OBITUARY

Leonard Wayne Carruthers

SEBAGO - Leonard Wayne Carruthers, age 65, of Sebago, Maine, passed away peacefully at home surrounded by family on June 16, 2026, after a relentless battle with stage IV colorectal cancer. A true jack-of-all-trades and a joy to be around, Leonard left a legacy of hard work, kindness, and endless laughter.

Leonard was born in Bridgton, Maine, a son of Edward and Mary (Nutting) Carruthers. He was an extremely hardworking man who dedicated 30 years of his life as an Arborist for Lucas Tree, followed by over 15 years as a Rock Crusher Operator for P&K Sand & Gravel, and F.R. Carroll. He was the definition of a protector and provider, always the very first person to step up whenever anyone was in need.

Leonard was happiest when he was busy with his hands. He took immense pride in his home, working hard to maintain it and make it beautiful. If he wasn't working on the house, you could find him in his garage, tinkering on anything and everything - from perfecting his son's 1987 Ford Mustang, to building a custom golf cart from scratch. In his quieter moments, he enjoyed building mini semi-truck models, napping with his dog Pearl, watching documentaries or heading out for a day of brook fishing.

Above all, Leonard was a dedicated family man. He shared 31 beautiful years with his wife Rosalie. He was an amazing dad, who was proud of his children, Josh and Mollie.

Those who knew Leonard, will remember him most for his goofy nature and sense of humor. He had a gift for making people laugh. He deeply appreciated life's simple pleasures. His perfect morning was spent sitting on the deck with his wife, while sharing a cup of coffee, watching the sun rise, and listening to the birds chirp.

Leonard is survived by his wife Rosalie (Nason) Carruthers; his children Joshua Cutting (Jessica), and Mollie Carruthers; his mother Mary (Nutting) Carruthers; his sisters Judy Nile (Larry), Carol Allen, and Emmy Andrews; his brothers Richard Carruthers, and Kenny Carruthers; and many nieces and nephews. He was preceded in death by his father Edward Carruthers; and his brothers Chester Carruthers, and Robert Carruthers.

He will be deeply missed, but his warmth, his jokes, and his generous spirit will live on in the hearts of everyone who loved him.

A private graveside service will be held on June 28, 2026, to honor and celebrate Leonard's life. For those who wish to honor his memory, donations may be sent to New England Cancer Specialists, 11 Rock Row, Westbrook, Maine 04092. Flowers may be sent to 25 William Henry Drive, Sebago, Maine 04029.

Monday, June 29, 2026 5-6 PM!!

RAIL\$\$\$ TO TRAIL\$\$\$

YOU - Brownfield Taxpayers/Residents Responsibility

LD404, sponsored by Sen. Rick Bennett was signed into law by Gov. Mills on 7/6/23 - authorizing removal of rails and construction of a trail.
Sen. Rick Bennett, Independent candidate for Governor, formerly Republican party Senator.

Maine DOT original **"Programatic Costs & Recommendations"**
Paved: \$33,502,020; Stone Dust: \$26,176,020; Diff: \$7,326,000

Brownfield: 6.52 miles - total cost paved: \$6,003,000
No proposed trailhead in Brownfield at that time.
MDOT official parking access to trail: Fryeburg and Hiram

TOWN RESPONSIBILITY WHEN COMPLETED!!

MAY 11, 2026: Brownfield Selectboard Workshop Minutes, MDOT OWNS THE TRAILS (UNTIL RR RECLAIMS IT), but will not maintain them and seeks LOCAL PARTNERSHIPS for ongoing maintenance.

KEY MAINTENANCE: mowing, repaving (trail & bridges), signage upkeep, minor repairs, downed trees, porta-potties (placement and maintenance) and vandalism. Thorough maintenance should occur twice yearly.

MAY 27, 2026: MINUTES: Commitment - 20 years, renewable at 10-year increments with 100% Local Funding required for maintenance for a non-exclusive, REVOCABLE license to use the trail.

FINANCIAL LIABILITY: The town faces significant maintenance costs and potential loss of state funding if obligations are not met. The Selectboard discussed the need for a new full-time Public Works employee and Equipment.

MAY 28, 2026 MINUTES:

The Snowmobile Club is willing to enter into an agreement to provide winter maintenance to include clearing fallen trees and maintaining safe crossings, from the time there is sufficient snowfall until conditions no longer exist for winter use.

MY SUMMARY:

The State taxpayers pay for the removal of the RR tracks and the construction of a paved trail that complies with RR standards. The area towns' taxpayers, should they agree, pay for all maintenance and other costs listed to comply with the RR standards.

PER LD1133: "Any non-rail use of the Mountain Division Corridor will be considered interim in nature and the corridor must be preserved for future rail use." Possible future uses for a "trail" built for RR use or heavy equipment: Installation and maintenance for new RR tracks to haul tanker (water or fuel) and aggregate cars; installation and maintenance road for a pipeline to export water and cooling for large data centers.

Why Advertising in 'The Guide' works!

12,000 Shopping Guides are mailed directly into homes and a combined 1,500 are left in stores in the towns we serve...

Mailing guarantees that all homes in your target area will see your ad, not just those that happen to look up your information. Know how your advertising dollar is working for you. Not all papers mail. You could be paying the same or more for an ad that is only reaching the people who happen to pick a paper up at the store.

Randi's search for a living kidney donor...

Please consider a Gift of Life.

Dear Friends & Family,

Some of you may know that I have kidney disease. I am a 76 year old from Parsonsfield, and over time, my kidney disease has gotten worse, causing my kidneys not to work well enough to keep me alive. My treatment options at this time are limited to dialysis or a kidney transplant. I have been on dialysis for some time now, 3 days a week for 4 hours each day, which is helping my kidneys do their job of removing wastes, toxins, and extra fluids. But the longer you are on dialysis the more your health deteriorates.

However, a living donor kidney transplant would offer me much more freedom and the ability to live a longer, healthier, and more meaningful life. A transplant would also give me more time to do the things I love most, such as spending time with my family and friends, my partner Nick, my pets, helping others, and being outdoors.

Finding a kidney is not easy. People who are on a wait list for a kidney from a deceased donor often have to wait 5-10 years and the kidney lasts on average 10-20 years. But the wait list for a living kidney donor is much shorter, sometimes even months, and the kidney typically lasts 20-30 years. It also has much better function.

In order to donate, living kidney donors get a careful and thorough evaluation with your own team of health professionals to see if you could be a match for me and to ensure that living donation is as safe as possible for you.

I want to share with you some basic information about kidney donation.

- 1) You only need one kidney to live a long, healthy life.
- 2) The surgery for a donor is done laparoscopically, meaning through tiny incisions, and the recuperation period is fairly quick, generally only a few of weeks.
- 3) The cost of an evaluation and surgery would be covered by my insurance, and there are programs like Donor Shield that can help with other charges.
- 4) Although my blood type is O+, you do not necessarily have to have the same blood or tissue type to be a match.
- 5) There is no age limit to be a donor. You just have to have a healthy kidney.

In order to express your interest in becoming my kidney donor, you can fill out the form at this link: www.mghlivingdonors.org. Upon submission, the Mass General Kidney Transplant Team (617/530/4156) will be in touch with you.

To learn more about kidney donation, you can call Julie Hogan, my Transplant Navigator at: 702/530/4156, or go to the National Kidney Foundation's website: www.kidney.org/livingdonation. There are also other websites that can help you learn about kidney disease & donation.

Thank you for taking the time to read my story. A major way you can help me is to share it with your friends and family, and on social media.

With much appreciation,
Randi Gelfman
