# Kimberly Pomerleau

for MAINE HOUSE 85

## *Hello Residents of Standish,*

My name is Kim Pomerleau, and I am asking for your vote on November 8th. We all know that Standish is a great town to live and raise a family in. I've always been very proud to call Standish my home. I will always put Standish first and I will be a voice of reason in Augusta because I am deeply committed to the principles that founded our great State of Maine. I will support all Standish voters, and with your support, we can work together and hopefully move beyond the partisan bickering in Augusta. Having been elected two terms as your Standish Town Councilor and elected two years as Town Council chair. I am more than capable of being an advocate for all Standish residents. I am qualified and dedicated to put Standish first for generations to come, I have the experience to lead from day one.

We moved to Standish in 1989 and for the past 33 years, we have owned and managed several local businesses (Maine-ly Heating Oil, Standish Trailer Sales and Roadway Trailer MFG). I understand what it takes to run a small business in Standish and will work hard to create and maintain good-paying jobs in our town.

The reasons why I am running are my children, grandchildren and great grand-children. Elected officials have an obligation to look out for our next generation.

Voting is your most important right. It gives you the power to decide what your future looks like. Your vote matters, Don't be a part of the silent majority. Vote and make your voice heard. Again I ask for your vote on November 8th. Thank you for your time and consideration. I also encourage you to do research and contact me with any questions.

*Thanks, Kim*

## *The love of family is life's greatest treasure.*

- Married to Phil
- 5 Children
- 9 Grandchildren
- 4 Great Grandchildren

## EDUCATION

Put our children first, parents have the right to know what is being taught to their children. We must rethink how we are funding public education. Renewing the focus on Technical, Trade and Vocational Training in our public schools will give our children more career options.

## JOBS

Maine now has the oldest population of any state, without good jobs our children cannot stay in Maine. Tax and Regulatory Reform are great places to start.

## LOCAL CONTROL

Who knows our needs better, the Citizens of Standish or the out-of-touch career Politicians in Augusta?

## WELFARE REFORM

We need to protect our most vulnerable citizens, seniors and children. We need to reform welfare and not expand it.

### ARE YOU WEARING A TRUE PROSTHETIC OR ARE YOU WEARING A TRADITIONAL DENTURE?

- As a denture wearer have you developed deep puppet lines/fowls that make you look older than your years?
- Have you found that you are sometimes hesitating before you smile because there is something about your teeth that just doesn't look right?
- Are you choosing foods to eat based on the lack of stability of your current dentures?
- Do restrictions of the fit of your denture cause you to think twice before engaging in kissing or laughing?
- Is the fact that you have experienced breakage of teeth or of the base of your denture increasing your anxiety level?
- Are you absolutely dependent on the use of denture adhesive? If you answered YES to any of these questions you are probably wearing a traditional denture not a true prosthetic....WE CAN HELP!

She is survived by her husband, Joseph Langlois; and her son, Kevin Langlois.

OBITUARY

**James "Jim" Reed**

WESTBROOK - Jim Reed of Westbrook, Maine died at his home September 28th of heart failure. He was born June 16, 1942, in Farmington, Maine, the son of Dr. James and Elizabeth Reed. Although Jim was born with disabilities that prevented him from attending public schools, he lived a rich and varied life.

Jim began his days in Farmington, Maine, then lived with his grandparents, Charles and Edith Reed at their farm in Otisfield, Maine. With the relaxed pace of farm life, he flourished and developed a lifelong love of animals. When his grandparents were no longer able to manage their farm, he lived with David and Jean McKeen in Harrison, Maine, helping out on their farm. Jim later lived at Carleton House in Portland, Maine, at Green Hill Farm in Parsonsfield, and at Foss Farm in Limerick, group homes managed by Community Partners.

In his last years, he lived in his own home in Cornish with a roommate and a devoted staff. Here, he spent some of his happiest and most productive years. He took part in Special Olympics, went to camp, raised chickens, developed a strong interest in the world around him, and advocated around the state for people with disabilities, including speaking at a meeting with a committee of the Maine legislature. He worked at a recycling center. He also wrote letters with the help of his staff to ask for donations of cars to his house. Thanks to the generosity of several people he and his house received a red Oldsmobile which ran for years and, when that gave out, a blue Toyota. His final days were spent in a beautiful house in Westbrook, Maine, under the care of Spurwink Services, an organization that provides support for people with disabilities.

Jim was loved by his staff and his many friends for his generosity, sense of humor, helpfulness, hard work, and reliability. He enjoyed riding horseback once -a - week, as well as going to church, listening to music, and being able to make decisions about his life and his future. He also enjoyed his numerous visits to have lunch with his mother in Farmington, and his visits to Vermont to spend time with his sister, Carol Hosford, and her husband, Charles.

Jim's wonderful staff made it possible for him to enjoy some really special trips. In his later years he went to a western dude ranch, Disney World, Boston, and New York City, where he held up a sign saying "Maine" at the Today Show.

He was pre-deceased by his mother and father. He is survived by Carol and Charles Hosford and by his niece, Kate Hosford, her husband, Chris Welch and their children, Charlie and Andreas; his nephew, Dave Hosford, and his wife, Melissa; and their three girls, Aliya, Carina, and Brooke. He is also survived by his many devoted staff members.

There will be no calling hours. Burial arrangements in Cornish will be provided by Poitras, Neal & York Funeral Home. Online condolence messages can be submitted at [www.maineFuneral.com](http://www.maineFuneral.com)

A memorial service will be held at the South Parsonsfield Free Baptist Church later in the fall. All who remember Jim will be welcome to attend.

**Pet Needs!** **PET TIP!** In some regions, the temperature drops quickly once fall hits. Put a blanket on the porch for your dog if he spends a lot of time playing in the yard, and don't leave him out for extended periods of time in the late evenings and early mornings. Most breeds are well-equipped to withstand cooler temperatures, but others - like Chihuahuas, Greyhounds and Salukis - are not. Help him transition slowly from the heat of summer... at least until his winter coat comes in
