sent outside to play because it was too dark to read! He loved playing hide and seek in the stacked firewood piles in the basement and talked about how his teacher would make soup on the wood stove for lunch.

After graduation from Samuel D. Hanson high school, Wayne attended Gorham State Teachers College. He married his high school sweetheart, Gloria Wilson, while attending college, and he graduated in 1961 with a degree in Industrial Arts. He then moved to Mexico, Maine to start his teaching career. In 1964, he moved to Kezar Falls and started teaching at Porter High School where he set up its first industrial arts shop. He continued teaching shop, math and science as well as coaching girls' softball at the new Sacopee Valley High School when it opened and taught there until 1975. Wayne and Gloria had 4 children together: daughter, Katharine Gillette MacKaye and sons Brian, Eric and David. He also helped to raise several foster children. David remembers his dad as being very levelheaded, helping him with his bicycle, and showing him how things worked.

In 1980 Wayne built himself a beautiful, peaceful house in the woods on his family's Gillette Road property. He took great pride in being able to accomplish this and enjoyed living off the grid. The house was powered by a 12 volt battery and heated by a giant Russian fireplace which he built himself, of course. He also enjoyed being a handyman and helping to remodel Merry Meeting Farm, a residential adolescent home in Parsonsfield for his friends, John and Sharon Hays and Joe Dalton. In his spare time Wayne helped several friends complete their post and beam houses.

In 1987, Wayne started a second chapter in his life after meeting Melissa Dunnan, a special education teacher at South Hiram Elementary School, on a blind date set up by their mutual friend and fellow teacher, Janet Carper. They were married in 1989 with a simple ceremony among immediate friends and family in the backyard of what would become their shared home together in Cornish, Maine. Helping to raise Melissa's 3 children was not always easy, but Wayne became a much loved and appreciated step-father to Jenny, Michael, and Eliza Floyd. He took delight in telling stories around the dinner table, playing harmonica while they put up the Christmas tree, and was always available to drive them to school functions in his much beloved El Camino or "cruck," much to their teenage horror and embarrassment. Wayne never said no when Eliza asked him to play catch on summer evenings in the backyard, and he had a great time coaching Jenny and Michael's Odyssey of the Mind teams with Melissa as they won first place in the state competition and participated in the nationals in Maryland.

Wayne was always a hard worker, holding several jobs while still teaching. He did everything from driving pro-

pane to working at Walker Chevrolet to planting trees with road crews. He was talented artistically and expressed that by being a wedding photographer, a drawer, and a wood carver.

When Wayne left teaching, he began several new careers. He was a property manager with York Cumberland housing, managing numerous apartment buildings in Maine and New Hampshire. He also enjoyed working with his brother Billy who started a new company, FS Express, which provided repair services on radiography equipment in hospitals in the Northeast and California. For his last "retirement" job, he started a new company, Country Hills Sharpening, where he sharpened everything from scissors to ice skates to huge woodcutting saws. He loved traveling around to local towns to drop off and pick up at hardware stores where he could stop and chat.

Wayne was a man of many hobbies and talents and particularly loved being in nature to hike, canoe, and marvel at wildlife. He loved adventure, going on a wilderness rafting trip in Idaho with Melissa or taking his students on a hiking trip out West with Dan Hester. In his later years, he was a reluctant participant in international travel, but did it for Melissa, and spent time exploring Ireland and looking at castles in Northern Wales. He could find the best ice cream shop wherever he was, even in Wales, and that almost always made the travel worth it. He was an enthusiastic volunteer for Willowbrook Historic Village demonstrating blacksmithing and cider-making to countless children on school trips. In later life, Wayne was a volunteer for Hospice of Southern Maine and visited with elderly people to provide company.

Wayne was always happiest in his garden holding a shovel in his hands. He worked for years digging in dirt, clearing the never-ending rocks which magically appeared every spring and of course weeding. His special crops included sunflowers and gladioli of every color, but he did enjoy raising turnips. He gave away pounds of veggies to neighbors and friends as well as gladiola bulbs and rhubarb. The students at Sacopee and the Middle School received huge buckets of flowers when school started which were included in the fall art and drawing curriculum. Over the years he waged what was called "The Woodchuck War" digging fencing deep into the ground, playing loud music and sitting near the garden with his rifle. The woodchucks always won, but he remained optimistic.

Wayne is survived by his wife, Melissa, his four children and three step-children, his sister Janice Gillette LaCorte (Fred) of New Jersey, his brother Willard Gillette (MaryLou) of California, first cousin Sandra Stiffel (Todd) of Florida, one nephew, two nieces, and sixteen grandchildren.

He will always be remembered for his eternal optimism, the twinkle in his eyes while telling a story, his smile and quick sense of humor, his intelligence, and his quiet kindness to others as well as his ability to fix practically anything. In his final days, he wanted to be sure to express thanks to his longtime friends including Sherry Watson, Bill Briggs, John and Sharon Hays, Donna and Joe Dalton, and Russell White as well as his family and Hospice team for all their support and care during the last many years he has been battling cancer. He would like to give a special thank you to his son David for all his help in making it possible for him to stay at home. He and Melissa could not have done it without him. Wayne remains certain that he will see his friends and family again in another life, maybe while sitting in the woods whittling or while playing his harmonica.

Wayne's burial will be private. The family is planning a late spring Celebration of Life for everyone who knew and loved Wayne. There will, of course, be ice cream.

Online condolence messages can be submitted at the Poitras, Neal & York Funeral Home website, www.maine-funeral.com

OBITUARIES

OBITUARY

Ronald Rodney Miller

HIRAM- Ronald Rodney Miller, 77, of Hiram, Maine, passed away peacefully on February 25, 2026. Born on July 22, 1948, in Porter, Maine, he was the son of the late Roland "Bunk" Miller and Mary "Addie" Woods Miller.

A proud member of the Porter High School Class of 1966 and a graduate of CMVTI, Ronald built his life around hard work, strong family values, and a deep love for the outdoors. He shared 60 wonderful years of marriage with his beloved wife, Janice McKenna Miller. Together they built a loving home and a lifetime of cherished memories.

Ronald is survived by his devoted wife, Janice, and their four daughters: Wanda Miller-Bryan and her husband Chris of Falling Waters, West Virginia; Kari Sawyer and her husband Terry of Kezar Falls, Maine; Tracey Fahey and her partner Keith Ouellette of Sheffield, Massachusetts; and Amanda Walker and her husband Steve of Tamworth, New Hampshire.

He was a proud and devoted grandfather to Jason, Adrienne, Brandon, Arielle, Matthew, Bobby, Rylee, Emily, Connor, and Gabriel, as well as their beloved partners. His legacy continues through his great-grandchildren Calvin, Finley, Bryson, Tayleigh, and Olivia.

He is also survived by his sisters-in-law, Elizabeth Miller and Joyce Lee. Ronald treasured the time he spent hunting and fishing with his nephews, Tony Miller and Darien Miller, whom he loved as sons. His faithful golden retrievers, Willow and Cooper, were constant companions who brought him great joy.

In addition to his parents, Ronald was predeceased by his brother, Donald Miller, and his nephew, Craig Miller.

An avid outdoorsman, Ronald found happiness in hunting, fishing, trapping, and camping—especially by the ocean with family and friends. Digging for steamers and fishing for striped bass were among his favorite pastimes, bringing him both peace and treasured moments with loved ones. He was a lifelong fan of the New York Yankees and took great pride in tending his beautiful vegetable gardens.

Graveside services and a celebration of Ronald's life will be held in the spring.

Donations in Ronald's memory may be made to the Craig A. Miller, Stephen E. Smith Scholarship by sending a check payable to MSAD #55, Attention: Becky Connors 137 South Hiram Road, Hiram, ME 04041.

May his memory bring comfort to all who knew and loved him.

Online condolence messages can be submitted at the Poitras, Neal & York Funeral Home, www.maineFuneral.com

JAMESON GINGER & LIME

INGREDIENTS

- 1 part Jameson Irish Whiskey
- 2 Parts Ginger Ale
- 1 wedge of lime

HOW TO MIX

Fill highball glass with ice. Pour 1 part Jameson Irish Whiskey over ice. Top up with ginger ale. Stir briefly to mix. Take a large wedge of lime, give it a squeeze and drop it into the glass.

Under 17 must have a chaperone or be able to navigate class structure themselves.

.....

FMI/TO APPLY, VISIT OUR WEBSITE:
www.ossipeevalley.com
OR EMAIL: info@ossipeevalley.com

TOWN OF HIRAM Code Enforcement Officer

The Town of Hiram is seeking a qualified **part-time Code Enforcement Officer.**

The Code Enforcement Officer is responsible for the administration and enforcement of all Town ordinances, as well as applicable State and Federal laws, including building, zoning, land use, and shoreland zoning regulations. Key responsibilities are conducting on-site inspections to ensure compliance with building permits and land use ordinances. Investigate complaints regarding violations, issue violation notices and follow through to ensure compliance.

The ideal candidate would possess 2-4 years of experience in construction trade, building inspection or municipal code enforcement. Be proficient in Microsoft Office/Excel, strong communication, detail orientated and be committed to ensuring good working relationships with all constituencies. Additionally, the ideal candidate would possess a high school education or equivalent, and a valid Maine Driver's license. Municipal Certification must be obtained within twelve (12) months from date of hire.

This is a part-time position averaging 10-12 hours per week. Competitive salary depending on experience and certification.

Qualified Candidates are invited to submit a cover letter and resume via email to: deputyclerk@townofhiram.org

Alternatively, send via US mail to:
Town of Hiram,
16 Nasons Way, Hiram, ME 04041
The position will remain open until filled.
