Why Advertising in
YOUR WEEKLY SHOPPING GUIDE works!

12,000+ Guides are
mailed directly into homes
and a combined 1,400
are left in stores in the
towns we serve.

Mailing guarantees that all homes
in your target area will see your ad,
not just those that happen to look
up your information. Know how
your advertising dollar is working
for you. Not all papers mail. You
could be paying the same or more
for an ad that is only reaching
people who happen to pick a
paper up at the store.

Call us today
to see
what we
can do
to help!

OBITUARIES

OBITUARY
Rosalie (Lewis) Barton

BRIDGTON - Rosalie (Lewis) Barton was born March 3, 1943, daughter of the late George and Helen (Rogers) Lewis. She died on November 15, 2025.
Rose's Guardian Angel (our Mom) guided her home. Rose was the caregiver of our Mom, Helen (Lewis) Blake.

Rose became more than a resident at Memory Care and Hospice Care. We thank them very much for the care that was given to her.

She is survived by her children: Randy (Peggy) Barton, Mary (Mike) Stroud and their children. She is also survived by her siblings: brother John Carroll (Donna) Lewis; sisters: Louise (Raymond) Huntress, Barbara (Gerry) Landry, Edith (Mark) Merrill, Linda Lewis, sister-in-law, Laura Sanborn, Pam (Ingo) Hartig, Brenda (Christian) Whitney; as well as grandchildren, great grandchildren, cousins, aunts, nieces, and nephews.

She is sadly missed by all.

A graveside service will be held at a later date.

MAINE AHPERD
DR. RICHARD H. BARTLETT APE
AWARD RECIPIENT

Rose Prest-Morrison
Sacopec Valley Elementary School

HEALTHSmart

Congratulations to Mrs. Rose Prest-Morrison! Congratulations to Rose Prest-Morrison, our Sacopec Valley Elementary Physical Education/Health/Adaptive Physical Education teacher on receiving the Dr. Richard H. Bartlett Adaptive Physical Education Award! Recently, some of our Hawks Helpers students at SVES wrote their own questions and interviewed her. Special thanks to Georgia Charles, from Mrs. Kerschner's class, Violet Carr, from Mrs. Sherburne's class, and Olivia Plummer from Mrs. Montelo's class for the interview!

Violet: What is adaptive PE?

Adaptive Physical Education is teaching motor development skills and functional skills unique to the needs of the students who learn differently.

Georgia: What did you have to do to win the award?

I had to take more courses, do a practicum, and get a certificate/license specific to the work!

Olivia: How long have you worked at SVES, and how long have you taught adaptive PE?

Thirty-two years at SVES and this year is 33 years! I also taught five years at another school. Most of the years I have taught adaptive PE as well.

Georgia: How excited were you when you found out that you won the award?

I was extremely excited and thrilled when I learned I was selected!

Violet: Have you won any other awards since you've been a PE teacher?

I was teacher of the year for Elementary Physical Education in 2007!

Olivia: Have you taught any other subject? And, if you could pick anything you want to be, what would you do?

I have taught health, PE, and coaching. If I could pick anything, I would be a physical therapist, Pre-K teacher, or a professional runner!

Sacopec Valley Middle School Turkey Trot

The SVMS Turkey Trot was a wonderful event again this year! This community-building event brought our whole school together to support and celebrate each other while promoting sportsmanship and physical activity. Thanks to our sponsor, H&R Block, we were able to give 17 turkeys and 22 pies to winners of the races and the raffles in an assembly. There was a lot of hard work, cheering, and smiling throughout the day at SVMS! Congratulations to our winners:

- 8th graders - Kyson Estes & Tatum Easterbrooks
- 7th graders - Cullen Day & Payton Dunnells
- 6th graders - Killian Smith & Allison McDevitt
- 5th graders - Jayden Warren & Paisley Geyer-Smith
- 4th graders - Ethan Hauck & Adalyn Mills

Congratulations to Sacopec Valley High School Varsity Football!

Congratulations to our high school football team for winning the Sportsmanship Award for Eight Man Small Schools two years in a row! The MPA Sportsmanship Award is given to high school teams that demonstrate exemplary sportsmanship throughout their season. Schools are nominated and selected by opponents and other schools within their class and division. Key criteria for the award include neatness, positive support, lack of taunting or unnecessary roughness, and respectful communication with coaches and officials. We are so proud of these players and coaches for not only playing good football, but also being great people! Go Hawks!!!

Junior Achievement Returns to Sacopec Valley Middle School!

We were very excited to welcome Junior Achievement back to SVMS. Students reviewed basic job hunting techniques, including applying for a job, interviewing, and making a good impression. They learned about building transferable skills that contribute to future job success and which career fields are growing and which are declining to help them when making decisions about their own careers. Special thanks to our volunteer presenters: Jennifer Bouchard, SV Graduate, Senior Vice President of Member Experience at cPort Credit Union; Corey Buzzell, SV Graduate, Senior Vice President - Wealth Advisor at HeadInvest LLC; Ericka Hartford, SV Graduate, Communications Director at Sacopec Valley Health Center; Rebecca Messer, Branch Manager at Bangor Savings Bank; and Tyler Muise, SV Graduate, Teller at Bangor Savings Bank!

Thanks to everyone who donated trees and to those who came and purchased raffle tickets for those trees. What an amazing day/evening!

Cudos to the fair crew that put this all together. Special Thanks to Dave Paro for organizing another amazing parade. It may have been small, but it was mighty! We couldn't keep going without all of you!

Spirit of American Foundations recognizes Nancy Parkins of Cornish and the 21 Club of Parsonsfield

ALFRED, Maine – Volunteers are the backbone of a community. Sometimes, they're individuals, sometimes, they're part of a committee – all doing their bit to make their town or city better. And while the reward for volunteers may be in the doing – looking to the educational needs of young people or working to secure a health center, among other initiatives – appreciating their efforts through a recognition ceremony is vital, supporters say.

Annually, through nominations of groups or individuals by their municipalities, volunteer efforts are recognized and celebrated by York County Commissioners, who bestow Spirit of America Foundation awards.

Among the 21 individuals and groups recognized Nov. 19 were Nancy Parkins of Cornish and the 21 Club of Parsonsfield.

"We appreciate all the volunteers," said Commissioner Robert Andrews.

The 21 Club spearheaded the drive for a local health center years ago – and so much more, like creating a swim program, funding scholarships for local kids, organizing a Lilac Festival and so on.

Retired teacher Nancy Perkins of Cornish served as chair of the Maine Board of Education for two years of her five year term, and has served on an array of municipal committees, including the Select Board. She champions emergency preparedness for seniors, runs the local barn dance and is tireless in her dedication to the food pantry, assuring it is funded and well stocked for those most in need, selectmen said in their nomination.

Sharing the Road with Horse-Drawn Buggies

With the growth of Amish communities across Maine (*one right here in Hiram*), motorists are seeing more horse-drawn buggies. Sharing the road with horses requires enhanced courtesy, focus and awareness. We all want our Amish friends to be able to use to roads safely.

Horses may be unpredictable and are easily spooked by noisy exhaust pipes, horns, squealing brakes and other unexpected sounds. In addition, Amish buggies are not as expected or as visible as cars, trucks and bicyclists. This combination makes the buggies and their passengers quite vulnerable on public roads.

Tips for Motorists

- Slow down and pay attention when you see horse-drawn vehicle signs.
- Don't honk your horn near a horse! Nearly all horses are spooked by horns and it is against the law to knowingly frighten or startle an animal on a public way.
- Please don't rev your engine when pulling alongside a horse.
- Motorists are obligated by law to stop and remain stationary if anyone handling an animal signals that the animal is frightened. The motorist needs to wait as long as is reasonable and necessary, until the animal is calm enough to pass or move along.
- Dim your headlights when meeting or following a buggy at night, just as you would when meeting or following a car.
- Learn to recognize the reflector and lighting systems used on the front and rear of Amish vehicles. Dark buggies on dark nights are hard to see.
- Leave plenty of room between your vehicle and the buggy, especially if the buggy is stopped at an intersection. Horses get nervous at intersections and may back up. This unexpected move could damage the front of your car, and the buggy. More importantly, passengers in both vehicles could be injured.
- When passing a buggy, please allow at least three feet of space. If the horse is surprised, it could lurch the buggy into your path. If a car bumper catches a buggy wheel, it can flip the buggy, causing serious injuries to the passengers and the horse.
- Slow down when driving over a blind hill or around a sharp turn. If a buggy is nearby, your speed might make it impossible to avoid a collision.
- Buggies can travel faster than you think! Some can reach 18-20 mph. This is important to remember if you're passing a horse and buggy. Give yourself plenty of room to return safely to your lane if you're facing oncoming traffic, just as you would when passing a car.

BAILEYS

FLAT WHITE MARTINI COCKTAIL

INGREDIENTS

- 1.5 oz Baileys Original Irish Cream
- 0.75 oz. vodka
- 0.75 oz. espresso
- A few ice cubes
- 3 coffee beans to decorate

HOW TO MIX

Pop all the ingredients apart from the coffee beans in a cocktail shaker. Shake it up until everything is blended and the liquid is smooth as silk. Strain into a martini cocktail glass and garnish with the three coffee beans.

PLEASE HELP US REPAIR THE STEEPLE at the United Church of Christ, 37 Main Street, Cornish, Maine

This beautiful old church has been a tourist attraction since 1843 because of its beautiful steeple...

There have been many repairs made over the years. In 2019 we had an evaluation done by an engineer and received a 17 page report explaining what needs to be done, a complete restoration. We are a small town church with a small congregation. We just need some help to see the project to completion and make it beautiful again.

We will keep the Faith and see what the Good Lord allows us to receive. Many thanks for any amount contributed! God Bless!

Show your support for this GoFundMe

Instructions!

1. Go to **gofundme.com** and click the Search button (top left corner).
2. Type in "Cornish Church"
3. Find our page to donate and/or share on social media so we can spread the word.

Thank You!

If you wish to donate by mail, or would like more information, our address is:
Cornish United Church of Christ: P.O. Box 235, Cornish, ME 04020
Please mark donation for "Church Steeple Fund".

Got Skates? &/or (X-C) Skis?

It's that time for SVRC's Annual Free Skate (and to a more limited degree, X-C ski) loan program. However, our inventory is currently low, so we need your help.

TWO DATES TO REMEMBER:
Sat., December 13, 9 to 11am
at the **Redman's Building***
Connie will be on hand to receive skates & skis

Sat., December 20, 9 to 11am
at the **Redman's Building***
Connie, Peter & Maggie will be handing out skates & skis - free loan for the season.

ICE RINK REPORT: Travis Trueworthy and his Rink Rats are just beginning to lay ice... Stay tuned!

Vulcan

Facilities & Equipment Maintenance Technician

Tired of the long commute? Work local and join a reputable company in your own backyard! Vulcan Electric designs and manufactures precision heaters and temperature sensors used in semiconductors, aerospace, medical, and industrial applications worldwide — all built right here in Porter, Maine. We are seeking a Facility and Equipment Maintenance Technician to join our team. *Responsibilities include:*

- Perform planned, preventive, and corrective maintenance on production equipment
- Troubleshooting and repairing mechanical, electrical, hydraulic and pneumatic systems
- Providing hands-on support for general facility maintenance and improvement projects including plumbing and electrical work

Acceptable candidates for this position must have the skillsets to perform the listed responsibilities and work effectively in a manufacturing environment, with strong troubleshooting and problem-solving skills in a hands-on role. This position will include additional on-the-job training specific to Vulcan's operation. This is a full day-time position with a 4-day work week, 10 hours per day, Monday through Thursday.

We offer a generous benefits plan including paid Holidays, Vacation/PTO time, Life Insurance, 401K and Medical/Dental.

Interested candidates may email their resume to:
humanresources@vulcanelectric.com or complete application on-site.

DIRFY GENERATORS

IS TAKING APPLICATIONS FOR OFFICE HELP

What we are looking for:

Someone committed to completing jobs and projects, a team player with knowledge of office, great personality dealing with customers

Not looking for an individual who just wants to put their time in, but one who has the ability and desire to complete jobs in a timely fashion and have the satisfaction of completing such.

PART TIME POSITION TO START,
COULD LEAD TO FULL TIME SHORTLY FOR THE RIGHT PERSON

E-mail resume to: dirtygenerators@yahoo.com

WE HAVE A NEW SHIPMENT OF SHIPPING CONTAINERS

Thinking about adding a **Heat Pump** to your home?

Call **DIRFY**
HEAT PUMPS

- Sales
- Service
- Installation

Today!

DIRFYGENERATORS.COM • 207-637-3346

Special
\$400 OFF
12 YEAR LIMITED WARRANTY!

Heat Pumps are very Energy Efficient!

In warm weather, a heat pump can move heat from inside the house to the outside and when it's cold outside a heat pump moves heat from outdoors to the inside of your house...

Financing Available starting at \$69 a month OAC

What Our Customers Are Saying...

I highly recommend DIRFY Generators and Heat Pumps. If I had to rate them on a scale of 1 to 10, I would rate them a 10 without question. If I had to rate the individual phases (consultation thru installation), each phase would be a 10. The consultation was well explained with different options, which allowed me to easily make my choices. The installation was very organized and professional. The team was very polite, explained things to me, and was very neat. I didn't have to clean anything. And to the office staff, I can't say enough from the first phone call through the whole process.

I have discovered thru the process was the money that I would be adding to my monthly budget. We are retired and on a fixed income. We didn't have the funds available to proceed with this without their help. That helped us to be able install the heat pump system with no upfront money, which was a huge help to us. Not only that, but it also removed the need to pay for our propane to heat for our house. The cost difference was substantial. We actually save so much, that between the monthly finance payment, and the cost of the electric bill, we actually had more money for the month. We will be saving about \$110 a month (Over \$1300/yr). On a fixed income, that is substantial. It was almost like we were being paid \$1300/yr to put in the heat pumps. Again, a lot of money for fixed income.

And the best part, from the time we signed the contract to installation, less than a week. They had a good sized crew here.

We were so impressed, we decided to put in a Heat Pump hot water heater. Again, no money upfront. The savings after the finance payment and the power bill amounted to about \$97/mo (\$1164/yr). That was a total savings of about \$2500 a year for the heat pumps to heat and cool as well as the hot water heater. It was like getting paid \$2500 a year to install these. (p.s., I verified the figures from the Efficiency Maine website)

I am recommending to everyone I know to contact DIRFY Generators and Heat Pumps so that they can increase their spending money.

This company is awesome. No wonder they are number one in New England
